MARCH 2019 NEWSLETTER - CONVERSATIONS WITH BOB JONES PART I

Today I want to highlight two scriptures as a background to what I want to share:

Having made known unto us the mystery of his will, according to his good pleasure which he hath purposed in himself: ¹⁰ That in the dispensation of the fulness of times he might gather together in one all things in Christ, both which are in heaven, and which are on earth; [even] in him (Eph.1:9-10)

But ye are come unto mount Sion, and unto the city of the living God, the heavenly Jerusalem, and to an innumerable company of angels, ²³ To the general assembly and church of the firstborn, which are written in heaven, and to God the Judge of all, and to the spirits of just men made perfect, ⁶ ²⁴ And to Jesus the mediator of the new covenant, and to the blood of sprinkling, that speaketh better things than [that of] Abel (Heb.12:22-24).

These two scriptures are talking about the amalgamation of heavens and earth that will happen in the end-times.

One of the things that will happen a lot in the end times is that the veil that separates the heavens and the earth is going to become thinner and thinner.

This amalgamation was foreshadowed in the Old Covenant in the 32nd Chapter of the Book of Genesis.

Jacob was getting ready to confront Esau his brother and he came to a place in Mahanneim when he met an Angelic company from another realm:

And Jacob went on his way, and the angels of God met him. ² And when Jacob saw them, he said, This [is] God's host: and he called the name of that place Mahanaim.

As the season comes for the sons of God to begin to emerge in the nations the Lord is releasing to maturing Saints the Ancient mantles.

One way the Lord will do this is to send to the earth again Saints that have gone ahead to the glory realm to come and share their experience with living Saints.

As they interact in light, their spirit are going to mingle and we are going to see Saints on earth that are functioning in the authority of the ancient mantles:

⁵ Behold, I will send you Elijah the prophet before the coming of the great and dreadful day of the LORD (Mal.4:5)

Last year, the Lord sent to me one of the most accurate Prophets of the twenty first century, the American Bob Jones.

I have a release today to share my conversations with him.
Today, I bring you part 1.

Part 2 will follow sometime next week as we prepare for Passover.
There are lessons to draw from the conversations we had. Pray further into it and may the Lord give you light.
In Christ,

CONVERSATIONS WITH **BOB JONES**:

@ 6.30AM. 3-12-18 (BOAT RETREAT, BOAT TOWERS IKEJA)

Earlier as we closed the night/ morning session on 2-12-18, Bro Benjamin had observed that as he gazed at my face it was looking like that of Bob Jones. Daddy observed that may be the Lord wanted to send Bob Jones to pass his mantle and I quickly received it.

Baba Aladiran made a joke that in that case, my trousers had to change to jump up and I quickly folded my jean trouser upwards. It looked like a joke, but I believe that it sent a signal to heaven of eagerness.

I returned to my room around 3am, anointed a chair and placed it beside my chair and prayed a simple prayer. I asked the Lord that since we are witnessing the amalgamation of heaven and earth (Eph.1:10), if it pleased him to send Bob Jones to me that I was ready to receive him. I slept off and then ...~~n.

Rv.1:7: I woke up around 6:27am, having slept around 3.30am.

As I lay in bed struggling whether to go back to bed or rise up, Bob Jones says to me:

I wake up every morning by 5am even if I sleep by 4 am. I did that for more than 37 years. It is a Covenant.

Rv.1:7: Good morning Bro. Bob, I receive you this morning with joy. I am glad that the Lord sent you to come in response to my prayers, and encouragement of my Father, Bro. John AdejoroOluwa. I thank the Lord for sending you and also for the price you paid (during your earthly sojourn)

What is the first thing you did when you wake up?

Bob: I say good morning to the Father, The Son and the Holy Spirit because I want to experience the Godhead uniquely, in unity and also individually every day.

This is important if you are to function in the fullness of the prophetic mantle.

Isaac: Okay. Good morning Father, Good morning Son; Good morning Holy Spirit: Lord, I want to experience you uniquely today individually as the Father, The Son and the Holy Spirit. I also want to experience you in unity as the One True God, Jehovah of Hosts.

Bob: Having done that, then I go straight to the word. I sleep everyday with the Word and before I sleep, I thank the Lord especially the Son for the Word, because He is the Word.

I thank Him for the Manna of the present day, and having done that I ask ahead for the manna of the next day.

If you begin to do that, you will soon find out that you will be waking up each morning with the word because the prophetic mantle is actually about testifying to the world (your generation) about Jesus, our Lord, who is the living word of God.

THE PROPHETIC MANTLES:

The prophetic mantles have their fullness in Christ. He is the Prophet of prophets, and Father of the Prophets.

It is important to know this and to keep this in mind.

Then these mantles were expressed in the earth by seven different Prophets over seven generations by different men (Mantles) who are prophetic fathers or elders and pillars.

These men are:

1. Enoch: > Isaiah > Ezekiel >>> Bob
2. Jacob:
3. Moses:
4. Elijah: > Jeremiah > Daniel >>> Babalola
5. Samuel:
6. David:
7. John: Prophet of Transition

These are the seven expressions of the fatherhood of the prophetic mantle.

Every other mantle has it's root in them.

Of course the fullness of it rested in our Lord Jesus Christ, but they were expressed through these chosen men, over the ages.

Every prophetic mantle has it's root in these men and can be traced through them back to our Lord Jesus Christ.

It is important to keep this in mind and to know it's implications if you are to function in and dwell in the fullness of the mantle that has been given to you.

Isaac: Thanks for this teaching. I never really saw King David in this light. Why then was he relying on other Prophets like Nathan and others?

Bob: Very good question. It is a central truth that you must imbibe especially your generation that will have the unique privilege of being part of the Army that will close this Age.

Never function alone. Never be a judge in your own cause.

Since he was sitted as a mighty king over Israel, the chosen people of God (YAHWEH), it would be presumptuous and dangerous for him to prophesy to himself and then also act on his prophesy as King and judge of Israel.

Power is dangerous if carried in this way.

His prophetic mantle was displayed in his battles and wars.

He was a warrior king and he took territories and recovered territories for the kingdom.

Prophets are warriors and kings in a way. They are the commanders and generals of the Lord's Army.

Without them, witchcraft and sorcery, the twin enemies of God on earth cannot be defeated and the kingdoms of this world cannot become the kingdoms of our Lord and of His Christ (Rev.11:15).

These prophetic mantles are given by the Father to our Lord Jesus Christ. They have their root in Him and are traceable back to Him.

The administrator of these mantles is the Holy Spirit.

It is very important to honour the Holy Spirit in all things and to make room for and be conscious of His mood and sensitivity.

Be conscious to create an environment both inwardly and outwardly where He will be free to be active.

He is a sensitive person, shy in a way and He has the tendency to withdraw if the atmosphere is not right for Him.

You need to be sensitive to His sensibilities and sensitivity.

To help you in this regard, **pray this prayer now and every day:**

Dear Holy Spirit. Help me to be sensitive to you and to grow in being sensitive to you.

Help me to begin to like what you like, hate what you hate and to grow in it.

Help me to realise quickly when my actions and inactions are hurting you and to quickly repent and withdraw.

I pray in Jesus' Name, Amen.

Bob: This is where we stop this morning but I am sticking around.

I have been sent to come and teach you some things and to help prepare you for the new phase of your assignment. You have entered a new and important phase and I have been sent along with other Saints to come and teach and help prepare you.

I know there are many questions in your heart and I will answer them.

The Lord Jehovah is full of grace and it is in his heart to equip and prepare you and for this purpose I have been sent.

Isaac: I receive you and pledge to co-operate with you to receive all you have been given for me.
