

LOWERING THE PLUMMET - **BABYLON HAS FALLEN!**

PART 6 OF 7:

SUMMARY:

The Lord visited the Messenger in special circumstances on May 25 2018 for a period of eight days. After some dealings, the Lord gave him a word for the Church, The Nation and the Nations that have been shared in series. Part 6 of 7 which is before you is a summary of what the Lord said to the Messenger in a way that is easily assimilable. Please consider prayerfully.

TWELVE THINGS THE LORD SAID TO THE MESSENGER!!

1. The time allocated to man has nearly ended. Mankind is living in a narrow sliver of time allowed by Grace to fulfil all outstanding prophecies especially of the outpouring of God's glory that will lead to the last global harvest of souls before the return of the Lord. (See Hab.2:14; Is.11:9; Jl.2:28-32).
2. Nigeria as a nation is in a Kairos moment (divine timing) ordained by grace to enable the nation respond to its calling and ordination as a sheep nation that will lead in bringing in this last harvest as the Lord's last global witness on earth before His return in Glory. (See Matt.24:14; Matt.25:31-46; Jl.3:1-3).
3. A strategic gate of time was opened for the nation from 2014-2015 when the nation attained her second generation for the redemption of her throne (1914-2014 = 100years). That opportunity was lost because of the

compromise and blindness of the church due mainly to denominational (division) Christianity which fuels greed, personal ambition and Mammon.

4. God wants to judge the idolatrous foundations of the nation as a prelude to raising the Throne of David in Nigeria. Before the Lord can do that as a righteous judge, He has to judge the Church and He is indeed judging the Church for denominational Christianity. This is one of the major reasons for the many troubles of CAN. (See Hag. 2:6-7, 20:22, & Hag 1:8).
5. The issue of the Throne of David in Nigeria is not just about good government and the wellbeing of the people and nation. It is connected to the end-time purposes of God. Without raising a new foundation of righteousness and justice, the nation will not be able to fulfil its calling and ordination of being a missionary nation that will preach the Gospel of the Kingdom to the nations before the Lord's return in glory
6. There are Ancient kingdoms in Nigeria that are in alignment with foreign interests opposed to the emergence of the Throne of David. This is the major issue that the Lord wants to confront in the proposed 2019 election. The Lord wants to stop and reverse the negative occult cycles that are programmed by the British Throne into the nation's political cycle since independence. (See our Book, God's Eternal Plan for Nigeria).
7. The Lord has placed strength in the Middle Belt area of Nigeria to defeat this ancient kingdom and save the nation from its grip.
8. God is calling the Church to support the Ancient Altars that the Lord raised in the Middle Belt as an act of His mercy to the nation. (These Ancient Altars are still resident in some form in Churches like TECAN and ECWA). God has ordained a Revival to start in the Middle Belt area that will rage like wild fire and go up north and save many from the iron grip of the religion of the bond woman. The time for that revival is NOW according to the prophecy given by the fathers especially Pa Elton. (See the Messenger's letter to some denominational leaders published in Part 4 of this series).

PARTY PLATFORMS:

9. APC as a party was hell's idea for Nigeria which came because the Church embraced it without properly seeking the Lord. PDP on the other hand lost her chance of being salvaged and used after her last Congress that was governed largely by Mammon, personal ambition and greed. Heaven's verdict afterwards was that she has not learnt from her afflictions. Those two platforms cannot bring the transition that is in the heart of God for Nigeria.

10. Nigeria as a nation has entered her kingdom age spiritually. That transition was made on **23/9/2017** at the Eastern gate. Because of this, unrighteousness and idolatry will no longer flourish in the nation. This transition should manifest in the political sphere in the restructuring of the nation with a just constitution. Heaven has lined up some things to ensure that this reality manifests.

4 WAYS HEAVEN CAN DEAL WITH NIGERIA:

- a) The Electoral Process that will result in electing God's choice for the Throne who will do righteousness and justice to all nationalities that God sovereignly placed in our nation.
- b) A military coup that will be very bloody.
- c) Occupation of the nation by an Allien Army.
- d) Uncommon Natural disasters that will bring the nation to its knees.

The Lord counsels the nation to pray fervently for the electoral process to produce an outcome that will be acceptable to heaven.

11. If the Remnant Church rises up in prayer and united action, God can use the electoral process to bring about seamless transition that will cause less pain.

The Lord has prepared a **Transition Platform** and an **Anointed Man** (a vehicle) that can lead into this transition. Thus saith the Lord: *Nigerians will do well to co-operate with Me to use the electoral process to bring the desired rebirth otherwise the consequences will be dire, because I am poised to fight for Nigeria.*

The Logo of the platform approved by heaven as a Transitional Platform has a horse in it that is prepared for Battle. (See the Messenger's open vision of 30-5-18 quoted in Part 3 of the series. See also Rev.19:11-21 for the significance of the Horse).

The anointed Transition Vehicle was revealed to the Messenger. As a neutral servant of God, I do not think it is prudent to mention the person revealed. However, we are liberty to share with those who ask in good faith through Text, Whatsapp or Email.

12. The believing and obedient Church should pray for the Eastern Gate (The Igbo Nation and South/south axis). Rv.22:7: *In my original design for the Gospel, a new phase has come for the Prophetic/Apostolic Church that will lead in the preaching of the Gospel of the Kingdom. My hand is upon the Eastern Gate to lead in this phase and if the East does not arise, Nigeria will remain stagnant and Africa will suffer and the world will increase in darkness.*

It is wisdom to pray and support the East to arise because that is My order. (See Num.10:5,14; Is.41:2; Ezk.43:1-4; Ezk.47:1-7; Gen.2:8;Rev.22:1-3).

A SPECIAL APPEAL:

The Lord often said to me that **revelation brings responsibility.**

*For as many as have sinned without law shall also perish without law: and as many as have sinned in the law shall be judged by the law; **13** (For not the hearers of the law [are] just before God, but the doers of the law shall be justified (Rom.2:12-13).*

The judgments of God are according to the measure of light He has given to us.

The Lord has given 3 assignments to Team Messenger to do some things at this time on behalf of the nation that requires your prayers, financial support and help.

- 1) Publication of a **Special Edition of Messenger Magazine** that will provide light and guidance to Nigerians towards the 2019 election. The target we have in mind is August 2018. It must not be said that Nigerians did not know the mind of God after the light it has please the Lord to give us - unknown but committed vessels in the Lord's hand. The estimates are in the millions but giving to the things of God is also according to capacity.
- 2) Re-Printing of the Third up-dated Edition of our Prophetic Book, **God's Eternal Plan for Nigeria**. Our Book, God's Eternal Plan for Nigeria has been described as one of the most important books about Nigeria in this decade.
You don't know the measure of sacrifice that went into the writing and publication of that Book and what we have gone through after. For example, some evil people placed the Book in an evil altar and made evil decrees that the prophecies contained in the book will not be fulfilled so that the vessel will be tagged a false prophet so that the people will not have hope. But the Lord revealed it to their shame and destruction if they do not repent. Nigerians need to know what God has said about the nation. You can help so that we reprint in quantities that will bring the cost price down. If you are into publishing and can help or you have the required resources, we are willing to partner with you to give obedience in this regard for the benefit of our nation. This book is needed now.
- 3) **THE PLATEAU PRAYER PROJECT:**
The mandate of the Lord to us in this season is to revisit the Ancient Altars that the Lord raised in the Middle Belt to ensure that the Praying Remnant is not deported from the land which is a major plank of the

assault. Our initial outreach is Prophetic and Governmental Intercession for the land that has started but will increase in intensity towards the later part of this year and into 2019 and beyond.

The Project we are doing will involve giving grants and soft loans to credible Intercessors and genuine Christians especially women to find alternative means of survival so that they can remain in the Plateau and continue holding up the light. Our short term goal is to raise N10M for this purpose that will be disbursed immediately to start the first phase of the project. Our total estimate is N30M, but we will do it in phases. This is the current need of the kingdom and we encourage you to give towards this. The Code Name for the Project is: **PLATEAU PRAYER PROJECT (P.P.P.)**.
