

A WORD FOR ZEBULUN AND ISSACHAR

15-1-12

I came into the Revival altar this evening (Sun.15-1-12) with the intention of concluding the Lord's business that I started yesterday. I started with hymns (O Worship the King) and as I started worshipping with the intention of concluding the business at hand, **the Lord commanded me expressly to publish this word to those of us called to the mountain of the Economy and Commerce.** The intention is to remind them of the Lord's purpose to put significant resources in their hands to pay the bill for the last push of the Gospel that will culminate in Christ's return in glory. I trust the Lord that I will be able to pass the message the way He expressed it in my heart.

1. THE WORD OF THE LORD TO US: the Lord gave us this word on 4th July 2010 which we published widely to all believers in our network and many others; *"The Lord said to us on the 4th of July 2010: "2011 – 2018 (a seven year period) will be the most significant years Nigeria has ever known as a nation. Some things that have not been possible in the past seventy years will become possible because heaven will start pushing its agenda for Nigeria*
 - a. *The oil wells of Nigeria will fall into indigenous hands especially in the next four years. Sound the alarm and prepare the people. This will happen through a change in the legislation and the transfer of technology. I will put My Spirit on qualified people willing to take this mountain and they will have knowledge hitherto closed to them.*
 - b. *Decimation of Islam: Islam has a wicked agenda for Nigeria because Satan has seen my hand over Nigeria. Devious schemes will emerge from the chambers of Islam. You must match their devotion and focus by **praying and making proclamations** to counter their own voices."*

MY COMMENTS: PRAYERS WE MUST PRAY AND ACTIONS WE MUST TAKE:

- i. We must probe the mind of God to find out those things that has not been possible in the past seventy years that will become possible as a result of heaven pushing its agenda for Nigeria. I believe those things will cut across the seven spheres of influence that affect the culture of our people: **Government, Economy, Media, Education, Celebration, Religion, and Family.** In Government for example, I believe that God is desirous of putting His anointed on the throne in 2011 so that His agenda will be fast-forwarded. We must therefore pray and participate in the process that will see the fulfilment of this purpose.
- ii. On the economic front, the enemies of Nigeria have largely used the resources of the nation against the people. Imagine for example how much money the former Head of State took for himself from the Gulf war windfall. Since the Lord wants to redistribute this wealth, we must pray fervently for this and also position ourselves through training and participation. Christians who are called to the mountain of business and economy can start by retailing fuel, owning filling stations and informing themselves on how the oil and Gas Industry runs. However, they must do this prayerfully and as agents of God, otherwise they will be overrun on this mountain. The word of God says in Micah 4:5a, *that every nation comes to do business with its own gods or in the name of its gods.* The Chinese and Asians will play a prominent role in this re-configuration of the oil

industry and the people are known to come with their multitude of gods to do business. They don't just come empty-handed. Ask those in pharmaceuticals, electronics and other items competing with Indians and Asians..." (4th July 2010)

2. As the Lord reminded me of this word that He gave on 4th July 2010, the Holy Spirit granted me illumination and I could see the pattern in the Bible. Moses, in Blessing the tribes of Israel, had this to say about the Tribes of Zebulun and Issachar: *"And of Zebulun he said, Rejoice, Zebulun, in thy going out; and, Issachar, in thy tents. They shall call the people unto the mountain; there they shall offer sacrifices of righteousness: for they shall suck of the abundance of the seas, and of treasures hid in the sand."* (Dt.33:18-19)

The way I understand it, **Zebulun and Issachar are the biblical picture of the end-time financial vessels that the Lord has reserved for Himself, which He will empower at this time by committing enormous financial resources in their hands to pay the bill for the Gospel push that will lead to His return.** That push will originate from Nigeria and even in the midst of this turmoil, God is still reminding us to see His larger purpose and pray them into manifestation. Before I summarise the call on the Zebuluns and Issachars, let me introduce another scripture that helps illuminate God's plan and purpose. Isaiah 45:3 says, *"And I will give thee **the treasures of darkness, and hidden riches of secret places, that thou mayest know that I, the LORD, which call thee by thy name, am the God of Israel.**"* Please note the word, treasures of darkness. To understand what the Lord is saying, we have to go to the book of Mathew to see what had happened to Zebulun at the time of the Lord's first advent in spite of the wonderful prophecy about their future. *"The land of **Zabulon, and the land of Nephtholim, by the way of the sea, beyond Jordan, Galilee of the Gentiles; The people which sat in darkness saw great light; and to them which sat in the region and shadow of death light is sprung up.."*** (Matt.4:15-16. You can see that from the time when Moses prophesied on Zebulun and Issachar, to the time of Jesus' first advent, the Zebulonians had become a 'people who sat in darkness' (Matt.4:15). The main reason given by scripture is that they dwelt *by way of the sea*. They were influenced into darkness because as they forgot the original purpose for their blessing they were taken captive by the three major satanic principalities/demons that dwell in the sea that Satan uses to siphon resources away from God and His purposes. The principalities are: **Mammon** (Lk.16:13); **Leviathan** (Is.27:1, Ps.74:13-14) and **The Queen of the Coast** or Jezebellian spirit (Rev.2:20).

3. **WHAT THE LORD IS SAYING NOW:** The Assignment that the Lord has given me therefore is threefold: **Firstly**, to re-affirm His word given on 4th July 2010 quoted in part above. The Lord is saying to **those He has called to the mountain of Economy and Commerce** that great wealth is coming into their hands IN THIS SEASON, not because of their expertise or carefully laid out plans but solely because of His purpose and by His favour. **The Lord is using the fuel crisis to highlight the darkness in the Oil and Gas Sector preparatory to a total overhaul of the Industry that will favour His elect.** If you are called to this mountain, prepare yourself because great wealth is coming. **Secondly**, the Lord wants me to remind you about the fate of Zebulun. They ended up in darkness because they did not understand the Lord's purpose for the wealth He gave them. They forgot how to pray and they were taken

captive by the satanic trio that lives in the sea and who control worldly wealth.

Thirdly, the Lord is asking me to call you to pray in this season. War against these dark forces that are holding the resources that the Lord has released to His people and for His purpose. The major weapons that the Lord has ordained for this battle are: **Worship, Proclamations** and **Watching** in the night seasons. If you are willing, the Lord will direct you.

4. Reading **Deuteronomy Chapter 33:18-19**, you will see God's purpose for this wealth that is coming in **the next six years**: *Note: That will enter into it early are those who keep the principles through covenants, vows and sacrifices.*
 - a. To call people unto the mountain (by freeing many from systemic poverty)
 - b. Offer sacrifices of righteousness (Change the corrupt business practices prevalent today in the mountain of the economy)
 - c. Participate in new opportunities that will open up in Maritime, Mining, Oil and Gas Explorations, Estate and Construction industries. The Lord is saying that new minerals will yet be discovered in Nigeria especially in the Niger Delta Area that will change the face of technology worldwide.
 - d. They will discover 'treasures hid in the sand.' If you read Is.45:4 you will see that God's purpose in allowing the treasures to remain hidden up till this season, is that it is preserved for the sake of his elect and for the sake of the Gospel – '*For Jacob, my servant's sake.*'

THE SPECIFIC PRAYER CALL: (The Prayer call is for those called to the mountain of Economy and Commerce, but I suppose anyone who desires changes in his finances can join. After all God has made this a season of prayers)

The time for the Lord's return is near the corner. The Lord is focusing attention on Nigeria because Nigeria has been destined to start the Revival that will culminate in the Lord's return in glory. **The upheavals we are experiencing today is not the work of man, it is not the work of Satan** (methinks, we give him too much credit). **It is the work of YHWH, The God of Israel.** God is troubling the waters to force His end-time Army into battle formation. God expects that by now, every believer who considers himself a matured son of God would have identified the area of his calling (Eph.2:10; Jer.1:5; Ps.40:7). If you have not known this, please use these God-given holidays to pray till you are certain. If you are called into business, just know that God's purpose is to use you to finance His work. The last move of the Gospel will require a lot of finances and most of the burden will be borne by Nigeria but the Lord has made provision. This prayer call is for those who are called into the mountain of Economy and Commerce:

- a. War against **Mammon, Leviathan** and **the Queen of the Coast**. Use the scriptures I cited above and others.
- b. Repent of disobedience in the area of giving and waste of the Lord's resources.
- c. Pray for the Lord to increase your faith.
- d. Pray for divine insights
- e. Pray to see opportunities as they open.
- f. Pray for angelic assistance.
- g. Pray for the Lord to guide your step. Pray always in the spirit and pray for grace of interpretation

The Lord says to you: **“Great wealth is coming your way, not for your own purpose, but for My purpose.** *‘Ask of me and I shall give thee the heathen for thine inheritance, and the uttermost part of the earth for thy possession.’*”

In Christ,

(Messenger).
