## CONVERSATIONS WITH BOB JONES PART 2:

### CONVERSATIONS 2: (20-12-2019):

*Today is Thursday. Thursday is my usual Waiting Day. I had slept on Wednesday night looking forward to the Waiting Period. Could not sleep early because of the hot weather. When I slept before I knew it morning was already here.*

*The Holy Spirit woke me up before 5am. Before I could settle down on my desk at The Revival Altar I heard Bob's greeting: (Wholetones was playing in the background):*

Bob: Good morning Isaac.

Isaac: Good morning Bro. Bob. Nice to have you back.

Bob: I told you I will be sticking around until I have delivered the message, teachings and impartations that I have been sent to give you for your generation. Your generation is the last generation in a sense but many are not even aware of it because religious messages have dulled their hearts.

Part of your assignment is to awaken people out of religious dullness and this is why the Lord is giving you the weapon of Truth, to go back again to the word of God with an open mind so that the Lord who is Truth Himself will breath upon you and pour a freshness of revelation knowledge that will awaken your generation out of religious slumber.

Africa and in a sense your nation has the privilege to be the Altar that will prepare the Temple for the last outpouring of the Glory of God that will sweep through the nations of the world to make room for the return of the King of Glory.

You are called to be that Altar and that is why you cannot afford to play religious plays. You don't have the luxury. You are called to seek the Truth. To lay hold on Truth and to say to Truth I love you and will not let you go.

You are to make Covenants to be a generation that publishes Truth. You are to know the Truth so that the Truth can set you free.

The word of God will work more for you if you begin to take it literally. The greatest agent of deliverance and freedom is Truth (Jn.8:32).

*And ye shall know the truth, and the truth shall make you free.*

Seek the Truth. Love the Truth. Grow in the Truth and then publish Truth. That is why the Pss. 26 and 25 Covenants are a key for ministers who want to be on the Lord's side. It is a vital Key. Make this Covenants. Renew them always and then Teach it so that

there will be a company of true Priests who walk in the Truth. That is the key for the salvation of your nation.

One way the enemy builds a stronghold in any nation is to obscure the Truth.

He cannot succeed in obscuring the Truth unless he has a company of inside Army in the Church to trade with. That is men who once had the Truth and are supposed to be the custodians of the Truth.

Once he trades with them and persuades them to buy even a little bit of his lies to dilute the Truth they have been given, he has planted a seed that will grow and grow until it becomes a monster. It is this monster, a religious monster that enables him to have a stronghold in a nation.

Remember, satan is a wise man even though his wisdom has become perverted. He does not go to empty places. He goes to places that are precious to the Lord because his work is to oppose the Lord and to trample on His seed and corrupt the seed.

Truth is a major weapon to bring deliverance. It is when Truth is constantly going up to heaven that righteousness will descend from heaven to embrace that Truth so that heaven can be planted on the earth.(Ps.85:11 + Is.51:16).

Truth is a person, a spiritual person. You cannot walk in the Truth without knowing Truth, the person and then being spiritual yourself.

To walk in the Truth you must first develop a proper walk with Him such that you are walking in the spirit and then you can walk in the truth. Truth must be known from the heart - from the belly, the womb of the spirit. That is where living waters flow from. It does not flow from the head.

One of the things I did a lot in my days on earth, which I still bring before the Lord in repentance is to offer repentance for the model of the Gospel that we (America) exported to the nations and this is what has largely disfigured your nation.

I call it the gospel of the head (reasoning, intellectualism, drama, sometimes heresies but largely without spiritual content).

You must not continue to embrace this Gospel because it is not the True Gospel.

The Lord wants to bless the Nigerian Church with **the Gospel of the Kingdom** which is the Gospel of Truth.

It requires a lot of Fellowship with Him in quietness and offering up of one's soul so that first He can purge you of all the wrong things that you have drunk from the well of the whorish prophethood described in Rev.2:20 which we contributed in exporting to you.

It is when the purging work has been done that He can begin the outpouring of new wine which He is waiting to pour on Africa with Nigeria leading.

It is Africa, with Nigeria leading that will go as fore-runners for Him to publish the good news of His return in glory.

He is waiting to pour out apostolic power, the power of the Seventh Day Church on Africa and you are privileged to be the generation that will stand with Him and for Him.

But first, you must be willing to be purged of religion so that He can make fresh vessels, without religious colourations or connotations where He will pour this new wine.

These are the things waiting for your generation and you must be excited and prioritise your time so that you don't delay His work. Delaying His work will be costly because that is the only thing that can bring lasting deliverance and salvation to your nation.

Your nation is torn on account of the purpose it is carrying. It is the purpose that is attracting all the flies. It is also for the sake of this purpose that your nation will be delivered.

Forget about the politics, the contests and other things that are happening on the surface. The main issue is the soul of the nation which only the Lord can salvage because He is the Bishop of souls.

By standing with Him and offering Him our souls, then we can be in a position to also offer Him the soul of the nation that He can save it.

This is just the intro, because today I want to talk to you about **prophetic cycles** anchoring on Rev.4:1-11.

### **THE PROPHETIC CYCLES:**

Prophetic cycles are Throne events. They happen around the Throne and are directed by the Throne. To understand these cycles, you must pay attention and understand all *the personalities mentioned in connection with the Throne*.

These scriptures are the key:

Rev.4, Rev.5, Heb.12:22-24, Is.6, Is.66:1-3 and Gen.1:1-3.

Then you can add Dan.7:9-14, Dan.4:17, Ezk.9:1-3 and Zech.1:8-10.

If you keep this in view and prayerfully study them you will have an understanding of prophetic cycles.

As you study, **Wisdom, Understanding and Judgment** (Discernment) are being sent to you because the Lord wants you to understand prophetic cycles because of the next level of assignments He will be asking you to lead and undertake on His behalf.

The Prophetic ministry plays an important role whenever the Lord wants to reclaim a territory. The Lord wants to recover your nation for Himself. Make no mistake about it and He is coming to fight for the land. Rev.10, 11 and 12 are open Books and they speak concerning your nation.

*The Lord will grant you insights, depths and prophecies from the little book that are **Time, Location and People specific** concerning your land.*

The sons of heaven are being raised and the Lord is giving them a voice and a strategy to unite and combine with heaven's host with which He will take the land. Study these scriptures and we will come back to it.

Today, I will start with the Living Creatures:

*6 And before the throne [there was] a sea of glass like unto crystal: and in the midst of the throne, and round about the throne, [were] **four beasts full of eyes before and behind.** 7 And the first beast [was] like **a lion**, and the second beast like a **calf**, and the third beast had a **face as a man**, and the fourth beast [was] like **a flying eagle**.*

These are all characteristics of the Son of God, the Lord Yahushua who is the Living Word. He is the Chief Guardian of His Throne (See Gen.3:24).

Then from His essence, the Father took out of Him to endow the Guardian Angels of the Throne with some of His characteristics. So He invested a measure of Him in them.

Michael is the Guardian Arch Angel that manifests the nature of the lion, the warring Angel that commands the Host in fighting the Lord's Battles. He commands the Host but He does not lead them. That privilege is the Lord Yahushua's who leads the Host by His spirit while Michael commands them. He is the Guardian Arch Angel of the Northern part of the Throne, The Northern Gate. He is the one the Lord invested with His nature of a lion that roars, fights and consumes.

2019 – THE YEAR OF THE LION:

I started with him first because **2019, which started effectively on September 10, 2018 (Tishrei 1, 5779) is the year of the Lion.** The Lion wants to roar over the land so that He can have your land to roar from there over the nations. (See Rev.10:2-3).

That is why He has been coming to your meetings as the lion. Lion speaks of authority that comes from knowing the foundations and your place in the foundations. Authority that comes with having knowledge of the foundations. Knowing that the Lord is both the creator and the redeemer of the earth. That the earth is His and was created for Him (Ps.24, Col.1:16). It is a deep rooted knowledge that is birthed in your belly that generates confidence and enables you to know that no part of the earth has a legal right to refuse or resist Him. When He comes to you as this lion, He chooses to roar through you to proclaim and administer that right and where there is resistance to enforce the right.

That is the complexion of 2019. He is coming to fight with the sword of His mouth to take over the land He has redeemed for Himself to use it for His purpose. That is what **Rev.19:11-21** is speaking.

Remember, He is a man of wisdom and He knows where to set the Battle in array. As for your nation, He has chosen to set the Battle in Array in the midst of your politics and poli-tricks because that is also where your nation has done the most evil from the days of the colonial masters.

Many of the people that sit in government over your nation do not know the Lord's mind concerning the Throne and so they use witchcraft and sorcery to empower themselves and then they sit as gods to rob, deny, steal from and eventually kill the people they are supposed to empower.

The Lord is judging abuse of the Throne in your land and many who have abused the Throne starting from religious houses will be judged because judgment must of necessity start from His house.

Simultaneously as He is judging and purging His house, He will also judge many of the sons of belial that have set thrones for satan in the Throne of your nation.

That is what this lion is coming to do.

You have to make room for this lion to take hold of your spirit man, strengthen it and then imbue on it the strength of the lion as He has done with the Guardian Cherubs. That brings us to the second component of the Throne:

*And out of the throne proceeded **lightnings** and **thunderings** and **voices**: and [there were] seven lamps of fire burning before the throne, which are the seven Spirits of God (Rev.4:5).*

These voices that Thunder are men whose spirit man has mingled with the Lord until He has transferred to them his lion nature. These men will be the ones that provoke His judgments and mark the paths for the Angelic Order to follow to execute pronounced judgments whose execution are due (See Ecc.8:11 + Ps.149:2, 6-9).

Many pronounced judgments will be executed in 2019 amidst the political contest in your nation. That is why it is important to be on the Lord's side at all times and to be a man that waits. **Waiting is a very vital key in the Year of the Lion.**

Isaac: Amazing. I am eternally grateful for this light and insight. I pray that the Lord's purpose in choosing me to reveal this depth of insight will be fulfilled in me and through me, to the honour and glory of Hos Name.

Bob: Amen. That is a very good prayer. I can tell you it came from the belly and not the grey matter (head).

2020 - THE YEAR OF THE EAGLE:

2020, the year that follow will be the Year for the Eagle. The sight of the Eagle is required to build according to the pattern of the Father.

The Father is a sticker to patterns and wherever His pattern are violated, He must first pull down before He can rebuild. (Jer.1:10).

Things will be pulled down in your nation in 2019 that are not according to Divine pattern. Then a rebuilding process will be necessary and that is what will be the focus of the coming year.

Rv.22:7 (THE LORD Yahushua Ha-Mashiach) *Interjects*:

I am raising a Company of Eagles in your land that will be SEAL Prophets that will care more about fellowship with Me than the accolade and attention that prophetic giftings attract. These ones will learn how to truly be in Me that when they speak, it is My voice that will be heard and it will come with greater accuracy and impact.

This work of raising the Eagles I have started long time ago but it has often delayed by men not having understanding and sticking to pattern. Some get corrupted and become prophets in Babylon and in this way they lose the right to come into the Eternal Prophetic Company that will be listed in **the Hall of Fame.**

This Eagle Company I am raising must have Eternity in mind and not deviate from pattern. That is why Submission, Accountability and Mutual Exchanges (S.A.M.E) are necessary anchors. Lone rangers don't last long in this company and you must see this if you are to keep your mantle clean and unsoiled.

The Eagle Company will see My patterns and bring fresh insights that will unlock riddles that have defeated many generations. I am releasing fresh insights that will solve complex questions, like *the electricity situation* in your nation. It is a work of darkness that only My light can resolve.

Some of these Eagles will be deployed in the market place and around the Thrones like Daniels and Josphehs and through them I will bring answers from My presence that is beyond human thought and concept.

They will be simple answers that are presently covered by darkness and some of them when it comes people will say; Whaaaat!! Why didn't we think about that?

So these Eagles are coming and you are among that Company.

I will fulfill in them and through them: Dan 5:12

*Forasmuch as an **excellent spirit**, and **knowledge**, and **understanding**, **interpreting of dreams**, and **shewing of hard sentences**, and **dissolving of doubts**, were found in the same Daniel, whom the king named Belteshazzar: now let Daniel be called, and he will shew the interpretation.*

They will operate in this but Is.11:2 will be there foundation:

*And **the spirit of the LORD** shall rest upon him, the spirit of **wisdom** and **understanding**, the spirit of **counsel** and **might**, the spirit of **knowledge** and of the **fear of the LORD**:*

These are the Company that are coming. They are in waiting and preparation now and will be part of the Lion Army that will fight in 2019 and as from 2020, I will begin to place them in positions of influence because it is through them that heaven's answers will come.

Many answers on earth today in education, technology, food sciences and even in government, literature and Arts are not from heaven. They are there because there was a vacuum. When this light and the lighted ones come to their thrones they will begin to dispel the darkness, saith the Spirit of the Living God.

Isaac: So you are going to give them Thrones:

Bob: Yes. The Apostolic and Prophetic realm speak of Thrones. Thrones have governmental functions and thrones can take territories.

The Church lost territories because it settled in functioning at a Pastoral level and refused divine government and therefore hell gave them a government which is Babylon.

But I am set to change all that and you will begin to see the signature as from 2019.

So like Michael was invested with the lion nature, the Eagle nature was invested in Uriel, whose name means light – Bringer of the Father's light which a prophetic clothing, an Eagles eye so to say. This Arch Angel will mingle with the Eagles and has a lot to teach them especially about unweaving the web of deception and witchcraft that

Satan has weaved around African culture, lifestyle and being which manifests in their religion that hinders a proper walk with God. Let me tell you this: For salvation to come to the rest of mankind and for the last global harvest to happen that will fulfill Rev.19, Africa must walk with God. Brother Enoch has a lot to say to Africa about this season and He will come to you and the Eagles over and over again.

This is where we stop today but we will continue shortly with the remaining two – The man and the ox. The two have to combine properly to walk in the patterns of God when the Vision (pattern) has been set out:

The Lord bids me say to you SHALOM!! His peace is resting upon you and He will bless you with wealth.

He will yet teach you about wealth because it is coming your way.

Rv.22:7:

Say to My servant **John** that I have given him a father's heart to father this nation. I will need to do a heart transplant to fully install this heart. He should agree with me so that we can accomplish this as it will be required for the days ahead.

Say to my servant **Ike** that I am with him and the Campaign is on course. I am moving from different directions and he should always rest when appropriate. Let it rest on My shoulders as his shoulders are too frail to carry it.

Peace to *the Company of Prophets*. I no longer call them the sons of the prophets because I am dividing the house and making room for the next generations who shall be *sons of the prophets*.

Isaac: I receive your SHALOM LORD. Let it rest upon me as a cloak and let it cover My spirit man for you.

Bob: Another good prayer from the Belly. Pray it often and do not forget the Holy Spirit Prayer I taught you.

Very key at this time.

Isaac: Thanks Bob. Looking forward to continuing.

Rv.22:7 @11.28Am; 20-12-18.

INTERNATIONAL RELATIONS:

Son, let me talk to you for a moment about International relations.

One of the things the 6<sup>th</sup> Chamber of Hell is using against Covenant nations is to ensnare them through their International relations. This is one way you know that the present administration in your nation has its root in hell.

The pull towards making Nigeria a goat nation can be seen from the type of associations this administration is choosing for itself. Arab League, OIC, D7, DN, Islamic Banking, Sukuk Financial structure which is rooted in deception and slavery and other devious subtle pulls from hell should give you a picture of where the administration is standing in the ladder of righteousness.

That is why those who say they are my children and who support these things out of self-interest are buying for themselves spaces in hell.

My standard is clear and straight forward, light and darkness do not co-habit.

In dealing with the Chinese for example, you have to know a little of what happened as described in Gen.5 and 6.

You have to find out whether the Chinese person you are dealing with is human in the biblical sense of the word.

Because many of the people of Chinese descent are from the waters. From the time of disobedience of the Angels, a colony that was expelled took resident in the Yangtze river from where they mutated with water spirits till they could unite with humans to produce non-human breeds many of whom you find in China and some parts of India.

Many of the people of influence in government and economy are from this breed. They don't have capacity for human feelings or emotion and cannot be saved unless I do a miracle of re-birthing their spirit.

How do you engage with such breed without My help. That is why they are pushing towards Africa to colonise it, overwhelm the human breed in Africa through inter marriages and then eventually dominate it.

This is the underlying motive behind most of the so called Aid and financial help from China. It has no long term benefit except for enslavement.

The greatest need of your nation is to actually have Me enthroned in your nation as king but religious people are not yet getting that. They are prepared to be unequally yoked without understanding that time is short.

International relations now must be conducted having Matt.24 and 25 in mind. It requires a Company of Eagles who will understand the spiritual undertones and who have access to Me so I can lead and counsel them otherwise they will derail an entire generation that I want to save.

Many Chinese are children of the Yangtze – children of the water and therefore children of the dragon. They celebrate this in their culture and liturgies.

Be conscious of this fact and pray deliberately that when David comes He will rely on Me to undo what the sons of darkness have done in this regard.
