

LOWERING THE PLUMMET - **BABYLON HAS FALLEN!**

PART 7 OF 7:

I bring you greetings from the Revival Altar, in the Name of JEHOVAH OF HOSTS, **The ANCIENT OF DAYS, THE ONE WHO INHABITS ETERNITY.**

In this final part of the series that the Lord commanded us to write to the Church and the Nation, I have chosen to address the people of the Eastern Gate (The South East and South/ south States) but especially the Igbo nation. In addressing the Eastern Gate, I will also be appealing to all men of understanding in the nation to see the peculiar position of the Eastern Gate from the lens of God and stand with them in prayer and action at this time for the sake of the nation.

Yet, this is not a choice that proceeds out of my will. I believe the Lord is guiding me to end this series by speaking once again to the people of the East.

Those that are close to us know that the central focus of our live and ministry is to do the will of God and see His purpose and counsel established. We do not have any personal agenda or ambitious ministry plan to pursue. We are neutral, apolitical, on the Lord's side and therefore when we speak to any section of the country it is because the Lord bids us speak to them.

Let me start by relating a dream experience I had at the tail end of the visitation of the Lord from May 25, 2018 that resulted in writing the present series.

@3-6-18 12.05am.

DREAM EXPERIENCE:

I had a dream of a kind of New world where the wicked were on the verge of almost defacing everything the Lord has created.

Inside that dream, It was as if a commentary was going on explaining what I was dreaming. The commentary said:

That is part of the strategy of the Illuminati and New age to re-create things that will not bear the Image of God (See Gen.1:26-28, Gen.6:1-5, Lk.17:26).

They have gained ground in Nigeria and would have totally succeeded if not for Intercession and the mercy of God.

They have given us a sub-human P..... whose mind is remote controlled from UK and Saudi Arabia.

Only Sons of God can deal with these sub humans.

They were working in different states of America and different nations of the world to achieve that.

In the dream, the whole world looked like a global village and I was granted a panoramic view to observe all that were happening in different parts of the world.

Donald Trump stood as god of some sort of immense stature and was giving support to nations that were organizing to resist the sub-humans.

THUS SAITH THE LORD:

Mankind has been put into a sleep of death and automation to function as Zombies. The Church that was My agency to stop them got into a deeper slumber, not even aware of the things that has been released on the nations through wrong science.

People are programmed to act in a certain way and to accept pre-determined belief systems.

That is one way I.. (the religion of the bond woman) functions through programmed occultism. Only a spiritual Church that is growing in their Priesthood and towering into the heavens can stop them.

In this regard, the ancient kingdoms are working side by side to achieve the same result. That is the alliance between the Throne of England and the Sultanate Throne.

These people are determined to plant their kings in different nations to make their work of defacing mankind easy through policies especially in the Pharmaceutical and food industry.

That is what future elections especially in strategic nations are about.

Africa was supposed to be the last frontier, but unfortunately, many African nations have been roped in through corruption and greed. They have opened their door to all

kinds of wrong science to big industries championing these things. That is what GMO and some vaccinations are designed to achieve.

Trump slowed them down but Africa must rise. Africa cannot rise without Nigeria rising. **Nigeria will not rise without the Eastern Gate, especially the Igbo nation rising.**

I told you in Page 145 of My Book (GEPFN) that;

YOUR NATION LIKE ISRAEL HAS A DATE TO KEEP WITH ME IN 2017.

You saw me fulfill the date with Israel through Trump's Cyrus declaration on Jerusalem, paving the way for rebuilding the Third (final) physical Temple.

You have been sorrowful, almost losing hope, because of your Interpretation of what you thought did not come to pass.

That has always been the reproach of the prophetic. Sometimes men put them in their own narrow frames waiting to wrongly accuse them, because the Prophetic is the arrow-head of effective strategic warfare against the kingdom of darkness; Satan always has controversies and accusation against them and this is deliberate, to keep them down.

To stir opposition against them so that men will not believe them often to their hurt.

It was like that in the days of John the Baptist.

It was like that in the days of Isaiah. Do you know the reproach he faced when the prophecy of My virgin birth was not fulfilled in his generation and about six generations after?

It was fulfilled in the seventh generation of that word.

It happened in My own days. Do you know the rage I drew when I prophesied about My death in this wise? *Destroy this temple and in three days I will raise it up.*

What I said was true but their interpretation was wrong because they lacked Understanding.

The greatest need of this time is a company of men of understanding like the Issachar Company.

I am raising a bulk of this company from the Eastern Gate to lead the last phase of My work on earth before My return.

This has always been My plan even from before the laying of the foundations of the earth.

This is what I said through My Servant, and Father of My Seventh Day Church in your nation, Even Pa. Elton.

This is what I was talking about when I said *that Your nation like Israel has a date to keep with Me in 2017.*

I was talking about the passing of the Mantle for the leadership of the Seventh Day Church, which is the Kingdom Church from the West to the East. That is **Pa Elton's Mantle.**

My Servant prophesied that I would build a Pastoral Church in the West to gather people for the kingdom work but in the later days, I would build a Prophetic and Apostolic Church on the Eastern Gate.

That transition has taken place.

The baton was passed on 23rd September 2017 as you completed *the South East Solemn Assembly* and blew the Shoffar Seventy times.

That was the announcement I was making that the season has changed.

The Prophetic/ Apostolic Company from the Eastern gate must now lead. The West betrayed that purpose through the role they played and are still playing in sustaining this government of Aliens.

It is idolatry, materialism and blindness that caused them not to see the error of their position, but I will redeem them because of the faithfulness of My servant Babalola who laboured in that land in truth and brought the entire land into Covenant with Me.

Son, the Eastern Gate has been opened, but they must not build a Denominational Church or become a pond.

They must remain a living water and flow in My tide.

That is why obedience is important. If you had not obeyed that commandment, it would not have happened. It would have tarried until I raise me a son that will obey. This is why My purpose carries even when the set time has come.

Explain these things to My son Pastor D.... I raised him as bridge between two generations.

His position is precarious because he has the old wine of Pentecostal Christianity which he must give up to have the New wine otherwise he will lose his place.

He has some tough decisions to make in the coming days but My grace will be available for him to draw from.

You and (personal).

Revival Altar, Lagos !!!

3-6-18.

The only reason I am publishing this word is that the Lord is asking me to publish it. I have chosen to obey the Lord even at the risk of being misunderstood and labelled.

I have more burden to pray for the West than for the East. I live in the West, love the West and the West have been a blessing to me for which I am deeply grateful. But yet, the Lord is asking me to speak to the West to stand on His side at this time so that His purpose for the nation can be preserved. I will be speaking to the West in a Special Edition of the Messenger Magazine that we are putting together with 2019 in view.

WORD FOR THE LEADERS OF THE EAST:

I am an Igbo man from the East of Nigeria. However, as a servant of the Lord and a Prophet He has set over the nation I am learning daily to rise above my tribal and personal preferences so that I can be a worthier vessel in the hands of the Lord. I will therefore speak to the East, not as an Easterner but as a servant of God.

I have some measure of liberty in talking more freely with my brethren from this part of the nation because no one can claim that I love my own people less. I do love you and pray earnestly to the Lord that you can see the responsibility that is attached to your unique position and placement in Nigeria.

For an ethnic nationality to fulfill its calling and ordination ultimately, there are four questions it must resolve otherwise it will be lost. These are the issues that now stare you in the face.

- i. Origin and Identity.
- ii. Calling and Ordination.
- iii. Setbacks and present state of that nationality.
- iv. The Solution to its crisis.

The matter at hand does not permit a treatise or detailed consideration but like I said from the beginning, I will not avoid any issue or seek to be politically correct. I speak as one that is ordained by the Lord to speak at this time.

ORIGIN AND IDENTITY: It is proven beyond doubt that Igbos have the same Hebrew ancestry as the Jews. They inherit the same covenant of Abraham the Hebrew (Gen.14:13) with its blessings for obedience and curses for rebellion and disobedience. It would appear that our colonial master's knew this and this partly explains the method they employed in dealing with the Igbos.

I often hear my brethren take pride in their Hebrew origin without as much as take cognizance of its enormous consequences and implication. The national calling of Abraham and his descendants is captured in the words of the Ancient Prophet Isaiah in

describing the ministry and ordination of the foremost Hebrew, **Yahushua Hamashiach**:

*CALLING AND ORDINATION: And he said, It is a light thing that thou shouldest be my servant to raise up the tribes of Jacob, and to restore the preserved of Israel: I will also give thee **for a light to the Gentiles**, that thou mayest be my salvation unto the end of the earth (Is.49:6).*

Historical Israel is an example of how God deals with covenant nations when they fail in this divine ordination of being light to nations where they have been divinely placed for this sole purpose.

God will normally use the Northern Army to deal with His people even though He will later judge that army for their excesses.

The missionary nature of the Igbo nation has its origin in this Abrahamic gene. If this is so, then the pertinent question for us to answer is how effective has been our witness to other nations of the reality of God? How about our idolatry, fraudulent trade practices, prostitution and organized crime all in pursuit of money? Why must somebody like Evans the Kidnapper be an Igbo man? What about the drug barons and fraudsters?

Igbos must NEVER lose sight of the God factor in trying to find solution to the Nigerian challenge. Fighting in the flesh will be an exercise in futility because the problems we think we have as a nation are nothing but what the God of Heaven has allowed to get the attention of our prideful hearts to the fact that we are violating the very covenant that is the source of the blessings we enjoy as a people.

The bitter truth is that the Amelikites are not the issue. If we get it right with the Lord in the place of genuine repentance in this season, the sovereign hands of God will fix the Amelikite question. This is nothing before the God of the Heavens and the earth.

THE PRESENT STATE: The present state of the Igbos is mainly as a result of the failure in being faithful to the Covenant. Let us consider just an aspect of the words of the Covenant:

Keep therefore the words of this covenant, and do them, that ye may prosper in all that ye do.

Ye stand this day all of you before Jehovah your God; your heads, your tribes, your elders, and your officers, even all the men of Israel, your little ones, your wives, and thy sojourner that is in the midst of thy camps, from the hewer of thy wood unto the drawer of thy water; that thou mayest enter into the covenant of Jehovah thy God, and into his oath, which Jehovah thy God maketh with thee this day; that he may establish thee this day unto himself for a people, and that he may be unto thee a God, as he spake unto thee, and as he sware unto thy fathers, to Abraham, to Isaac,

and to Jacob.

Neither with you only do I make this covenant and this oath, but with him that standeth here with us this day before Jehovah our God, and also with him that is not here with us this day

(for ye know how we dwelt in the land of Egypt, and how we came through the midst of the nations through which ye passed; and ye have seen their abominations, and their idols, wood and stone, silver and gold, which were among them); lest there should be among you man, or woman, or family, or tribe, whose heart turneth away this day from Jehovah our God, to go to serve the gods of those nations; lest there should be among you a root that beareth gall and wormwood; and it come to pass, when he heareth the words of this curse, that he bless himself in his heart, saying, I shall have peace, though I walk in the stubbornness of my heart, to destroy the moist with the dry.

Jehovah will not pardon him, but then the anger of Jehovah and his jealousy will smoke against that man, and all the curse that is written in this book shall lie upon him, and Jehovah will blot out his name from under heaven.

And Jehovah will set him apart unto evil out of all the tribes of Israel, according to all the curses of the covenant that is written in this book of the law.

And the generation to come, your children that shall rise up after you, and the foreigner that shall come from a far land, shall say, when they see the plagues of that land, and the sicknesses wherewith Jehovah hath made it sick; and that the whole land thereof is brimstone, and salt, and a burning, that it is not sown, nor beareth, nor any grass groweth therein, like the overthrow of Sodom and Gomorrah, Admah and Zeboiim, which Jehovah overthrew in his anger, and in his wrath: even all the nations shall say, Wherefore hath Jehovah done thus unto this land? what meaneth the heat of this great anger?

Then men shall say, Because they forsook the covenant of Jehovah, the God of their fathers, which he made with them when he brought them forth out of the land of Egypt, and went and served other gods, and worshipped them, gods that they knew not, and that he had not given unto them:

therefore the anger of Jehovah was kindled against this land, to bring upon it all the curse that is written in this book; and Jehovah rooted them out of their land in anger, and in wrath, and in great indignation, and cast them into another land, as at this day.

The secret things belong unto Jehovah our God; but the things that are revealed belong unto us and to our children forever, that we may do all the words of this law (Deut.29:9-29).

Jehovah will bring a nation against thee from far, from the end of the earth, as the eagle flieth; a nation whose tongue thou shalt not understand; a nation of fierce countenance, that shall not regard the person of the old, nor show favor to the young, and shall eat the fruit of thy cattle, and the fruit of thy ground, until thou be destroyed; that also shall not leave thee grain, new wine, or oil, the increase of thy

cattle, or the young of thy flock, until they have caused thee to perish. And they shall besiege thee in all thy gates, until thy high and fortified walls come down, wherein thou trustedst, throughout all thy land; and they shall besiege thee in all thy gates throughout all thy land, which Jehovah thy God hath given thee (Deut.28:49-58).

THE SOLUTION TO ITS CRISIS:

Igbos like all Hebrews are a stiff-necked people. Believing a lot in itself and in its strength. Only two options are open in the matter of Igbo restoration as a way out.

Option A: To rely on your strength as you have always done, and the way you did in 1966/67.

Option B: To lay down your strength and depend on the Lord, who is a just judge to fight for you.

In talking about Biafra, we want to make a clear distinction between the operation of hell as described in Rev.16:13-14 and the human vehicles involved in different destabilizing schemes.

We have nothing against the human vehicles. We consider all human beings candidates of salvation and possessing a great destiny in Christ.

But we are against the spirits raised from hell that are speaking in camouflage.

We also want to make a clear separation of issues to minimize the possibility of being misunderstood.

If Biafra is a wakeup call on the nation to address its unjust foundation, then it could be said that all people of righteousness and justice in Nigeria are Biafrans.

But if it is a call to secede, or rebel against a nation that the sovereign Lord, JEHOVAH established for His end-time purposes then we say without equivocation that we are on the side of God and it shall not prosper.

I speak now to you my brethren as a Prophet and I speak on behalf of the Lord to you.

During Passover eve in 2017, precisely on 9th April, I had a unique experience where I was taken to heaven. I was brought in the vision's of God to an oval shaped auditorium where people were already seated waiting for a speaker to address the Church in Heaven (Heb.12:22-24).

My attention was drawn to a section with a banner that read African Section. Seated on the front row of that Assembly were some dignitaries but it was granted to me to identify two people. On the left seat was the Yoruba Prophet, Bro Ayo Babalola. On the right side was the Apostle to Nigeria and Africa, Pa Elton. The seat in between them was vacant. At exactly 11.53am earthly time UCT West Africa, the English man

and world recognized bible teacher, Derek Prince walked into the auditorium and greeted the two elders.

As was his manner while he yet sojourned on earth he mounted the rostrum by 12,0'clock in the forenoon, UCT West Africa and started speaking.

Let me mentioned eight things that he said that is of importance to Africa and humanity in this season before narrowing it down to Nigeria in general, and the Igbo race in particular.

DEREK PRINCE'S MESSAGE TO AFRICA:

In that experience, I was given what looked like a laptop that had divine intelligence and asked to record what he had to say and publish it to Africa as I would be directed. I am still processing some of the things I heard but I feel led to share these eight things:

EIGHT THINGS THAT DEREK PRINCE SAID ABOUT AFRICA AND NIGERIA:

- 1) Derek Prince was called an Apostle to Africa and United States. He had a message for Africa, but because Africa was not ready for the message he focused on America because he had to redeem time. The time is now ripe for Africa to receive that message to enable it complete its assignment of being the last leg of the gospel marathon before the Lord's return.
- 2) Africa was the subject of an ancient occult conspiracy. That conspiracy had legal foundations in the transaction that Nimrod, an African and first monarch and kingdom builder did to exchange Africa's glory for fake worship. For this reason, all cults on earth derive their origin from the worship of Nimrod who became a son to satan through the mystery of iniquity.
- 3) Because of this transaction, Africa's waters are polluted as colonies of fallen angels took residence in these waters (See Nah.2:6-7; Nah.3:4). There is an imperative on Africa to have a matured Priesthood that is able to deal with the many Pharaohs that has been raised through this mystery of Nimrod.

Nimrod temporarily traded the glory of Africa for the fading opulence of the present age whose prince is satan. The present world system can NEVER favour Africa. Africa must look up to Me for systems from My Throne that will drive the next age. Africa must look up to Me for good science to replace the bad science controlled by the occult. (Examples of this bad science abound in Food

Technology; Agriculture and the Pharmaceutical Industry which has become merchants of death).

- 4) Africa's only hope to prevail is for the Priesthood to return to the true word of God. This is the only basis for their blessing. This will also mean going back to scripture with an open mind so that we can receive a revelation of some truths that has been obscured by religion.
- 5) Africa should return to the pure form of agriculture that God gave them (See Gen.1:29). Africa is the Lord's garden. There is an attempt to pollute that garden by the occult and new age groups and our compromised and inexperienced governments are making it easy for them.
- 6) The darkness in Africa that translates to inability to solve the power problem in spite of enormous resources is deliberate. Africa can profit if it pursues solar technology as a means of resolving the perennial power problem. Help will not come from the West.
- 7) **The Lord is rearing again the garden of the East.** It is for the profiting of the Nigerian nation and those who oppose it do not have light. Pray that light will flood their heart.
- 8) Derek pointed the messenger to what he called the tectonic lines that dictate end-time occultic events followed by the New Age movement and other occult groups. Map of this ancient tectonic line can be viewed from our website.

This is what Derek Prince said to the Messenger:

The pattern of heaven was distorted by Nimrod during the scramble for Africa. He sold African leadership in knowledge and technology and exchanged it for vain and deceitful worship and distorted the golden wisdom and leadership originally given to Africa. The knowledge became distorted bringing about death and darkness that resulted in the Pyramids that now empowers occultism in the world and which is now domiciled in the West chiefly America in a tectonic line that starts from San Francisco USA, It goes through several cities namely Colorado, Tulsa, Little Rock Arkansas (source of Bill and Hilary's demonic mantle), Colombia, it goes across the Atlantic through Morocco, Libya (Ghaddafi's Mantle) up to Egypt.

It goes downward from Egypt and passes through Chad and Niger and enters Nigeria. In Nigeria, it passes through kano (D.....'s demonic mantle), Zaria, Ogbomoso and then Lagos, Unilag area confluence (That produced a toga that influences governance

negatively in these areas). From there it goes up again in a triangular formation to Ghana, Cote d'Ivoire and Guinea and goes upward through Bahamas, enters America again through New Orleans, Texas, Phoenix, Las Vegas, California and terminates at the same point of origin in San Francisco.

In view, this Tectonic line looks like a hawk which is the principle followed in inventing the Toma Hawk cruise missile of the Americans.

This is the TECTONIC LINES THAT DICTATE ENDTIME OCCULTIC EVENTS. This is followed by the New Age Movement and other such movements. This tectonic line played out in the Clash Between Trump and Clinton.

If only you know the extent of hell's involvement in the last American election that nearly threw up a continental witch as President of the most influential nation on earth today.

Received @ 12.44Pm Earthly Time, during Derek's Address. Venue on Earth: Revival Altar, 9-4-17.

Concluding, He said that the world now awaits for Nigeria to enter into it's divine calling and ordination. To do that, Nigeria needs a **Priesthood of sons** to be able to deal with the conspiracy of the ancient kingdoms against Africa.

For Nigeria to get into shape, God's option A is to restore the Hebrew Igbos of the Covenant of Abraham, raise from among them firstly a righteous Priesthood with a proper understanding and rooting in The Gospel of The Kingdom, and then a righteous leader in the mold of David through whom He will establish the Davidic Throne in Nigeria and preserve the Nigerian nation for the millennial reign of Christ.

If you my brethren say that you are of Hebrew origin as I know you are both from revelation and from reliable historical records, then you must learn from historical Israel. The lessons are preserved in the bible. Whenever Israel sinned against God by going into idolatry and wickedness, God's answer has always been to send the northern tribe against them as a **rod of judgment**.

O Assyrian, the rod of mine anger, and the staff in their hand is mine indignation. I will send him against an hypocritical nation, and against the people of my wrath will I give him a charge, to take the spoil, and to take the prey, and to tread them down like the mire of the streets (Is. 10:5-6).

If they repent, God will deal with the enemy and resolve the issues.

If you go in self-will and pursue the issue of Biafra, you will get results worse than the 1967 results simply because you will be acting in rebellion against God and He will not be with you. This is supposed to be a season of Jubilee for the Igbos and by extension Nigeria but hell is conspiring with an alien army to make it a season of bloodshed. O

that you would have light and understand that we are in **the era of God** and human strength will not help your course.

I counsel you to repent, return and await the Lord's intervention.

The God of Heaven had a date to keep with Israel and Nigeria in 2017 as I prophesied in God's Eternal Plan for Nigeria. The Lord kept that date by causing a Church shift from the West to the East. Soon you will begin to see the signs of God's intervention on the nation but you must be on the Lord's side.

Abia State and Anambra State are very important for the East to enter into the fullness of God's provision. If there are godly elders in these two states, they will do well to address the controversy of the Lord with these two states that affect the Igbo nation. You may see Page 103 to 114 of our Book, God's Eternal Plan for Nigeria for guidance. May the Lord grant it to you to be on His side in this matter.

Part of Derek Prince's address in heaven was a reference to Isaiah 19 and the consequences of idolatry. The God of Heaven is addressing the issue of Nimrod, and will not deal lightly with any person that seeks to re-enact that Altar, not to talk of re-inventing it in a place that God desires to use.

Finally, I will not leave this section without sharing a unique aspect of this encounter in Heaven. At a stage, I was shown the maps of the existing 54 or so African nations and another 8 that has not manifested on earth as nation states. I did not see the map of Biafra in any of the 62 or so nation states that the Lord pre-ordained for Africa. I speak the truth before the Lord. I lie not as I am under His restraint.

A word is enough for the wise.

UNDERSTANDING THE EASTERN GATE:

Why is it that the Eastern gate in most nations is always a place of conflict? Why is the Middle East the most troubled spot on the face of the earth today?

Why does the sun rise from the East before it can set in the West?

I never gave much thought to this until we obeyed the Lord's voice to do what He commanded us to do to deal with the resurgence of Biafra.

The Lord asked us to go to all the places the Biafra proponents have gone to make cases for Biafra to hold Solemn Assemblies to offer Him repentance for the fresh wave of rebellion against His purpose. We had to go to the five Eastern States to hold Solemn Assemblies to repent and bring the word of God to pastors, traditional and political leaders and the people.

While in the middle of that assignment, the Lord began to teach us about the importance of the Eastern Gate.

I want to say this before I share what the Lord taught us:

Even though it is the will of God for Nigeria to arise at this time and lead the emancipation of Africa, **Nigeria will NEVER enter into her destiny as a nation until it does justice to the East, and by this I mean the Igbo nation and the people of the South-south.**

I want to share seven things the Lord taught me about the importance of the Eastern Gate and the Igbo nation.

1. The Eastern Gate is a governmental position from which God orders events on the earth. It is a gate of authority and command.
When the Israelites were moving from Egypt to Canaan, God told Moses to camp the tribes following the pattern of His throne. The twelve tribes camped in threes on the four sides of the throne, such that the tribes of Judah, Issachar and Zebulun were encamped on the Eastern side.
The Lord then commanded Moses that the Eastern side of the camp must always match forward first:
*When ye blow an alarm, then **the camps that lie on the east parts shall go forward.***
In the first place went the standard of the camp of the children of Judah according to their armies: and over his host was Nahshon the son of Amminadab (Num. 10: 5,14).
2. The original rebellion in heaven happened at the Eastern Gate. For this reason, the Eastern Gate is always susceptible to rebellion and manipulation because satan knows that it is a gate of control and government.
If you study scriptures like Revelation 4, Exodus 25 and others, you will see that the approach to Jehovah is guarded by four Arch Angeles described as the living creatures. One had the face of a man, another a lion, the other a calf and the other an eagle. It would appear that Lucifer was originally in charge of the Eastern Gate from where He commanded the choir that welcomed Jehovah when He appeared among the host. After his fall, the Eastern approach was manned by another living creature and also the sword that represented the word of God (See Gen.3:223-24).

See also Is.14:12-14; Ez. 28:13-18; Ex. 25:9, 19-20
3. Adam was originally placed on the Eastern side of the garden and he fell from there.
And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul.
And the LORD God planted a garden eastward in Eden; and there he put the man whom he had formed (Gen 2: 7 -8).
4. When God wants to bring revival, healing and restoration He comes through the Eastern Gate.

*Afterward he brought me to the gate, even **the gate that looketh toward the east**:*

And, behold, the glory of the God of Israel came from the way of the east: and his voice was like a noise of many waters: and the earth shined with his glory. And it was according to the appearance of the vision which I saw, even according to the vision that I saw when I came to destroy the city: and the visions were like the vision that I saw by the river Chebar; and I fell upon my face.

And the glory of the LORD came into the house by the way of the gate whose prospect is toward the east (Ez 43: 1- 4).

Then said he unto me, These waters issue out toward the east country, and go down into the desert, and go into the sea: which being brought forth into the sea, the waters shall be healed (Ez 47:8).

5. A revival will arise from the East of Nigeria that will touch every part of Nigeria and cause a shift from the era of darkness and corruption into a new era of light and glory. Nigeria is on the verge of that revival. The fathers especially Pa Elton spoke about this and the time has come for the fulfilment. See page of the Messenger.
6. The East holds the key to the unity of Nigeria. There is no part of Nigeria or indeed the world that you travel to where you will not see an Igbo man. The Igbo were wired like that because they were supposed to be missionaries on behalf of Jehovah to the nations. In the past, Mammon had hindered them from fulfilling this calling but the Lord is changing the tides. The hand of God will come on many Easterners held in prison in different parts of Nigeria and the world and they will be witnesses for Him starting from the place of their captivity.
7. The Lord will raise a David from the Eastern Gate, a man of covenant and righteousness through whom He will rebuild Nigeria.
*Who raised up **the righteous man from the east**, called him to his foot, gave the nations before him, and made him rule over kings? he gave them as the dust to his sword, and as driven stubble to his bow (Is. 41: 2).*

Beloved, I do not make these statements lightly or from any tribal perspective. As a servant of God and a prophet by calling, I have, by the mercies of God, risen above tribal leanings. One of the first lessons the Lord taught me in strategic intercession is to come to the place of neutrality. I have no position of my own until I have known where the Lord is standing in a matter, then I stand behind Him.

The greatest mistake we make as intercessors is to take a position and then ask God to support our narrow positions.

This is foolishness because as human beings we are severely limited. We do not see the whole angle to issues and we do not have the complete information.

Let me end this message by saying this. The conflicts that are happening in different parts of the world today are not primarily engineered by satan though sometimes he can take advantage. God is the one shaking the nations to cause them to determine their eternal destinies.

It is written in the Book of Haggai:

For thus saith the LORD of hosts; Yet once, it is a little while, and I will shake the heavens, and the earth, and the sea, and the dry land; And I will shake all nations, and the desire of all nations shall come: and I will fill this house with glory, saith the LORD of hosts (Hag. 2: 6-7).

The purpose of those shakings is to cause the nations to choose between the throne of Nimrod, which represents the order of this present age of Iniquity and the Throne of David which is the model of God's eternal throne.

By sovereign election and calling, Nigeria is called to model the throne of David whose foundation is righteousness and justice.

We must pay the price in prayers and action to ensure that we respond to the Lord's grace because the nations of the world will be divided into two broad categories before the Lord's return (See Matt.25:31-34, 41, 46):

Sheep nations will transit into the millennium where they will find space in the new kingdom of Christ.

Goat nations will be removed from the earth through a change in geography that is imminent. That is simply what the Psalmist was saying in Psalm 9:

The wicked shall be turned into hell, and all the nations that forget God (Ps. 9: 17).

God is looking towards the East again for the sake of His purpose. People of understanding should support the East now, pray for them to rise up and do justice the East. The rising of the East will indeed be the rising of Nigeria and the advancement of Africa.

Nigeria was sold in the East, and will be redeemed from the East.

What is at stake cannot be put inside the narrow frame of tribalism and tribal sentiments.

God is calling us to prayer and strategic intercession especially in the month of September 2018.

If we pray effectively during this season, the issue of 2019 can be settled in prayer this year because the Lord will intervene and change the calculations.

May the Lord grant it to us to do the needful.

Shalom!
