

LOWERING THE PLUMMET - **BABYLON HAS FALLEN!**

PART 5 OF 7:

PROPHETIC DIRECTION TO THE CHURCH AND THE NATION.

I bring you greetings from the Revival Altar, in the Name of JEHOVAH OF HOSTS, **The ANCIENT OF DAYS, THE ONE WHO INHABITS ETERNITY.**

You would have noticed that instead of Part 5 of 5 as earlier planned, we have Part 5 of 7 suggesting two additional Parts in the current series.

From the feedbacks we have received so far, the general consensus is that the subject we have been dealing with is weighty and serious. Considering the manner of presentation which is detailed and in many places reporting the dealings of the Lord that resulted in the word, some people have concerns that many would be discouraged by the length of the series from reading through.

We therefore decided to go the extra mile of giving a Summary of the Word of the Lord to acquit our conscience that we did our best in passing the Lord's message to the Church and the Nation so that men would be without excuse.

Therefore Part 6 will be a summary of the Word of the Lord maybe in Bullet Points while in Part 7, I will address the people of the East, the Igbo Nation. In the address to the Igbo Nation (The Eastern Gate), I will state why I have chosen to speak to them again.

THE END OF THE AGE:

We were in a prophetic meeting in July 2017 when the Lord admitted us to the Throne Room in Heaven. The Lord showed us that the Sixth Seal has been opened and it will lead to the shaking of the Nations to hasten the final separation of nation states that will lead to the return of the Lord Jesus Christ in glory.

Without going into the Bible study and eschatology, let me provide a frame within which to place the peculiar situation of our nation within the wider context of the unfolding global end-time scenario.

In the 24th Chapter of the Book of Mathew, the Disciples of Jesus Christ asked him what would be the sign of His return at the end of time.

He mentioned several signs both in the Church and in the world including apostasy, global conflicts and revolution, changes in weather patterns and increase in frequency of natural disasters and earthquakes. Then in verse 32 He mentions **The Sign** referring to the parable of **the fig tree**:

*Now learn a parable of the fig tree; When his branch is yet tender, and putteth forth leaves, ye know that summer [is] nigh: **33** So likewise ye, when ye shall see all these things, know that it is near, [even] at the doors.² **34** Verily I say unto you, This generation shall not pass, till all these things be fulfilled. **35** Heaven and earth shall pass away, but my words shall not pass away.*

***36** But of that day and hour knoweth no [man], no, not the angels of heaven, but my Father only. **37** But as the days of Noe [were], so shall also the coming of the Son of man be. **38** For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noe entered into the ark, **39** And knew not until the flood came, and took them all away; so shall also the coming of the Son of man be (Matt.24:32-39).*

He says effectively that **the generation that sees the sign of the fig tree** would still be on earth when He would return.

We know from the Bible that the fig tree is the nation of Israel (See Jl.1:6-7).

He was therefore saying that the generation that sees Israel re-gathered and become a nation after their third dispersion would be the end generation.

There are three possible ways to look at it.

First, Israel became a nation again after the debacle of the Second World War in 1948. Remember, we have established from Part 1 of this series that a Bible generation is a hundred years. If you add one hundred years to 1948 you will arrive at 2048.

So Scenario one is that we have about thirty years to the end of the present Church Age.

Second, if we take the year 1967 when Israel regained control of the Temple Mount as our base year and add a hundred years to it we will arrive at 2067.

A second possible scenario is that we have about 49 years to the end of the present age.

A third and final scenario is, we calculate time of the end just based on the Hebrew Calendar. We know from scripture that GOD granted man a lease period of six thousand years (six days) to spend on earth and after that He will have a seventh day when the Lord Jesus Christ will reign on earth as king. (See Gen.1:29-2:3; 2Pet.3:8; Rev.20:4).

Going by the Hebrew Calendar, mankind is in year 5778 from Adam. If we deduct this from 6000 years, then we have an additional 222 years before the final end of this age.

Whichever one you take, we have just a very short period of time before the present age is wound up.

THE LAST GLOBAL HARVEST:

Before the Age finally comes to an end, some scriptures must necessarily be fulfilled, the most prominent of which is **the revelation of God's glory and Almightyness** in a proportion and scale that has NEVER been seen on earth.

For the earth shall be filled with the knowledge of the glory of the LORD, as the waters cover the sea (Hab.2:14).

They shall not hurt nor destroy in all my holy mountain: for the earth shall be full of the knowledge of the LORD, as the waters cover the sea (Is.11:9).

*And it shall come to pass afterward, [that] I will pour out my spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions: **29** And also upon the servants and upon the handmaids in those days will I pour out my spirit. **30** And I will shew wonders in the heavens and in the earth, blood, and fire, and pillars of smoke. **31** The sun shall be turned into darkness, and the moon into blood, before the great and the terrible day of the LORD come. **32** And it shall come to pass, [that] whosoever shall call on the name of the LORD shall be delivered: for in mount Zion and in Jerusalem shall be deliverance, as the LORD hath said, and in the remnant whom the LORD shall call (Jl.3:28-32).*

Some nations of the world are ordained to play a role in triggering this last move of God that will lead to a revelation of God' glory and result in harvests that will see whole nations saved and then transit with the Lord into His millennial reign.

Africa, as the third son of Noah that escaped from the flood has the privilege and calling of championing this last harvest and Nigeria is ordained to play a leadership role.

Nigeria is called as a Missionary Nation that will proclaim the Gospel of the Kingdom that will lead to the harvest of sheep nations (See Matt.24:14, Matt.25:31-46). One thing that the Lord would do to realign the nations to Heavens Calendar and Clock is the shakings that are described in the opening of the sixth seal as outlined in the Book of Revelation.

*And I beheld when he had opened **the sixth seal**, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood; **13** And the stars of heaven fell unto the earth, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind.³ **14** And the heaven departed as a scroll when it is rolled together; and every mountain and island were moved out of their places. **15** And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains; **16** And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb: **17** For the great day of his wrath is come; and who shall be able to stand (Rev.6:12-17).*

One purpose of the shakings that is going on in Nigeria is to prepare the nation's throne to play its role in enabling the nation to fulfill its ordination of being the Lord's last global witness.

If Nigeria is so much at the center of end-time prophecy, it would also mean that Satan will seek to raise his best Army to fight for the soul of the nation so that he can at least try to resist God's plan. He knows that the rising of the Throne of David in Nigeria will bring down his strong holds and satanic architecture that rules many nations especially the block of darkness that is described as the 10/40 Gospel Window. The last wave of God's glory will release an avalanche of Spirit-filled Missionaries that will take the nations by storm.

That is why Satan seeks to bring down the Church in Nigeria using fifth columnists that are actually Satanists parading as Apostles of Christ.

That is the unseen hand fueling the new wave of Islamic uprising and agenda in Nigeria. That is why the role the Church played in bringing about the present Islamic government is a portrayal of spiritual blindness, ignorance and a lack of understanding of the issues.

That is what Boko Haram, Fulani Herdsmen and other more hideous things that are playing in the background is all about.

But will all this stop the God of Heaven and derail His agenda for Nigeria? I will give you the answer upfront. NO.

One of God's favourite Names is the LORD OF HOSTS. He also describes Himself as a MAN OF WAR and He is not afraid of Battles.

A revival is coming to the earth that will take whole cities, nations and institutions and Nigeria is at the center of it.

If Islam has Nigeria, the nation will be hindered from fulfilling this divine calling. Then the Lord has to wait to raise another Nation that will play the role originally apportioned for Nigeria and I am not sure the Lord has that time from the calendar that I have shown from scriptures.

We are talking about an election in 2019, but the LORD is seeing a War that must be fought to position our nation to fulfill her calling as His last Global Witness on earth before His return. I will come to that shortly, but first let me deal with an important aspect that many are not even aware of, and those who are aware choose to overlook because of the depth of its implications. Let me talk about **the Ancient Kingdoms** of the world.

THE ANCIENT KINGDOMS:

In Gen.6:1-5, a Rebellion is portrayed of Angels that left their original estate and assignment to unite with human women and through that union bringing off springs on the earth that did not have God's image and thereby corrupting the human race. The Bible says that they (Anakims or Giants) were on earth before the flood in the days of Noah and after the flood:

There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare [children] to them, the same [became] mighty men which [were] of old, men of renown. ⁵ And GOD saw that the wickedness of man [was] great in the earth, and [that] every imagination of the thoughts of his heart [was] only evil continually (Gen.6:4-5).

The Lord Himself tells us that the days preceding His return would be like the days of Noah.

But as the days of Noe [were], so shall also the coming of the Son of man be. ³⁸ For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noe entered into the ark, ³⁹ And knew not until the flood came, and took them all away; so shall also the coming of the Son of man be (Matt.24:37-39).

We don't have the time to go into the details but scripture reveals clearly that towards the last days (our present day), there will be men in human body walking on earth that will not be human, not having God's DNA and image. As such they will be devoid of human feelings making them to be absolutely wicked, devilish and without human restraint and sympathy.

Let me quote what the Lord revealed to me in this regard from THE MESSENGER'S DIARY of April 15, 2016.

On March 30, 2016, as I waited before the Lord at the Revival Altar and prayed for the nation, the Lord began to speak to me about the significance of Year 2017, and what the believing and obedient Church must do in 2016 to fulfill His counsel for the nation in 2017. I published this word the way I received it as "YEAR 2017 - SPIRITUAL SIGNIFICANCE FOR THE NATION. If you are not on our mailing list or you have not received this word, we will be pleased to send it to you through email.

The Lord also began to show me the extent of corruption that is coming upon the earth. The insight He gave me led me to conclude that the days spoken of by John in Revelation 9 are upon us already.

And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit.

² *And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit.* ³ *And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power.* ^{evil spirisy} *And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men which have not the seal of God (in their foreheads.* ^{the environment} *And to them it was given that they should not kill them, but that they should be tormented five months: and their torment was as the torment of a scorpion, when he striketh a man.* ⁶ *And in those days shall men seek death, and shall not find it; and shall desire to die, and death shall flee from them.* ^{suicide increase?}

And the shapes of the locusts were like unto horses prepared unto battle; and on their heads were as it were crowns like gold, and their faces were as the faces of men. ⁸ *And they had hair as the hair of women, and their teeth were as the teeth of lions.* ⁹ *And they had breastplates, as it were breastplates of iron; and the sound of their wings was as the sound of chariots of many horses running to battle.* ¹⁰ *And they had tails like unto scorpions, and there were stings in their tails: and their power was to hurt men five months.* ¹¹ *And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon.*

He showed me that many sons of the bond woman are through deep sorcery and prognostication, calling out wicked spirits from the depth of hell to sustain what they see as victory under the present dispensation.

Most of these spirits they are calling out are *the spirit of Nephilims*, or disobedient angels chained underground because of their disobedience. (See Jude 6-7; 1Pet.3:19-20).

The activities of some of these wicked spirits can presently be seen in our land in the footprints of destruction that is left across the nation by *the Fulani herdsmen*.

The Lord wants me to tell you that most of these are not ordinary herdsmen but a trained army from hell. No normal human being is capable of perpetrating the level of violence they unleash unless possessed by very violent spirits like the nephilims, whose activities caused the Lord to wipe out an entire civilization. (See Gen.6:1-7).

This is Part of what the Lord said to me about their activities:

They create wars to exterminate potential spiritual giants (Like in the Middle belt). That is why the Church must rise up in united prayer against the actions and the spirit driving the Fulani cattle rearers who are apostles and priests of Islamic strategy and domination.

Messengers Diary, April 15, 2016. Those on our Mailing list would remember this word that we shared.

One of the battles that David fought before he can establish the Throne of David was to kill Goliath, and then raise men that killed Goliath's other brothers. Goliath was not just an Anakim but a king among the Anakims.

There is a nation within our nation that belongs to this breed. They are totally anti God, anti-Christ and anti-human. Unless we understand this fact and then rise on the Lord's side to overcome their evil agenda the nation will not be released to move forward.

One of the greatest needs of the present hour is discernment to be able to properly separate issues otherwise most of the times we end up playing the enemy's game.

Nigeria does not have a religious, ethnic or northern problem. The problem we have as a nation is that there is a kingdom within our nation of about 7 million people that is not loyal to the nation. If it stopped at being disloyal to the nation it would be manageable, but this kingdom within the nation seeks to control, manipulate and try to dominate the rest of the country and also try to lead even when not qualified.

This kingdom uses religion to mobilise people for its agenda even though it is not loyal to any religion.

If Nigerians don't see this and begin to change the narrative then their deliverance will delay.

Let me conclude by saying that through three means there are people in human body today that are not human beings in the true sense of the word and their number is increasing.

First, through occultation people through certain covenants with the kingdom of darkness are hidden mainly in the marine kingdom to acquire special powers and alter their state with a view of performing some future assignments for hell.

Second, through occultism, people that are looking for money and power are uniting with spirits and becoming something else that is not human.

Third, through science people are being cloned as hibrids to perform some special functions like war machines or just to carry out an assignment with ruthlessness in the political scene. Most of these people are ending up as heads of government and important institutions.

Then add these to what scripture describes as the resurgence of the Anakims in the last days and you will begin to appreciate what we are dealing with.

GATES THAT RESIST THE THRONE OF DAVID:

These Ancient kingdoms constitute Gates that resist the emergence of the Throne of David which is what God wants to establish in our nation.

We should see the 24th Psalm in this light:

Lift up your heads O ye gates and be ye lift up ye everlasting doors and the king of glory shall come in (Ps.24:7)

David had to walk with the Lord through raising of Altars, Covenants and Worship to receive authority and anointing that enabled him overcome this kingdom before He can establish the Throne of David. This is what the Bible describes as the **KEY OF DAVID**. So the key of David is primarily dealing with the **authority to establish God's Kingdom on earth** according to God's original plan. The key of David is required to replicate heaven on earth. This is what our nation needs now and that is why the greatest need of the nation now is for a Priesthood of sons that will have both sight (understanding) and also authority to expose, defeat and dislodge these ancient kingdoms that are so entrenched in our nation. That is the major prayer that the Lord recommended for all His disciples especially those living at the end of the age.

After this manner therefore pray ye. Our father which art in heaven. Hallowed be Thy Name. Thy Kingdom come. Thy will be done in earth as it is in heaven.

The kingdom of God cannot come in any environment without the key of David. The reason for this is that there are Ancient kingdoms that are on earth today that are totally committed to opposing the counsel of God. These ancient kingdoms are nations that emerged on the earth from the old order. It is only the key of David that enabled David to subdue them before the Throne of God can be established.

Any nation that has a calling to establish the Throne of David must fight and win this battle. The Lord began to show me this during Passover of 2017 when I was taken to the Church in Heaven where Derek Prince was sent to talk about Africa and the conspiracy of the Ancient Kingdoms against her. See Pages 10-14 of the February 2018 edition of the Messenger Magazine for a brief on this encounter.

One thing about these ancient kingdoms is that they easily identify themselves and are quick to make alliances with one another. This is the reason the British Throne which is of the same species is easily aligned to the Caliphate Throne in Nigeria and was ready to compromise the very first Census and election in Nigeria to serve an abiding interest.

This is the problem before us a nation and that is the Battle the Lord wants to fight in 2019. As long as this Ancient kingdom is in control, the basic condition for establishing the Throne of David can never be met.

Righteousness and justice are the foundation of your throne; steadfast love and faithfulness go before you (Ps.89:14 ESV).

NIGERIA IN THE ERA OF GOD:

Nigeria as a nation has entered the Kingdom Age spiritually. The nation is in transition to manifest this reality and heaven is poised to achieve it either in peace or through wars.

We are in the era of God - a small sliver of time that God will work in fast pace to complete prophecies so that the age can end (See Hag.2:6-7; Rev.6:12-17, and Rev.8:1-13).

Let me quote from our Book, God's Eternal Plan for Nigeria:

Conversations !!

Revelation 22:7: "Son the principle of election also applies to the nations. I have foreknown certain nations even before laying the foundation of the earth. I have also predestinated certain nations to be a part of My coming kingdom. Those I have predestinated I also called and gave assignments to do for Me at certain stages in the outworking of human history.

It is now left for these nations to respond to My call by agreement with Me concerning their destiny or by rejection of My call. When I make this call on any nation, I will create the conditions that are necessary to encourage the nation to choose right, to choose life; to choose Me and live. But this does not overrule the requirement of choice.

Each nation is still required to make a choice whether they agree with My sovereign ordination and call for them or whether they reject it.

Once a nation makes this choice, I as a just Judge will honour the election and choice of each nation.

I chose your nation before I laid the foundation of the earth to be My trump card at the end of the age. I choose the weak things to confound the strong and the debased things to confound the mighty.

Many of the troubles that you have seen as a nation is on account of this call:

That call is to be a saviour to the nations of Africa that have suffered as a result of the wickedness of other nations against her. I was there when Africa was partitioned and sold and bought but I held My peace because I knew it would serve My purpose.

I was there during the era of slavery but I held My peace and used it to bring forth My purpose.

Africa and especially Nigeria, South Africa, Somalia and Egypt are My trump card for the end of the age. The turmoil that these nations have gone through is connected to My end time purposes.

I have arisen in Nigeria and raised My altar in your nation. It is the **Altar of Revival**. That altar as it gathers strength will give strength to redeem the throne of your nation that was sold to leviathan and mammon. I have judged these spirits, weakened and broken down the strength of Nimrod's altar in the skies across Africa and you were witnesses to these.

I have come to redeem the throne of your nation so that I may sit on it and ride to the nations to do the last phase of My work on earth through you. The throne is important because the throne is the place of legislation. It is also the place where you can raise an altar that will influence the entire nation and affect her people. This is what happens in heaven as you see in Revelation chapters 4 to 6 which is a pattern that David replicated for Israel by giving back the throne to Me whereupon I made it an eternal throne. Many nations of the world including your nation have a call from Me to replicate that pattern. The throne of David is my pattern for the nations of the world. Any nation that hears My call, heeds My voice and gives Me back the throne of their nation will by that process of dedication come into alignment with My eternal throne and will in that process be carried into My coming kingdom that is just by the corner.

I gave the earth to man (Psalm 115:16) and man must dedicate it back to Me.

I have waited for this time. I have sown concerning your nation. I have kept her because I appointed her for a purpose otherwise the nation would have disintegrated because of the multitude of whoredoms instituted against her by wicked men and women raised by the British throne...

Your Nation like Israel has a date to keep with me in 2017. (See Pg.141-143,.. 144 of GEPFN).

I will show in in Part 7 of this series that the Lord kept this Date with Nigeria in 2017 as appointed.

Therefore even if men manipulate the electoral process and win elections through shedding of innocent blood and other vile means as recently happened in Ekiti State, they will not be able to sit on the Throne as the Throne will turn and turn until David comes.

I restate that Ps.89:14 is part of the Order and configuration of the Nigeria Throne now.

Righteousness and justice are the foundation of your throne; steadfast love and faithfulness go before you (Ps.89:14 ESV).

Thus saith the Lord:

Any outcome that does not accommodate this will conflict with heaven. My Hosts are ready to fight for this nation.

2019 AND BEYOND: WHAT IS THE LORD'S COUNSEL FOR THE NATION?

THE THRONES OF INIQUITY WILL NO LONGER REIGN:

*Shall the throne of iniquity have fellowship with thee, which frameth mischief by a law? **21** They gather themselves together against the soul of the righteous, and condemn the innocent blood. **22** But the LORD is my defence; and my God [is] the rock of my refuge. **23** And he shall bring upon them their own iniquity, and shall cut them off in their own wickedness; [yea], the LORD our God shall cut them off.*

As you read in Part 4 of this series, the Lord took Team Messenger to Ekiti State to show us an aspect of our national life whose cup was filled to the brim that was ripe for judgment and that is the shedding of innocent blood for money and power rituals.

The only door of escape that the Lord is opening for those that have profited from this evil is the door of genuine repentance, turning away from that evil and confession of their sin.

If men do not heed this warning, those who go in that direction will meet things that are stronger than them.

The Lord Jesus Christ, the ANCIENT OF DAYS is described in the 24th Psalm as the Lord of Hosts. I did not understand that scripture until the Lord took us to Ado Ekiti and began to give us light.

Hosts are Angels that are massive in stature that the Lord deploys to fight His strong battles especially when a nation or a people are ready for a transition. One of these Angels was able to kill one hundred and eighty five Thousand people in one night (See Is.37:36).

I was brought into the visions of God and I saw the basic strategy that hell has given its sons that want to retain power at all costs.

1. They were asked to fill the blood banks in a proportion never done in this nation. This is the major reason for the violence we see in all parts of the nation especially in the Middle Belt. A brother was actually shown the number required - About a million souls.
2. They were asked to compromise true believers and in that way steal their God given authority and mantle which speaks at this time.
I saw the kingdom from hell in counsel and they will do everything it takes to present a compromise. If the sons of light buy the dummy, the bondage will further be entrenched.

As you are aware, whenever God wants to do something, if the people on whose behalf God wants to intervene are not ready, God's timing will be further delayed. God ordained that the Children of Israel would spend 400 years in Egyptian bondage but it was delayed for thirty extra years because the people and their deliverer was not ready. May that not become our portion as a nation.

WHAT IS 2019 ABOUT?

The Lord said to me that the idea of the 2019 election was NOT His idea and counsel and He does not build on the enemy's structure or foundation.

If we go back a little, we can see the occult cycles that leads to the 2019 elections.

In 1959, the British Colonial Masters organised an election that brought us independence. This election was manipulated to favour the caliphate and was said to have been won by the NPC. (See our Book, GEPFN Page 48-53).

Twenty years later in 1979, we had another flawed election that brought Shehu Shagari, another unprepared President under whose reign the nation fell apart.

In 1999, we had another election that brought Obasanjo, a product of military conspiracy. He did some good, but scuttled the process of his succession by giving us a man after his own heart, instead of allowing the man that God had prepared to succeed him. (See Pgs. 85-102, GEPFN).

Add 20 years again and we have another election in 2019 with a 'President Buhari' in power.

All the centers of power are in the hands of cronies, relatives, compromised and like-minded fellows and we are taking of an election.

How can God dance to that rhythm?

Remember, God is a God of foundations. When He wants to settle issues He goes to the root.

The root course of Nigeria's problems is that our foundational processes were severely compromised, finally giving us a flawed document in 1999 as a Constitution. God knows that without addressing that, then the talk of a free and fair election or true nationhood is a farce.

The redress of that unjust document is one of the key Agendas that God set for President Jonathan when he came to power. See Pgs. 275 to 294 of our Book, In The Master's Presence to see the Agenda of God for President Goodluck Jonathan which he did not address.

One of the few good things he did in office was the National Conference of 2014 which he did late. The document produced was not perfect but it was the will of God. That document still stands and will yet speak one day.

Twenty is the number of redemption, and the occult cycles that are programmed into our electoral process in 2019 by the Occult British Throne is still speaking but working to scuttle the nation's redemption.

The Lord wants to disrupt that cycle and give us a new beginning in righteousness. That is heaven's agenda for 2019. That is the Battle heaven wants to fight and that is why the Lord is asking me to re-introduce Him to you as the LORD OF HOSTS - The Man of war that commands a large Army both of men and spirits.

I see the portals over our nation open and a mighty Army with various implements of war positioned for battle awaiting the command of their able Commander. The only thing that will hinder that Army is if men, especially of the stock of Zion compromise and sell out.

This is why you are reading these words so that you will understand the issues and be on the Lord's side.

2019 as far as heaven is concerned is not about any election, it is about laying a solid foundation for Nigeria in righteousness.

This idea of laying a foundation for Nigeria on the twin pillars of righteousness and justice is what political people are describing as re-structuring even though it does not capture all the requirements of God.

WHAT SHOULD THE RIGHTEOUS AND MEN OF GOOD WILL IN OUR NATION DO?

One major issue that has plagued the nation till date is the issue of Security. If you interview the people in the middle belt, they will tell you their experiences. Even in situations where they have intelligence about an impending attack, the federal police as presently constituted refuses to respond to their distress call saying they are waiting for orders from above.

Recently a few senators in our republic wanted to switch parties as our politicians often do but that small personal matter has led to the deployment of an entire contingent of federal security to prevent them.

Can we continue to go in that direction and hope that it will be well?

Let me tell you what God says about the electoral process and how to choose political leaders. I am sure you agree that none of us is wiser than God:

GOD'S GUIDELINE FOR CHOOSING POLITICAL LEADERS:

14 When thou art come unto the land which the LORD thy God giveth thee, and shalt possess it, and shalt dwell therein, and shalt say, I will set a king over me, like as all the nations that [are] about me; 15 Thou shalt in any wise set [him] king over thee, whom the LORD thy God shall choose: [one] from among thy brethren shalt thou set king over thee: thou mayest not set a stranger over thee, which [is] not thy brother.

16 But he shall not multiply horses to himself, nor cause the people to return to Egypt, to the end that he should multiply horses: forasmuch as the LORD hath said unto you, Ye shall henceforth return no more that way. 17 Neither shall he multiply wives to himself, that his heart turn not away: neither shall he greatly multiply to himself silver and gold. 18 And it shall be, when he sitteth upon the throne of his kingdom, that he shall write him a copy of this law in a book out of [that which is] before the priests the Levites: 19 And it shall be with him, and he shall read therein all the days of his life: that he may learn to fear the LORD his God, to keep all the words of this law and these statutes, to do them: 20 That his heart be not lifted up above his brethren, and that he turn not aside from the commandment, [to] the right hand, or [to] the left: to the end that he may prolong [his] days in his kingdom, he, and his children, in the midst of Israel (Deut. 17:14-20).

Deut. 17.14-19 gives an outline of ten things to consider before choosing political leaders. If we follow those guidelines and elect according to God's counsel, we will have someone *whose heart is not lifted up above his brethren* (Deut. 17:20); and then his government will be a blessing to the people.

Of all the ten guidelines mentioned, the most important is that we should be sensitive to choose the person that the Lord has raised and prepared - An anointed vessel.

Thou shalt in any wise set [him] king over thee, whom the LORD thy God shall choose (Deut. 17:14).

Any time we ignore this counsel, we have paid a price for it. One of the major wrongs that the British throne deliberately inflicted on the young Nigerian nation at the time of their departure is to ensure that the wrong people ended up as our leaders.

Till today, we are still battling with this absurdity. From Local Government to State and then Federal level, we have heard un-called, un-qualified and un-prepared people as our leaders.

The time has come to break this negative occult cycle deliberately programmed into our nation.

As we prepare for another round of elections let us go to the Lord in sincere prayers and intercession to find out if there is a man He has raised to lead this nation at this difficult junction of our national life.

One reason we must do this is that Thrones by themselves are spiritual. From the beginning of time, men always resorted to spiritual power to be able to exercise governmental power. Let me give just two pictures from the Bible:

And in the second year of the reign of Nebuchadnezzar Nebuchadnezzar dreamed dreams, wherewith his spirit was troubled, and his sleep brake from him. ² Then the king commanded to call the magicians, and the astrologers, and the sorcerers, and the Chaldeans, for to shew the king his dreams. So they came and stood before the king (Dan.2:1-2).

In this first picture which is like the model for most governments till today, once the King's spirit was troubled his answer was to go to Priests of Satan for help.

David on the other hand did well as King because of the quality of Spiritual people he had around him.

He had Priests like Zadok and Prophets like Nathan. He laid the foundation on which his son Solomon modelled his own very successful government.

¹ So king Solomon was king over all Israel. ² And these [were] the princes which he had; Azariah the son of Zadok the priest,¹ ³ Elihoreph and Ahiah, the sons of Shisha, scribes; Jehoshaphat the son of Ahilud, the recorder.²³ ⁴ And Benaiah the son of Jehoiada [was] over the host: and Zadok and Abiathar [were] the priests (1Kngs.1:1-4).

David went on to set up a system of worship and sacrifice that ensured that the heavens over his government were open. He perfected this system that it became an ordinance in Israel.

And when the builders laid the foundation of the temple of the LORD, they set the priests in their apparel with trumpets, and the Levites the sons of Asaph with cymbals, to praise the LORD, after the ordinance of David king of Israel. ¹¹ And they sang together by course in praising and giving thanks unto the LORD; because [he is] good, for his mercy [endureth] for ever toward Israel. And all the people shouted with a great shout, when they praised the LORD, because the foundation of the house of the LORD was laid (Ezr.3:10-11).

These are the realities that surround the exercise of governmental power.

The original conflict that happened in heaven was about government (See. Is.14:12-14).

God set up the Church on earth not as an end on itself but as a means of bringing His government.

Christ is coming the second time to the earth not to hold Church services but to set up God's government on earth (See 2Sam.7:8-16; Dan.2:44-45; Dan.6:26; Dan.7:27; Lk.1:32-33).

We must understand that when we are choosing political leaders we are making a decision that have eternal consequences.

In many nations of the world today that are governed by atheist kings who hate God, can you not see that such setting is deciding the eternal destiny of many people. People are going to hell in their numbers from those nations because the basic issue of choice of who to worship is being violated.

Yet this is what Satan is planning to foist on Nigeria and people that are supposed to be Christians and leaders are co-operating with the enemy for material gains.

If you ask me to summarise the ten principles outlined in Deuteronomy¹⁷ that we quoted, I could bring it under three basic issues we must resolve when choosing political leaders:

First, does God have a candidate?

Second, what are the values of the person seeking political office? Do not elect someone who does not have value for human life, or who values the life of a cow more than that of a human being, and then expect him to be a champion for human life and human liberty.

Third, who and what is going to influence him when he comes to the throne? Will he be influenced by God or by Satan?

That is the bottom line. If you apply these three tests and interrogate the multitude of people seeking political office, you will chose right.

DOES GOD HAVE A CANDIDATE FOR OUR NATION IN 2019?

Before I answer this question, I want to clarify certain things.

When the Lord called me to be a Prophet to this nation he taught me over a season, placed me under a Father so I can be accountable to some people before He released me to the assignment.

I can summarise what He taught me in three lines.

He taught me on the necessity of **neutrality** if you are going to function well as a Prophet. My friend Ben Atuluku captures this principle in an interesting way in five P's: *Personal Preference Perverts Prophetic Perspective*.

I am neutral in my prayers. Many times people try to sway me to be on their side but the Lord has given me and keeps giving me grace to resist this. I NEVER take side on any issue until I know where God is standing. When I know where He is standing, I simply stand behind Him knowing that I will never lose if I am on His side.

Over time, I have seen that this is the undoing of many intercessors and I try to help some I relate with to see the danger of taking sides.

This is why the Lord Jesus so much emphasises love as the anchor for true ministry. Love brings you to God's side on matters and enables you to trust that He will do justice to all sides because as God, righteousness and justice are the foundations of His throne and the essence of His being. He cannot do less.

The second thing the Lord taught me is **discipline**. No matter the pressure, the Lord has helped and is helping me to keep quiet when He has not spoken. You are not likely to hear me say God has said if He has not spoken.

But when He speaks, I have learnt not only to speak out in courage but where necessary to shout.

Finally, the third anchor that guides my ministry as a Prophet is **discretion**. I pray for discernment every day because the Lord is also teaching us to divide words properly. There are things God says to you that are meant for you to hold as a secret between the two of you. They are not for public consumption. Sometimes He speaks and ask you to tell the people involved directly. At other times, He speaks and asks you to speak out and publish through every available vessel.

Having established that I am on the Lord's side on matters, let me comment briefly on the Middle belt area of Nigeria, and then I will answer the question (whether God has a candidate in 2019) in a straight manner.

THE SPIRITUAL IMPORTANCE OF THE MIDDLE BELT AREA TO THE NATION:

When God wants to adopt a nation, to raise The Throne of David in that Nation to make it a Sheep Nation, God sends a Father to that nation to raise a new foundation in righteousness.

Satan used The British Throne, through a son of Satan, (Taubman Goldie) to lay a satanic foundation and erect a satanic architecture for our nation. (See our Book, God's Eternal Plan for Nigeria).

God raised another British man, Pa Elton to lay a foundation for the nation in righteousness. That foundation is growing and will soon speak. That is what God means when He called Abraham as Father to many nations. God would reproduce

spiritual fathers for any nation He wants to adopt to relay the architecture in righteousness. That laying of a new architecture is a process and not an event but if you go to the root, you will see that the Spiritual father that God raised to birth Nigeria in righteousness is the man Pa Elton.

Then God raised a tripod, with him as the main pillar to birth the seventh day Church in our nation.

That tripod is Pa Elton (As main pillar), Apostle Babalola (founder of the CAC Churches) as supporting pillar and then Benson Idahosa as a third pillar.

The third pillar (The part of Benson Idahosa) was eroded through his exposure to the wrong branch of American Pentecostalism that is rooted in Mammon and the Jezebelian spirit. This third branch still troubles the Nigeria Church, but that is not to diminish the contributions of Benson Idahosa.

Those of us in the prophetic ministry have long known this but the Lord wants me to talk about it now. Many times in our prophetic meetings the Lord has sent us Benson Idahosa to come and review his ministry to us and he showed us where he missed it. It is possible that the Lord took him home early to save him and the many that has come under his God-given influence. Please take this to the Lord in prayers and ask Him if it is so but that is not the main focus here.

The Seventh Day Church is the Church that will prepare Africa to preach the Gospel of the Kingdom which is God's calling and ordination for Africa to be led by Nigeria. Africa is indeed the continent of hope for the world, and the anchor for that hope is Nigeria. If Nigeria fails, Africa is gone and the world would suffer. That is why the matters before us are beyond having a good government that can build roads for us. It is more than that. Please see pages 155 - 163 of the second Edition of our Book, God's Eternal Plan for Nigeria).

The man Pa Elton gave a prophecy in the eighties about the middle belt area. This is what he said:

Gboko will be very difficult to take but as God's people begin to persist in prayers the surrounding cities will begin to fall until Gboko eventually will fall under the cross of Christ. **A wild fire revival will burst out among the Tiv people which will eventually consume the Islamic North.** Tiv people were used by God to stop the spread of Islam to the East, to unite the Country during the civil war and will still be used by God to uproot Islam from the North in this revival. (Pa. Elton - Benin, date unknown).

We are at the strategic gate of Time to fulfil Pa Elton's prophecy that revival will arise from the Middle Belt that will engulf the north. This is the major reason for the resurgence of violence in Benue and the middle belt axis.

God raised Ancient Altars in the Middle Belt area that has metamorphosed into Churches like **ECWA** and **TECAN**.

One of the many sins of denominational (divisive) Christianity for which God is judging it is the way it killed and severely compromised some of these Ancient altars.

In 2012 and again in 2018, the Lord asked me to write some big denominational Churches to invest some of the resources they are wasting in Air conditioned cathedrals in the south in these Altars. I obeyed the Lord and wrote them but whether they listen to the Lord's voice is up to them.

Spiritual things have counterparts in the natural (1Cor.15:46).

As far as heaven is concerned, the major issue to resolve in Nigeria before the nation can move forward is the issue of the corrupt foundation of the nation that is laid in the marine that has resulted in deep occultism.

That foundation has given rise to idolatry and corruption that has resulted in foisting an unfair constitutional framework and structure on the nation.

God wants to dismantle that and place the nation on solid ground where it can make progress and fulfill its destiny.

There are nations and peoples that profit from the unjust system that will oppose that change with everything they have. At the head of that opposition is the ancient kingdom within Nigeria that has a strange root.

That is the issue before the nation.

The place where God has placed strength to fight and win that battle is in the Middle Belt. That is where God halted the first devilish Jihad to overrun Nigeria in 1803.

There are situations in political contests where God does not have a candidate. That was the case with Nigeria in 2015. Please see our Article, **WHO IS GODS WILL FOR NIGERIA IN 2015?**

In the 2016 election in America, the Lord told us that Trump was his candidate and we prayed for him. The Lord told us the issues and we prayed accordingly. The prophetic meeting we held for America is recorded and still available.

In the present situation as we go towards 2019, GOD HAS A CANDIDATE.

The Lord has invested strength in the Middle to fight the present Battles in Nigeria and all who want to see this nation freed with minimum casualties should be on the Lord's side otherwise the consequences will be severe.

Early this year, we brought you the word of the Lord that God has four ways He can deal with Nigeria:

- a) The Electoral Process that will result in electing God's choice for the Throne.
- b) A military coup that will be very bloody.
- c) Occupation of the nation by an Alien Army.
- d) Uncommon Natural disasters that will bring the nation to its knees.

The Lord wants me to tell you that those four options are open before Him.

The present administration has not done well and God has finished with it. God's verdict on it is in Dan.5:22-28.

But it can win the 2019 election at all cost and the Lord will not stop him.

But if they return to power at all cost, they will not be able to sit on the Throne and the nation will go through sever pressure, turmoil and bloodshed that will eventually result in some form of intervention.

May this NEVER happen.

If the REMNANT that are on the Lord's side do well and provide leadership for the nation, then the Lord can still come into the electoral process and use it to save the nation.

This is what the Americans did recently and God helped them. The same help is available to us as a nation but the Lord is saying that *Denominational Christianity* must not lead.

The counsel of the Lord for this season is hidden with unknown men - men that God has deliberately hidden and reserved for this time. We must prayerfully seek out those men and follow GOD in them for therein lies our help and hope.

If we don't do that, we will pay a heavy price. May the Lord save us from ourselves.

The Nigeria nation is in transition.

GOD HAS PREPARED A MAN FROM THE MIDDLE BELT AS A VEHICLE OF TRANSITION.

If we co-operate with the Lord and the flawed electoral process allows this man with the Lord's hand and anointing on him to emerge, the nation will be spared many sorrows. The Lord has invested in him requisite capacity, wisdom and skill to navigate the process at this time.

This is the Lord's hand of mercy that He is extending to the nation.

If we miss this opportunity, we will see the judgment side of God in severe judgments over this nation that will shake everything.

May the Lord grant it to us not to sell the nation for money or personal gain.

Before I sign off, let me return to the prophetic Vision that was shown me on May 30, 2018, the sixth Day of my encounter and visitation from the Lord that resulted in this

series. I reported on this vision in Part 3 of this series but let me quote again the Lord's comment after the vision.

IN THE *OPEN VISIONS* ~n. @ 11.54am, 30-5-18.

So the seasons have changed. No more ambiguity. This is the season for plain talk.

Declare with a **loud declaration** that My sovereign choice to save your nation and minimize collateral damage and needless devastation is to ride **That horse** (Rev.19:11-21) *that has been prepared by Me and for Me*.

But you must willingly lead in offering it to Me because it is an act of My mercy. This is the time to declare it with a loud declaration especially in the ears of the Three hundred men (*Judg.7:4-7; S.a. Pgs.144-153, The Days of the Black horse Rider*) that I have prepared for this time and for these times.

Since the Lord is commanding us to speak plainly, I will speak plainly.

The electoral process the way it is today requires platforms or political parties. Some of the platforms available today are so compromised that God cannot use it.

For the APC, see our Publication, WORD FOR THE LEADERS OF NIGERIA published in 2013 before APC emerged as a party to see what heaven thinks of it.

For PDP, the Lord showed us that it was founded by some good men but later became compromised.

In prophetic meetings, the Lord sometimes showed us the PDP as partly human and partly beast. Through many visions and prophecies the Lord showed us that He was willing to salvage the PDP to midwife the transition process for Nigeria and it eventually played out.

All the time they were engaged in the prolonged court process we were praying for the party for the sake of our dear nation.

But after their Congress that produced the present leadership, the Lord told us that the party has missed her chance. He said it has not learnt any lesson from its affliction and trials because Mammon eventually had a field day.

As hard as the word is, the Lord wants me to say that He cannot use the PDP to midwife the transition process.

The 2019 election is a Battle to raise a righteous foundation for the nation.

The Logo of the party God desires to use at this time has the symbol of a Horse.

That is what the Lord asked me to declare:

Declare with a **loud declaration** that My sovereign choice to save your nation and minimize collateral damage and needless devastation is to ride **That horse** (Rev.19:11-21) *that has been prepared by Me and for Me*.

Please read Rev.19:11-21 prayerfully and ask the Lord if these are His words.

If I have spoken my own words let it amount to nothing as men's word cannot help us at this time.

But if I have spoken the word of the Lord and His counsel, may Heaven uphold it with everything it has.

As I sign off I want to answer one question that I know is agitating your mind at this time.

Bro.Isaac, do you know this transition vehicle from the Middle Belt that God is talking about?

Yes I do. The Lord told me and showed many others. I do not think it is prudent to state names in this series because it could be misunderstood.

However, if sincere people ask me privately through text, Whatsapp or email, I will tell them.

After all it is written:

29 *The secret [things belong] unto the LORD our God: but those [things which are] revealed [belong] unto us and to our children for ever, that [we] may do all the words of this law (Deut.29:29).*

The Lord wants me to sign off now by reminding you that He is the ANCIENT ONE who made all things by His Word, and who was there from the beginning.

*By the word of the LORD were the heavens made; and all the host of them by the breath of his mouth. **7** He gathereth the waters of the sea together as an heap: he layeth up the depth in storehouses. **8** Let all the earth fear the LORD: let all the inhabitants of the world stand in awe of him. **9** For he spake, and it was [done]; he commanded, and it stood fast. **10** The LORD bringeth the counsel of the heathen to nought: he maketh the devices of the people of none effect. **11** The counsel of the LORD standeth for ever, the thoughts of his heart to all generations.*

***12** Blessed [is] the nation whose God [is] the LORD; [and] the people [whom] he hath chosen for his own inheritance (Ps.33:6-12).*

Shalom!
