

DATELINE APRIL 2011: IS GOD STILL SPEAKING TO HIS PEOPLE?

"You shall speak My words to them whether they hear or whether they refuse for they are rebellious" (Ezk.2:7)

Recently there has been a lot of voices speaking different things and leading the children of God in different directions especially on the all important matter of the forthcoming elections. I have read many of the essays and followed with keen interest the different theories. Most of them are at best permutations based on human logic and reasoning. The Christian Camp has become more confused especially since Pastor Tunde Bakare's strange alliance with General Muhammadu Buhari.

Christian leaders who are supposed to bring insight and direction are not speaking, and when they do, they are singing different tunes. But this ought not to be because the most significant promise of God to His children is the promise to direct them. That is what makes God's children different from the children of the other gods that have influence on earth. Let us see a few scriptures:

*"And other sheep I have which are not of this fold; them also I must bring, **and they will hear My voice**; and there will be one flock and one shepherd."(Jn.10:16)*

"But you do not believe, because you are not of My sheep, as I said to you.

***My sheep hear My voice**, and I know them, and they follow Me" (Jn.10:26-27)*

*'Call to Me, and I will answer you, **and show you great and mighty things** (including Nigerian election matters), which you do not know.'* (Jer.33:3)

*"Sacrifice and offering you did not desire; **My ears you have opened...**" (Ps.40:6)*

THE PLAYERS: Let us make a brief comment about the major players on the political scene as far as Nigeria's presidential throne is concerned:

President Goodluck Jonathan: His name encapsulates his destiny - An unknown, unassuming former lecturer who came to office by sheer good luck. From being Deputy Governor of Bayelsa State, he was handpicked by Baba to run as Late President Yaradua's running mate. Along with his principal, he was rigged into office by the awesome rigging machinery of PDP and he was supposed to sit behind Yaradua as a mere shadow in the background, but fate or God had a different plan. When death called on the late president, he ended up as the substantive President and is still learning to use the awesome power that goes with being president of a potentially influential nation like Nigeria.

Muhammadu Buhari: Army General and former military President who came to power through force of arms in the eighties. Even his enemies admit that he is honest and forthright. There is every indication that he has good intentions for the country as he has a goal of fixing Nigeria once he is elected President. One thing is certain, if elected President, he will not rob the treasury to the point of emptiness and he is not going to allow the usual bunch of hangers-on to do the same. A lot of text messages and E-mails are in circulation, reminding all of Obasanjo's statement about him in his autobiography 'Not Mi Will' where he describes him as an honest man who strives to perform any assignment given to him with honesty and a sense of purpose.

Pastor Tunde Bakare: Forthright Pastor of a blossoming Church, Lawyer and human right activist. Known for speaking his mind and gained national respect through the Save Nigeria Group he convened in the dark days of Late President Yaradua's ailment (Even though the rumour mills are saying that the SNG was a colonial contraption put together by the West to preserve their oil interest in the Niger Delta, but that is a matter for another day). Known nationally and internationally for his integrity and fearlessness. No doubt, if he finds himself in the corridors of power, he will strive to improve the lot of the ordinary Nigerian. Recently, some people are trying to paint him as an opportunist and a lot of E-mail messages are circulating reminding all who care to know of his past comments on Buhari. In one of the comments, he spoke of Buhari as being of the old brigade who had nothing to offer Nigeria again. The question being raised is why eat your own vomit?

Mallam Nuhu Ribadu: A thorough New Breed - Courageous and inspiring young man who is admired as a Nigerian hero for daring to tackle corruption headlong in his days as EFCC Chairman. There is no doubt that he has something to offer though one may argue that he is a candidate for the future.

All these people have good intentions. Any of these candidates can govern Nigeria and do well given the right conditions and circumstances.

But the question we have to answer is simple: ARE GOOD INTENTIONS ENOUGH TO SAVE NIGERIA AND BRING OUR NATION OUT OF THE WOODS? I will try to answer this question from a Christian worldview:

NIGERIA'S PROPHETIC DESTINY: Once you read the bible with some degree of understanding, it will become clear to you that the nation state is never the conception of man. The idea of nation states was designed by God to further his plan for the salvation of mankind. God's plan for the nation state is to use the instrument of state as a platform to bring the peoples into a relationship with Him. (Please see the following scriptures: Dt.32:8; Acts17:23-31; gen.14:18-20; Mal.1:11; Zech.14:16-21; gen.9:9-13; Rev.4:3; Is.56:1-2; 1Tim.2:1-6). No matter how a nation was contrived into being, God has a purpose in it, and the nation generally grows into that overall plan of God.

Concerning Nigeria, God has spoken through well established and credible ministers of God about His purpose for Nigeria. I became interested in this subject after the Lord appeared to me in 2002, while in Hof Germany. He said to me:

- 'Nigeria and South Africa are the twin pillars for evangelising Africa.'
- From Nigeria, a mighty Church and ministry will rise up that will proclaim the gospel of My sons' return in glory, in truth, in holiness and in the power of My Spirit.' I wrote about this in my prophetic book, 'The Days of the Black Horse Rider' which I think is still available at the bookshop of the Redeemed Evangelical Mission, Anthony Oke, Lagos.

To put it in simple language; God has a plan to use Nigeria to push the gospel to many African nations that are still in darkness. Also, through the Nigerian Church, God will bring back holiness and righteousness to prepare the Church for the return of the Lord in glory. It is this purpose that is keeping Nigeria together. No matter what any person or any institution is doing, they cannot go outside the boundary of this will of God.

We all know that Nigeria cannot fulfil this destiny in its present form. Nigeria is corrupt, unjust and idolatrous in spite of its many churches, but this will change. God is therefore interested in the governance of the nation, to set the right structure for the fulfilment of this purpose.

GOD HAS BEEN SPEAKING: You may not believe in prophecy or you may think that every prophecy is false because of the multitude of false prophets around who prophesy for a fee, but hear what the Lord has been saying:

Prophecy 1: **“My hands of judgment are raised against Nigeria and they (Nigeria) will see my wrath unless they repent and reconsider their ways. From the top to the bottom, I am going to shake things to their foundations. I am going to judge the sin of idolatry and witchcraft, corruption and immorality starting from My house (The Church).”**

Many ministers that have strengthened themselves through these means (idolatry and witchcraft) will go down starting from 2011. Son, it is like the days of Eli (1Sam Ch. 1 to Ch. 3). I am bringing judgment to the corrupt Priesthood and I am raising a band of Samuels who will work in My power and in My authority. It is the Samuels I am raising that will birth the Davids who will take over the mountain-tops of government, economy, education, religion and other spheres and bring about a turn-around in these spheres.

Without the Samuels, the Davids will not emerge. I am putting away the old leadership in My house and raising a new band of leaders in the spirit of Samuel who will walk in My power and see My purpose and My Kingdom and who will execute My judgment faithfully.

Change is coming and it is starting from my Church.” (I recorded this prophecy in my conversations with the Lord on 25th Sept 2010)

One passage of scripture will help us understand the structure that God is putting in place in Nigeria to further His end-time purposes.

“And the word of the Lord came to Jeremiah, saying,

“Thus says the Lord: ‘If you can break My covenant with the day and My covenant with the night, so that there will not be day and night in their season,

*then My covenant may also be broken with **David My servant, so that he shall not have a son to reign on his throne, and with the Levites, the priests, My ministers.***

As the host of heaven cannot be numbered, nor the sand of the sea measured, so will I multiply the descendants of David My servant and the Levites who minister to Me.” (Jer. 33:19-22)

Two things stand out in this scripture. Firstly God wants a David on the throne. **David is a picture of a God-fearing leader who recognises that his being a leader is a trust conferred on him by God.** He must therefore be accountable to God and depend on Him. (You may see Is. 36, 37 for a biblical picture of what God can do for a God-fearing King.)

The second point to note is that God is shooting for a David who will submit to a God-ordained Priesthood for direction and guidance. God never intended that governmental authority should be exercised independent of Him. Any attempt to do this invariably results in the throne being taken over by Satan. This has sadly become the situation in most nations of the world today including Nigeria. The good news is that this is about to change.

Prophecy 2: **“The throne is mine. Vashti, you have stayed too long in the throne.**

Arise Mordecai, prepare the throne for the rightful owner for in it lies your blessing.

*Come near **O daughter of Zion** that I may instruct you. The throne is mine and I have given it to you but there are people who are sitting on it, but the time has come. Prepare before me the thirty six thrones of this nation. I want to sit on these places. There is a new assignment I am giving to you **Mordecai**, that you may instruct and teach my daughters the way and things of the kingdom; that you may teach them how to be delighted in the king: That you may teach them the life of the kingdom.*

*Prepare my daughters for this throne for therein lie your blessing and your promotion O **Mordecai**.*

It is time to make war. *It is time to rise and contend for this throne. It is time to make war and to fight and to contend for this throne.*

*There are people who are presently occupying the throne. Vashti has stayed too long but the time has come for **Esther**.*

*Before you occupy this throne, I want to occupy the throne of your heart. That is why you need **Mordecai**, you need his counsel that you may know the life of the kingdom.*

The people occupying the thirty six thrones are usurpers. The throne is not meant for them. But when you give me the throne of your heart, I will ride in you and ride through you to occupy it.

*The King is in desperate need of the Queen to reign aright (Rv.2:26 - 27), but you need **Mordecai** to guide you. You must contend and fight to occupy this throne. Make your heart ready and prepare for I have given you this kingdom. I have given you the throne.*

Look around you. Look around you. Look at these 36 thrones. Can't you hear the pain and cry of the people? Can't you hear the agony of this people?

*They are in need of you at such a time as this. But you need **Mordecai** to instruct you and prepare you for this throne O daughter. You need to contend and fight for this throne for the King is in need of the Queen.*

Mordecai (Esther 10:3 + Jer.23:4-6), prepare my daughters. Instruct them. Teach them my holiness, principles, kingdom life, how to make war with these words I have given to you for in it lays your life and promotion. Prepare my daughters for the throne." (Spoken through a brother at a Fellowship I attend on 28th Sept 2010, 'three days after the Lord said the same thing to me in another way' and recorded by me.)

This prophecy has some symbols that we must decode before we can understand and apply the prophecy specifically. I must stress that the major work that the Lord is doing in His body now is to restore the prophetic and apostolic. The Church will never be in the form that will enable it confront the darkness that is coming on the earth now unless these two ministries are restored to their proper place.

So, what throne is the Lord referring to? Who is **Vashti** and who is **the daughter of Zion**? Who is **Mordecai** and what is his role? What is Esther's role in the dethronement of Vashti?

- i. **The Throne:** A reference to the government of the thirty six states of the federation of Nigeria and also the Presidency in Abuja. We must understand that most people who have sought political power in Nigeria have not done so using natural means alone. Many have gone the extra mile of making covenants with dark forces that has linked the State houses with several satanic thrones and in some cases directly to Satan's throne in the second heaven. Even from the time of Queen Amina, Madam Tinubu and their counterparts in the South like Margaret Ekpo, this has been the common trend. Even though most of the people who raised these altars have since gone, the unseen powers they enthroned are still very active and they help those who service their altars to attain and retain power.
- That is why people like the former strong man of Ibadan politics even with little education can stay in his bedroom and decide who will mount the saddle at government house in Oyo state. At a time in Abia State, you had to go to a shrine in Okija to take an oath before you can serve as Commissioner or do government contract, and this is replicated in all states of the federation.
- Let us try to use scripture to interpret the symbols that the Lord used in this speaking:
- ii. **Vashti:** This is the other (female) side of the spiritual power at work in Nigeria. **Leviathan** and **Mammon** are the twin forces of darkness that control Nigeria. (See my book the Days of the Black Horse Rider). **Leviathan** (a fallen angel) is forceful and violent and feeds through bloodshed in riots, murders, robbery, political violence, hired assassinations etc.
- Mammon** on the other hand controls **money** and **worldliness**. He is subtle in nature and feeds through sex and immorality. Whenever people especially leaders in authority engage in immorality, they are servicing Mammon's altars. Leviathan projects himself into the President. Most leaders themselves make covenants with him in their desperate bid for power. That is what the Marabaouts and false priests that are embedded in the government houses are retained to do. Have you noticed that most of our leaders talk like dragons?
- Mammon projects himself into the first lady through the demon Vashti. It may be a surprise that Vashti is a demon but this is so.
- Whenever an individual serves Satan with a high degree of dedication, the person becomes so depraved and becomes a large mass of evil. Upon the person's death, Satan aggregates the evil in the person in a familiar spirit who knows and followed the wicked person, and that familiar spirit becomes a personification of that evil. He copies all the wicked attributes of that person into the familiar spirit so that when that spirit enters another person, the person becomes worst than the original carrier of the spirit.
- Thus, wicked people like Jezebel became demons and the Jezebel spirit operating in the world today is worst in nature than Jezebel of bible times.
- Mammon projects himself into the demon Vashti, which is majorly a spirit of independence, disobedience and rebellion. This same spirit behind women liberation and independence works against God's order which is: Christ, man and then woman. Feminism rejects this divine order and makes man equal to woman which is a recipe for disorder.

Notice that in the bible story (Esth.1:11-12), Queen Vashti refused to obey her husband the King even in that ancient culture where such a thing is taboo.

The spirit Vashti pushes Nigerian first ladies to seek independence from their husbands instead of supporting them. They seek their identity, their own program and their own projects thereby encouraging waste. If you do a study of Nigerian first ladies from Flora Luggards time in 1914 to 2007, you will discover that this has been the trend. It is possible that the office of first lady has wasted at least one hundred billion Naira, but which of their projects is surviving and relevant after they leave office?

This spirit is domineering and pushes the victim's spouses to seek solace in the bosom of other woman thereby instituting guilt in the President and giving them a hold over their husbands and thus enabling them to get whatever they want. This is how Nigeria has been run. I challenge you to do a study on Nigerian first ladies and you will find that they actually had a hold on their husbands. They actually run the show. The peak of this spirit's prominence was May 2007 to May 2010.

The result is waste, diversion of public funds and hostage taking. This demon is influential and makes the husband actually afraid of his wife and thus giving her immense power over the affairs of state.

REDEMPTION: Only a praying daughter of Zion can displace her. That is why the call is more on women to wail and lament and bring petition to the Lord to dethrone her. This is the word of the Lord to wailing women in Nigeria:

*"When the Lord has washed away the filth of the daughters of Zion, and purged the blood of Jerusalem from her midst, by **the spirit of judgment** and by **the spirit of burning**, then the Lord will create above every dwelling place of Mount Zion, and above her assemblies, a cloud and smoke by day and the shining of a flaming fire by night. For over all the glory there will be a covering. And there will be a tabernacle for shade in the daytime from the heat, for a place of refuge, and for a shelter from storm and rain."* (Is.4:4-6)

Praying women in Nigeria are to wail and lament and bring petition to the Lord to judge the god Mammon and dethrone Vashti from the Nigerian State house. Our State house needs redemption. A godly first lady can actually have a beneficial influence on a nation.

- iii. **Daughter of Zion:** This is a reference to the remnant Church, the bride of Christ. Those who have the Spirit of God, who obey the word of God (Rev.3:7-9) and who hear from the Lord (Jn.10:14, 27-28) and do the Father's will Matt.7:21). The overcomers whom the Lord promised to make a pillar in the temple of His God. (Rev.3:12). Only believers who have died to self and who manifest the victorious risen life of Christ has what it takes to engage the enemy in this battle.
- iv. **Mordecai:** A reference to the true Shepherd who truly serves the Lord and cares for the flock and who will feed her, nourish and sustain her in prayers (Jer.23:4-6). The Lord is

talking about a prophetic Priesthood in the order of Samuel who will anoint David and sustain him in office through prayers, counselling and intercession.

If you now put these symbols together, you will discover that the Lord is calling for a **change of order**. The Lord is saying that the time has come for **his elect** (not just any person who has self righteousness) to take over the mantle of leadership in Nigeria to make changes that will bring succour to the suffering masses who are crying to Him for help.

The Lord is saying that this is the time to fulfil his initial commission to the Church to *'occupy till I come'* (Lk.19:13KJV). What were they to occupy? The answer is simple – places of authority, because you see that in that parable, the servants who traded faithfully with their talents were given authority over cities according to their level of faithfulness. (Lk.19:17, 19).

The Lord is saying that the people who are presently occupying these thrones have gotten used to the perquisites of office that they will not give up without a fight. **The Lord is asking the True Shepherds to get up and prepare the Davids who will take over the mountain of government, economy as well as other spheres in Nigeria.** Preparation and discipleship are essential to prevent casualties in office because of the temptations and satanic forces that presently occupy those high places.

I believe that a major shift took place in the universe on the 7th of July 2007 (7:07:07), when the Lord adjusted the time lines of the nations to comply with His end-time agenda. You will notice that shortly after this date, the world economic crisis started with the crash of the Lehman Brothers Institutions. The Lord actually gave a vision about this to a British intercessor named Catherine Brown. (Please google her name and check this out). I believe that another adjustment took place on the 10th of October 2010 (10:10:10) that will set the course in motion for the rapture of the Church. Ten is the number for fullness and I believe the 'times of the gentiles' (Lk.21:24) would have come to fullness by this time, thus clearing the way for the Lord to take the final steps to take His Church home. I believe that by the 10th of October 2010, the Father has signalled His Son to begin preparations to bring His bride home. I believe the voice of the groom will soon be heard and I see changes coming in some major countries of the world where the Lord wants to make strategic changes that has a bearing on His calendar for the marriage supper in heaven (Rev.19:6-7). I believe specifically that within the next two years (2011-2013), some major changes will take place in Nigeria that will place committed believers in charge of some strategic sectors of the economy and so they must prepare to take over. This is the call on the true shepherds to teach the daughters of Zion the Kingdom life and also empower them to take over. This is a call to prepare believers for the battle for the mountains. This is what the voice of prophecy is saying to the Church today, but why are the elders silent!

THE SINS OF THE ELDERS: on the 11th of October 2010, the Lord gave me a strong word to deliver to some elders in Christendom. I received this word while praying with the leader of

a small group that God put together to intercede for Nigeria and act as His watchman over the nation. After she judged the speaking as the true word of God, we went together with another beloved sister to deliver the message to the concerned elders.

“I brought you to the elders for you to see why I have cast them away. They have become like rotten tomatoes that has no use as meal (food). But there are some seeds in them (commitment, character, faithfulness, fear of God) that can be useful if planted on fertile ground.

I am just extracting those good seeds and putting it in you (The younger generation) who now has the mantle so you can gain time for the assignment...”

I am mentioning this word delivered to the elders for a purpose – To warn Christian eldership to truly seek the face of God before using their influence to lead the multitude of their followers in a direction contrary to where God is going.

We saw during the dark days that preceded President Jonathan’s emergence as substantive president that many elders have seized representing God. One came on national television to say that God told him that the president would live.

We all saw the horse-trading that took place during the campaigns for the presidency of the Christian Association of Nigeria (CAN).

Instead of using human reasoning and arguments to take positions in this sensitive election, true believers should go back to the place of prayer and seeking the face of God to find out His counsels concerning this election. Only His will is good enough for His children and the nation at large. Any other thing will not be good enough.

I have a word from the Lord concerning the matter: I received a word from the Lord concerning the forthcoming Nigerian election on 25th September 2010, and another word on 21-3-11. Before I deliver that word, let me update you on the elder’s matter I referred to above.

The Lord chose three prominent elders in the Nigerian Church to receive this word. I believe this is deliberate. The Lord wanted to use them to represent the eldership in His Church. I wrote the word and read it to them in the presence of the leader of our prayer Team and there were different reactions. They were unhappy with the word, but since I spoke what I believed I received, the Lord started working to confirm what He had said:

Elder 1: Some weeks before we brought the word to them, God gave him a revelation. He had a dream where he was trying to repair a broken down vehicle. In that dream, a Priest he had known appeared to him and was urging him to come with him to some place, but he was still trying to fix his broken down car in spite of the urgency of the matter. According to him the Priest was very angry in that dream. He clearly understood that the Priest in that dream was Jesus, and that he was un-happy with him. He urged the elders to prayerfully consider what the young people had said and they agreed. He later received another

revelation which he interpreted to mean that God was asking him to intercede for President Jonathan which he has been doing.

He had another dream where he saw a former discredited military president (in civilian uniform) trying to pull up a former discredited and late military president from the grave. He is praying for the Lord to give him a fuller interpretation of the experience.

Elder 2: He received a revelation and in that experience, he saw two characters – **Corruption and fraud** engaged in a battle. He described the battle as being so intense that he came out with an impression that it was a **fight to finish**. Few weeks later, we saw the Nigerian Judiciary embroiled in a scandal that is enough to topple the people's confidence in the institution. Two people occupying the highest judicial office in the land are washing their dirty linens in the public and the allegations bother on using the judiciary to rig elections. If this is not corruption and fraud engaged in a 'fight to finish,' I wonder what else can fit that description.

Elder 3: The Lord spoke to him clearly that He was working to institute godly leadership in the nation. According to him, he does not know when this will happen but as sure as a new day dawns every 24 hours he believes it is coming. He does not believe there will be elections in April 2011 based on God's dealings with him. He believes that the foundation for our democracy is weak and that it is uncharacteristic of God to build on a rotten foundation. He believes that God would use an Interim Government to lay another foundation for a lasting democracy.

Another Elder, un-connected with the above three had a dream. In that experience, he saw President Goodluck Jonathan surrounded by all manner of abominable people who helped him to win the election. He actually won the election, but then they asked him to serve Nigeria like chicken in a plate for them to devour. When he refused to do their bidding, they actually turned against him and started devouring his flesh. Even a babe in the Lord can interpret this dream and so I will not comment on it.

Hear now the word of the Lord concerning the matter:

*Word 1: (received on 25th September 2011) "Call my people to pray from the **27th of Sept to 1st October 2010 and wait and watch especially on the eve of Nigeria's independence from 12 midnight on 30th Sept to 7am on 1-10-2010.***

They should watch and wait upon me with adoration and expectation.

If they will obey and wait upon Me focusing on Me and adoring Me. Many things that have held you down as a nation will be rolled away and you will gain speed.

*Publish this directive to **the faithful Church, the bride of My Son** (Rev.3:7-13) and I will confirm it in their heart that it is My word. As they wait upon Me, I will do that which I alone can do.*

The Nigerian nation will be re-born. *Unless a nation is re-born some things will not change. I will bury the corrupt Nigerian nation (This may involve some upheaval but*

it will not get out of hand) and cause a birth of the New Nigeria but it will be born on the bed of prayer and that is what I am calling you to do. Publish the word and I am raising the army that will carry the burden in their heart. (Is.66:7-9)

Goodluck Jonathan is a tool in my hands. Pray for him that he will have wisdom. That he will not be manipulated and that his heart will not become corrupt and I will use him to start the process of re-building the new nation that I am birthing. Nigeria is My project and my plan and Nigeria will be re-born. Those who stand against Me concerning Nigeria will be crushed. Their cup is full and their judgment will come once I set My house in order. I cannot set Nigeria in order until I set My House in order because it is the order in My house that will sustain the order in the nation. I am raising two ministries in Nigeria that will be a beacon to draw My body to My light... This is my plan: I am the Lord.”

A sister who prayed along during the prayer call of 27th September to 1st October 2010, shared this experience which confirms the spiritual forces ruling Nigeria as the Lord revealed to us:

“Through the night visions, I saw a huge creature rising from the middle of the ocean facing Nigeria. I knew for certain that this was **Leviathan**. It was as if the entire ocean was uprooted with it as it was rising. There was a big struggle in the ocean. It was a fearful sight. ‘Fearful’ is an understatement.

A few Christians were standing by the shore in aggressive prayers. Tongues! Tongues! Tongues.

I searched the Scriptures to understand this - Still searching. Please pray & search for more understanding.

The battle is fierce but cannot be fought with human hands. Eph. 6:10-17. The battle for Nigeria is not just against principalities, powers, rulers of the darkness of this world but against Leviathan himself: the dragon, the old serpent. Job. 41.

Only the Lord Himself will slay him. Isaiah. 27:1. Let us pray with Isaiah. 27 inserting Nigeria for Israel. Our only weapon for this battle for now is prayer, prayer

Word 2: (Received on 21-3-11):

There are vortexes of evil in the world. The one that concerns African nations is in the Atlantic Ocean. However, Nigeria has been connected to the Throne of Leviathan (A fallen angel-Ps.74:13-14) in the Bermuda Triangle. This throne must be addressed and neutralised for the President to operate in the measure of freedom that will allow him to run Nigeria aright.

If a Muslim man ascends the throne of Nigeria (at this time), there is something in his foundation that will connect easily to this throne thus un-doing the mileage gained so far.

Jonathan is clearly My choice for your nation NOW. He is a tool in My hands. He does not have all the answers but there is a softness and innocence about him that will give Me room to pave the way for the David that is coming. Help the elders to understand what I am saying now. Some of them have developed waxes in their ears through years of doing their own things that make them stay with their fixed positions even when I am saying a different thing. I am involved in Nigeria now and your nation will never slip out of My hands again."

CONCLUSION: Without creating the right spiritual atmosphere through knowledge-based prayers and reliance on God, even the best of men will fail as Nigeria's president. It is not about the presidential candidates and how good they are by human judgment. It is about the assessment of God and who He wants to use and what He wants to do.

If you ask me, praying men should set up a prayer chain to run seven days before and seven days after the forth-coming election. That will involve 6 watchmen praying for an hour each between 12mn and 6am each day. That will be a period of 14 days. The sole subject of prayer will be for the Lord's will to be done. I can even suggest some prayer points:

- a. Lord, may your will be done over Nigeria
- b. Give us leaders such that it will be to your glory to give us victory through them
- c. Lord, overrule men and sovereignly install the David you have chosen and anointed to lead Nigeria now
- d. Lord judge the thrones of iniquity in Nigeria.

If we pray these prayers seriously we will see changes that will surprise us. The question now is, having heard this word, are you ready to take it back to God in prayers to see if I spoke my own words? Are you ready to pray?

Your reactions are welcome.

In the master's service,

Tony Ezeh Esq.

Note: When ever the Lord gives me a strong word to deliver, he has a way of re-assuring me to go ahead and stand by it no matter how un-palatable.

The Lord gave some signs through two reliable sisters who have not even seen what I wrote. Once I got their mail, I felt released to put this out. See the word they sent below:

.....

Beloved,

At the early hours of the morning of wednesday, 16th March 2011,(as is usual on wednesdays for The Roses Ministry) I was praying and I saw a huge white board like a bill board.

1. A black hand with black pen writing:

Mene mene tekel urphasin

...Dan. 5:25-28- Please study & meditate on this for revelation, no matter how many times you have read it in the past.

& another, a white hand with white pen but even though it was white writing it was translucent & glowing so brightly it could be seen miles away:

For I know the thoughts that I think towards you, thoughts of peace & not of evil, to give you an expected end..... Jer. 29:10-14(pls study & meditate too)

I understood this to mean that this is God's time to punish PRIDE, DISOBEDIENCE & INIQUITY on one hand, & on the other hand the time to reward HUMILITY, OBEDIENCE & HOLINESS. I believe this is for Nigeria/ Nigerians. Njide's revelation tonight might be bringing it nearer than the larger country.

So we must hold on to the power of the Holy Spirit to live our life in humility, obedience, holiness so as to honour & glorify God.

Our rewards are nearer than when we first believed. We must also intercede for those who have not known Christ, in prayers & in witnessing with urgency.

God bless you.

Yours in Christ

Reggie.

Subject: BREAKING NEWS

Beloved of God,

I received the word below from the Lord yesterday afternoon (19-3-11) and have a strong unction to publish it.

Thus says the Lord, Behold, Jehovah Sabaoth, the LORD of Hosts rideth (He's already in motion) upon a swift cloud (He's in a hurry!), and shall come into Lagos: and the idols of Lagos shall be moved (tremble) at His presence, and the heart of Lagos shall melt in the midst of it! - Isaiah 19:1.

Folks, the bubble is about to bust on the wicked in Lagos. Whatever throne or strongholds satan has in Lagos is on the brink of being decimated. **Deliverance has come to Lagos, Alleluia!!!!!!!!!!**

I enquired of the Lord as to how the Body of Christ can partner with Him to see to the fulfillment of this prophecy: go into warfare or what. I was made to understand that when the Lord **rides** into a city the Saints react in the following manner:

- Psalm 68: 3 Let the righteous be glad; let them rejoice before God: yea, let them exceedingly rejoice
- Psalm 68: 4 Sing unto God, sing praises to His name: extol Him that **rideth** upon the heavens by His name JAH, and rejoice before Him
- Psalm 68: 11 The Lord gave the Word : great was the company of those that published it. (Let as many as believe publish the news)
- Psalm 68: 12 The righteous (women, in particular) should be ready to divide the spoil
- When Jesus **rode** into Jerusalem on a colt, Matthew 21: 8 - 9 recorded the event thus: "**And** a great multitude spread their garments in the way; others cut down branches

from the trees, and strawed them in the way. And the multitudes that went before, and that followed, cried, saying, Hosanna to the Son of David: BLESSED IS HE THAT COMETH IN THE NAME OF THE LORD; Hosanna in the highest."

So, Lagos, rejoice! and go on a high praise; publish this good news to all, lay your garments, etc at His feet and EXALT His Holy Name.

If you're resident outside of Lagos and you receive this, claim it for your city, even the nation.

GOD BLESS US ALL.
