

# Messenger/ Revival Altar!!

Eastern Nigeria Elders Consultative Assembly

Through the Chairman.

I bring you greetings in the Name of our Lord and Saviour Yahusha Ha-Mashiach (Jesus Christ).

The Lord asked me to bring His word to you which I was privileged to do during your meeting that held in Awka on 28<sup>th</sup> and 29<sup>th</sup> October 2021.

As you requested after my presentation, this is an Executive Summary of the issues the Lord asked me to bring to your attention. I am praying that it will receive your due consideration.

## **INTRODUCTION:**

The Messenger/ Revival Altar is a Platform that the Lord raised for His Endtime work in the nations. We have the Lord's Commission to intercede to see the nation fulfill her calling as part of the Lord's Endtime Sickle for the harvest of nations.

In recent times, in the course of praying for the nation, the Lord has been showing us pictures of an empty throne and also speaking to us that Buhari's Presidency has been weighed in the balances of heaven and found wanting (Dan.5:25-31).

We have therefore been praying and asking the Lord to show us what needed to be done to bring a physical manifestation of what has been accomplished in the spirit.

On the 10<sup>th</sup> of October 2021, I had an experience that I believe was the Lord's answer to this prayer.

In the visions that come in the Daytime, I saw a Whirlwind that arose from the Eastern Gate and swept through the land. That whirlwind swept through the throne and cleared Pharaoh and his anchormen and thoroughly swept the land clean.

Thereafter, a fresh wind or renewal began to sweep through the land and the land began to be refreshed just like what happens during the spring when freshness begins to come after a harsh winter.

As I began to engage with the Lord to understand the vision, He showed me that the vision has to do with Pa Elton's prophecy concerning Nigeria.

He had prophesied that the nation would go through two seasons in her national life:

- a) A season of corruption and decay where the nation will be known for corruption and evil throughout the world.

- b) A Second season of righteousness and growth where Nigeria would become the desire of the nations to the extent that other nations will like to come to Nigeria and learn righteousness.

President Buhari's administration brought the nation to the climax of the first season of corruption and evil.

The Lord was showing that the strength to terminate the era of corruption and turn the nation into the new Era of righteousness and hope was in the Eastern Gate. The Lord said that even though this strength was in the Eastern Gate, the East was going about it the wrong way and I should bring His counsel to the Elders in the East.

The Lord asked me to confront you with Seven issues which I will highlight in Order.

- The issue of Fatherhood.
- The issue of Idolatry.
- The issue of rebellion as it manifests in the agitation for Biafra.
- The Prophetic Agenda of God for the nations and the role of the Eastern Gate.
- The Year 2015 and the publication of God's Eternal Plan for Nigeria.
- Building the East/ West Altar of Unity.
- Strategic Meetings to unleash the Key of David.

#### **1. THE ISSUE OF FATHERHOOD:**

In dealing with nations, fatherhood is so important because of what happened in the past.

In Genesis Chapter 11, Nimrod an African prince began to lead the generation that re-populated the earth after the Lord had destroyed Noah's world with the flood into rebellion against God. That rebellion was so strong as it challenged the core of God's plan for the earth.

The Lord responded to that rebellion in judgment that had three major dimensions after coming down personally to evaluate the evidence of what Nimrod was planning.

- a) He scattered them abroad upon the face of the earth.
- b) He confused their language so that they could not understand themselves again.
- c) He disinherited the nations handing the nations over to a pantheon of fallen angels.

The implication of this third aspect of his judgment was that He seized from being the God of the nations.

(See Deut.32:7-9; Deut.4:19-20; Ps.82:1-8).

This fact is mainly responsible for having principalities and powers as the spiritual rulers of the nations.

(See Dan.10:12-13; Eph.6:10-12).

In Gen.12; we see God taking another route. He went to a man called Abraham and made a Covenant with Him. Through Abraham, He inherited the nation of Israel as His own nation, His design being that through Abraham He will bring Christ, and then through Christ He will beget other nations through the agency of the Gospel.

(See Gen.12:1-3; Deut.32:7-9 + Acts 17:23-28).

After what happened in Gen.11, Nimrod became the model for establishing national thrones based on the Mystery of Iniquity and the fatherhood of Nimrod.

All nations that are established on this model are goat nations that will be eradicated from the earth during the Millennial reign of Christ. (See Matt.25:31-46)

For a nation to transit from being a goat nation into a sheep nation, God will raise spiritual fathers for that nation, who will have the spiritual authority to deal with the foundations of Nimrod and establish the foundation of Abraham that is modelled after righteousness and Justice that are the twin foundations of God's Eternal Throne. (See Ps.89:14).

The Lord has shown by revelation that He raised three spiritual fathers for the nation of Nigeria through which He established the Abrahamic foundation.

The Fathers are:

- a) Pa Sydney Granville Elton, a British Missionary that came to Nigeria in 1937 and laboured here for fifty years eventually becoming a Nigerian citizen after revoking his British citizenship. His fatherhood is essential because it was another British son of satan called Taubman Goldie that pioneered the throne of Nimrod in the nation.
- b) Apostle Joseph Ayo Babalola – an authentic African apostle that God raised in this nation as a model of His seventh Day Church.
- c) Apostle Benson Idahosa that was raised to transmit the apostolic seed to the next generation. The Lord also showed that the root of this tree connected to the third branch (Benson Idahosa) became poisoned as a result of his exposure to the Babylonian branch of American Pentecostalism that infected the Church with the spirit of Jezebel. That poison still troubles the Church today. On account of this pollution, God's Seventh Day Church in Nigeria will be firmly rooted on the two branches that overcame Babylon.

I have gone into this lengthy details because the Lord asked me to confront the Church in the Eastern Gate with these questions:

- i. Who is your spiritual father? (See Ex.20:21; Eph.6:1-2).
- ii. How can you be blessed and have inheritance in the land when you are not honouring your fathers? (Eph.6:1-2)
- iii. Whose spiritual well are you digging? (Gen.26:12-23).
- iv. On whose shoulders are you standing to enter into what I have for you in this Era of the sounding of the trumpet of the Seventh Angel? (See Rev.10:1-11; Rev.11:15-19).
- v. The Lord asked me to tell you that He is not doing any new thing in our generation. What He seeks to further and complete in our generation is what He started with the fathers.

## **2. THE ISSUE OF IDOLATRY:**

In 2013, before the election that brought Governor Peter Obi into office in Anambra State, the Lord asked my Team to go to Anambra State to pray and conduct prophetic operations. The Lord said to us that Anambra State is rightly called the light of the nation and that what happens in the state will be a reflection of what will happen to the nation.

The Lord told us the flashpoints to visit and what to do in each place. We set out from where we lodged and drove through Amawbia on our way to the confluence in Aguleri.

At Amawbia Junction the Lord spoke to me to take note of the defilement of the land by idols and count the number of sacrifices and tokens of idol worship on the road.

I started counting till I counted up to hundred and could not continue because I started feeling dizzy.

By the time we got to the confluence in Aguleri, the entire circumference of the water was polluted by freshly laid out blood sacrifices and tokens of idol worship. A maze of thick darkness covered that entire portal with Marine Priestesses in their full regalia performing their craft.

From there, the Lord asked us to go to Uke in Anambra State where a catholic Priest who is a false prophet and sorcerer has his altar.

By the time we got to the ground, the Lord opened our eyes to see a fully established throne for Marine worship raised to the Queen of Heaven with a fully serviced altar, a throne and an instituted order of worship completing the full circle of idol worship.

The Lord also opened our eyes to see that an evil spirit called 'ebube muonso' is called up during worship to impersonate the Holy Spirit.

As we were coming out from that place, the Lord asked me a question – *Son, what will call the land of the East?* The answer that jumped out from my spirit man was *Lord I will call it the land of idols.*

The danger in this is that the East represents an essential pillar in the Lord's endtime agenda for the nations.

Pa Elton that we have established as an essential pillar of God's fatherhood over Nigeria also gave this prophecy in the seventies.

He said that when the Lord comes to Nigeria, He will first go to the West to build a pastoral Church through which He will gather citizens for His kingdom. The fulfillment of this prophecy has seen the emergence of large congregations like RCCG, Winners Chapel, Deeper Life and Mountain of Fire Churches in the Western Gate. Remember that Pa Elton himself was based in Ilesha and it was from there he operated throughout his stay in Nigeria. Even when he wanted to relocate to Benin to help Bishop Idahosa, Yahua Elohim resisted him.

He also prophesied that in the later days, God will turn to the Eastern Gate to build an Apostolic and Prophetic Church with which He will go to the nations with the Gospel of the Kingdom.

In the last years of his ministry his focus was on the East and his last public meeting before his passing was in Onitsha. In that meeting, he handed over his handkerchief symbolic of his mantle to Pastors on the Eastern Gate and warned them not to succumb to the evil of denominational Christianity.

It grieves the heart of God that this important Gate through which He wants to enter the nation is succumbing to the worship of the Queen of Heaven wearing a religious face. All over the land adoration grounds are springing up opening marine portals and polluting the land with religious spirits. This has brought a thick veil over the people such that we are not even seeing the purpose of God

for the land, Instead we want to prevail on human strength. This darkness is partly responsible for the veil over Pastors in the East. Do you not marvel that majority of Pastors in the land are routing for Biafra and praying day and night for Biafra to come.

### **3. THE ISSUE OF REBELLION:**

On September 16, 2015 I had a divine visitation. The Lord sent an Angel to take me out of my body and brought me to the Eastern Gate on the waters of the Atlantic Ocean in the boundary between Nigeria and Cameroun.

We entered the waters and appeared in an underground city in the belly of the earth in that axis. We traveled through an Express road and appeared in the city center where there was a throne and an altar where someone sat.

Under the altar was a cloth that had a picture portrayed on it with seven segments.

The Angel that led me asked me to pay attention to everything I will see because I would be required to write about it. This later led to the publication of our prophetic Book, God's Eternal Plan for Nigeria, (2016, Messenger Publications).

As I was observing the picture, it started playing as a video with the different segments portraying different scenes in pictorial form.

As I observed the first segment that had to do with how foundations were laid for Nigeria in the Marine, I noticed a woman that I recognized as Flora Shaw as a key player. She had a big key that I understood to be connected with Nigeria. As I watched, she swallowed the key. Thereafter people started coming to her who wanted something to do with Nigeria and she was telling them to sleep with her. That what they were looking for was in her depths.

I watched as the scene progressed to the next era where the fathers tried to build on that corrupt foundation. As they built the house kept collapsing after a while. Then the Lord asked me a question – If the foundation is weak, what can the righteous do? (Ps.11:3).

In the third era, I saw a man that looked like a goat with fully grown beard. I knew in the spirit that this was Odumegwu Ojukwu.

I watched and he started complaining that he will no longer tolerate what was being done to his people and that he will fight.

In that experience, the Lord gave me the scripture in Deut.32:7-9, the cumulative effect of which is that the nation states were not the creation of man.

Yahua Elohim is the one who founded the nation states for a purpose. That purpose is outlined in Acts 17:23-28. God wants to use the platform of nations to publish the Gospel of the Kingdom and in that way win back willing nations for Himself that will be brought under the government of Christ during the millennium.

The Lord told me that no one has the right to set aside what He has established for His purpose without discussing it with Him.

The Lord said that what Ojukwu did was a rebellion against Him and for that reason Biafre failed because it did not have His blessing.

After more than fifty years of that failed enterprise, the same spirit has arisen again and taken hold of a new generation and is repeating the same cycle that will bring suffering and hardship if nothing is done.

The Lord asked me to confront the Elders with this question? Are you on the Lord's side or on your own side (Ex.32:26).

Properly constituted Eldership has what it takes to take a stand that heaven will recognize as the stand of the land. If this is done it will satisfy the righteous requirements of Yahua Elohim as a just judge and release His hand to intervene in a definite way to bring justice.  
(See Rev.4:4; 1Sam.11:3, 14-15).

#### **4. THE PROPHETIC AGENDA OF GOD FOR THE NATIONS- THE ROLE OF THE EASTERN GATE:**

As we have established, the Lord's strategy for inheriting nations after the Nimrod inspired rebellion in Gen.11, was to take back willing nations through Christ using the Gospel as instrument.

For this reason, God also ordained that three branches of Noah's family that escaped from the flood would play a role in the Gospel plan at different dispensations.

First, God ordained that the Semitic Branch (Israel) will play a role in laying the Gospel foundations. Thus the Jews gave us the foundations and patterns, the fathers, the word of God and also Christ. (See Rom.9:4-5).

Second, the Japhetic Branch (Europeans) was ordained to play a role in the morning and afternoon period of the Gospel.

This has seen the emergence of strong nations like United Kingdom that at a time colonized other bigger nations covering over two thirds of the inhabited earth. Though their intention was not pure, God still used it to broadcast the Gospel and publish His word across the globe.

America, the last of this morning/ afternoon nations played a significant role in publishing the evangelical gospel across the globe at a time using the media to reach distant lands.

In the third place God ordained that the Hamitic Branch (Africa) will play a role in the evening period to bring the capstone.

In Matt 24:14 it is written: *And this Gospel of the Kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come.*

Even though the third phase is an African move, God has ordained that Nigeria as a nation will lead Africa in fulfilling that calling of being the Lord's last global witness before the return of our Lord Yahusha Ha-Mashiach (Jesus Christ) in glory.

For Nigeria to fulfill that role, God has ordained that the Eastern Gate will be the primer that would prepare Nigeria to fulfill that primary assignment. (See Ezk.43:1-2; Ezk.44:1-3).

This is what people like Pa Elton saw that made them renounce the citizenship of a first world nation like Britain to become a Nigerian and bear the reproach of the land.

The fathers often said that the whole world was waiting for Africa, Africa is waiting for Nigeria and Nigeria is waiting for the East to get it right. The implication is that if the East is not ready, she is delaying the entire endtime calendar of God and this has enormous implications. Will God wait for Nigeria forever? Will Nigeria wait for the East forever?

#### **5. YEAR 2015 AND THE PUBLICATION OF OUR PROPHETIC BOOK, GOD'S ETERNAL PLAN FOR NIGERIA:**

Numbers are significant in understanding of God's prophetic calendar and His endtime ordination for the nations.

The year 2015 is very significant in God's endtime design for nations.

In the realm of the occult, they considered 2015 to be "Anno Lucis" or year of Lucifer's light which is the beginning of the period of the reign of Lucifer on earth according to masonic understanding.

In God's endtime calendar for the Gospel, the Lord began to show us that it was a transition period into the Era of Ham's Global witness which is the period ordained for Africa to lead in the preaching of the Gospel of the Kingdom that will wind up this age.

The Lord began to show us that Billy Graham was like a sign post for our generation the way Metuselah was to Noah's generation. He said that the day Billy Graham dies, it will be an indication that the baton has been passed to Africa.

Billy Graham died on 21<sup>st</sup> February 2018 signifying this shift.

Since God would not do anything on earth without revealing it to His servants the prophets, the Lord visited me three years earlier on September 16, 2015 to give a detailed outline of His counsel for our nation and her role in the endtime.

This year, 2021 is the 6<sup>th</sup> year of that visitation.

The year, 2022 will be the seventh year of the visitation.

The number seven represents perfection, maturity and the completion of a cycle.

The Lord said to tell the elders from the Eastern Gate that if they do what He is asking them to do about the state of the East between now and the seventh year in September 2022, then He will place a Key of David in their hands that can stop the gradual drifting into hell of the nation and bring about the second phase of Pa Elton's prophecy that talks about the Era of righteousness.

I do not believe that it is the will of God for the present leadership to stay in office till 2023.

I will be outlining the specific instructions of the Lord at the end of my submission.

#### **6. BUILDING AND STRENGTHENING THE EAST WEST ALTAR OF UNITY:**

In 2014, we were in a prophetic meeting in Lagos when I had a trance and was brought into the visions of God.

I saw a man with three legs that was standing upside down. I was troubled by this vision and began to interrogate it to have understanding.

The Lord explained to me that His original design was that Nigeria will be carried by a tripod made up of the East (Igbo and South/ South), the West (Yoruba nation) and the Middle Belt area as the third leg.

The Lord said that His design was that the nation will stand on this tripod. He said that the present arrangement where the Fulani Kingdom was carrying the rest of the nation amounted to standing the nation upside down and it will never work.

The Fulani kingdom also understand through sorcery and prognostication that their choke hold on the nation would be over the moment the East and West will see eye to eye because the East and West are the backbone of that tripod. They are using sorcery and advanced witchcraft to ensure that this never happens.

The Lord said that we should pay the price at the Altar for the East and West to stand together for God's purpose for the nation and the nation will recover.

We laid the foundation for this Altar of Unity in November 2019, when a Delegation of Elders from the Western Gate paid a visit to the East in Enugu. We proposed to return the visit in May 2020 before Covid 19 scuttled the effort. The Lord is asking us to go back to strengthen that Altar.

## **7. STRATEGIC PROPHETIC MEETINGS TO ADDRESS THE CONCERNS OF HEAVEN:**

As I come to the end of my submission the concern of heaven is that the voices coming from the East is in disalignment with the counsel of Yahuah Elohim. The Lord is seeking to hear from the Eastern Gate, the voices of people with recognised and verifiable covenants that will be in alignment with what is written in the volume of His Books concerning the land.

One block that is strategically placed to convey such voice is the **Eastern Elders Consultative Assembly** if they meet Yahuah Elohim's condition which I will outline shortly.

### **WHAT THE LORD IS ASKING THE ELDERS TO DO:**

- Enter into the Covenant of the Fathers over the land of Nigeria and over the Eastern Gate.
- Assemble a critical mass of elders in the eastern gate that will unite their heart and agree that Nigeria is God's project and the East has a definite role to play in the nation.
- Reach out to the Western gate elders and recognize the role and honour that Yahuah has bestowed on them as king makers.
- Hold a Solemn Assembly in the Eastern Gate (Owerri or Enugu) to offer repentance for the sin of idolatry (especially the one outlined that has to do with multiplication of adoration grounds for 'mary worship' which is the worship of the Queen of Heaven See Jer.7:16-20; Jer.8:6-7).
- Offer repentance for the rebellion of Biafra, renounce Biafra and affirm faith in God's re-designed Nigeria that will stand on the foundations of righteousness and justice.
- Hold a Strategic Prophetic Meeting to use the Key of David that Yahuah Elohim is putting in our hands to terminate the era of corruption and evil and

usher in the Era of righteousness. This meeting should hold in September 2022 preferably in Enugu.

- Play an active role in seeking out the David of God from the Eastern Gate and recommend him to God as the ruler in the mold of David from the East that will rebuild the broken walls of Nigeria.

I want to encourage you that I have seen the emergence of this David in the realm of the spirit. At the end of my visions in God's Eternal Plan for Nigeria, I saw a light come from heaven and enter the dark chambers of hell where foundations were laid for Nigeria. That light brought with it a new Throne of David based on the Abrahamic foundations of righteousness and justice.

On that throne God raised a man from the East that was crowned as the David of Nigeria, and to him the Lord handed over the blueprint for the rebuilding of Nigeria.

Nigeria will never become anything until the Igbo question is resolved and if we align on God's side, the job is almost fully done. (See Pg.119-123 of the 3<sup>rd</sup> edition of our Book GEPFN).

I submit this with every sense of responsibility and fear knowing that I am bringing this word in the name of the Lord, Yahuah Elohim the possessor of heavens and earth.

Please pray about this and seek the Lord to confirm if I have spoken His counsel.

For those of us at the Messenger/ Revival Altar, our commitment is to see God's will done and we will stand with you and help in any way we can to ensure that we give the Lord full obedience.

This is what is written concerning this key of David that the Lord is placing in our hands to be activated through obedience:

*And it shall come to pass in that day, that I will call my servant Eliakim the son of Hilkiyah:*

*Isa 22:21 And I will clothe him with thy robe, and strengthen him with thy girdle, and I will commit thy government into his hand: and he shall be a father to the inhabitants of Jerusalem, and to the house of Judah.*

*Isa 22:22 And the key of the house of David will I lay upon his shoulder; so he shall open, and none shall shut; and he shall shut, and none shall open.*

*Isa 22:23 And I will fasten him as a nail in a sure place; and he shall be for a glorious throne to his father's house.*

*Isa 22:24 And they shall hang upon him all the glory of his father's house, the offspring and the issue, all vessels of small quantity, from the vessels of cups, even to all the vessels of flagons.*

*Isa 22:25 In that day, saith the LORD of hosts, shall the nail that is fastened in the sure place be removed, and be cut down, and fall; and the burden that was upon it shall be cut off: for the LORD hath spoken it (Is.22:20-25).*

*And to the angel of the church in Philadelphia write; These things saith he that is holy, he that is true, he that hath the key of David, he that openeth, and no man shutteth; and shutteth, and no man openeth (Rev.3:7).*

May the Lord grant to us every resource of heaven to enable us do His will.

In Christ,

Isaac Ezeh (Messenger!)

Revival Altar
