

## MESSAGE TO THE CHURCH

(Word of the Lord to the Church and the Nations).

Texts: Gen.1, 2, 3; Rv.6:5-6; 16:4-6; 21, 22, Ezk.43-47; Am.8, 9.

We recently returned from a prophetic tour of Anambra state. The thing that made this tour unique is that in the course of our stay in Obosi, Anambra State, the Lord fulfilled a ten year long promise He made to me to give me a word for His body that will mark the beginning of a new season. I believe God I will have opportunity to share other revelations that the Lord graciously granted me when He opened the book of life and allowed me to peep into it. My focus here is to give the word of the Lord Jesus Christ to His body and the nations. It will be both a warning and a prophecy:

**BACKGROUND:** After my dramatic meeting with the Lord in 2002, during which He appeared to me in an encounter that lasted 7 days, He gave me a ministry that involved bringing His word to the nations. Thereafter, He promised to give me a word for His body that will mark the beginning of a new season or the beginning of the end. I have waited and prayed for the fulfillment of this promise with fasting and fervent intercession. I however let it go after a long period when it was bringing frustration and anxiety on the advice of my father in the Lord who assured me that if the Lord made the promise, He will surely fulfill it in His own time.

On 22<sup>nd</sup> February 2012, we finished a night vigil in Lekki, and I lay down at the altar to wait for the break of dawn before departing and something happened. I had barely closed my eyes when I had an experience. Two angels descended from heaven and carried me heavenward by the shoulders. As we approached the outskirts of heaven, the Lord Jesus who was coming from a distance stopped and asked the angels to take me back to earth. At that instance, I was returned to my body.

When I meditated and prayed about this later, I had understanding that it was not about me as a person. The Lord was showing that the Church was not ready for what He had to say. I committed the matter into God's hand and continued to stand in intercession.

**DIRECTION TO GO TO ANAMBRA:** The Lord gave us a burden and mandate to raise Altars of Light for Him in dark places on earth where the chambers of hell are challenging His work. This assignment has taken us to various spots in Nigeria and outside Nigeria. As the time approached for the recently held Anambra state election, the Lord sent us to Anambra state to go and do prophetic work to pay the price for His intervention. The Lord mentioned three spots where we were to go and told us the prophetic action to carry out in each site. The sites were Uke, Aguleri and Awka in that order.

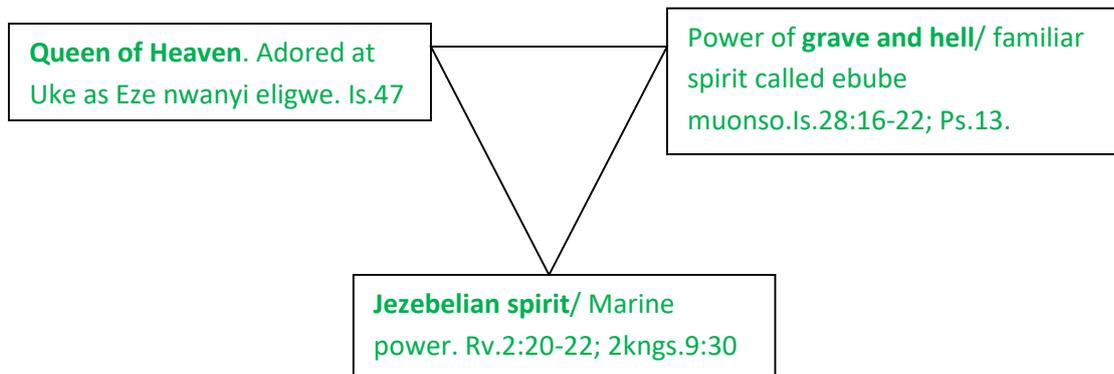

### @ UKE:

We went to Uke and among other things passed through the so called holy ghost adoration ministry run by one Rev. Fr. Obinma. By the way, what they are doing there is pure idolatry but that is not my focus for today. If you are looking for God

and you are going to Uke, just know that you are going there to worship the demons of a triangular altar set up to the queen of heaven, power of grave and hell and a familiar spirit that appears as 'ebube muonso.'

Here is a drawing of the altar at Uke as the Lord revealed it to us:

### TRIANGULAR ALTAR AT UKE, ANAMBRA STATE.

Note: The altar at Uke maintains its strength through a network of altars that yield its strength to the central altar through dedications (of houses, businesses and persons) and devotions.

May the Lord forgive our people for our ignorance after many years of exposure to the word of God! Yes, a ghost does appear at Uke as 'ebube muonso,' but it is not the HOLY SPIRIT. It is as I said a familiar spirit from the pit of hell that casts a religious covering over the people to keep them in perpetual bondage to the many idols of catholicism. We will visit this issue in details later as the Lord enables and gives grace.

@ AGULERI: The Lord commanded us to go to the confluence between the two rivers - Omambala and Ezu rivers. At the confluence, the Lord brought me into the visions of God and I saw the tectonic link between Anambra State, Mt. Carmel in Israel and the Bermuda Triangle around the Bahamas area of North Atlantic. I had understanding about some things as the Lord opened the book of life to me but I want to set in order the aspect relevant to this discourse.

WHY GOD IS INTERESTED IN ANAMBRA STATE: The Lord had often said to us in prayer meetings to pray for Anambra State; that in Anambra state we will see the picture of how He will deal with Nigeria. Also that if Anambra state does not move forward, then Nigeria will not move forward. I believed this being the word of God, but on this journey I had understanding:

It is probable that the people of Aguleri descended from the Israeli Tribe of Gad. Eri, (progenitor of Aguleri and by extension most Igbos) is the fifth son of Gad. At the palace of the traditional ruler of Aguleri, you can still see Jewish inscriptions by the original settlers which Israeli scholars have translated as Shalom in ancient Hebrew. As we went towards the confluence, the spirit of fear attacked us as we noticed a thick covering of darkness and a presence that can only be emitted by a multitude of

demons ganging up in a war formation. The Lord sent us an angel who joined us at the boat and gave us protection. I later understood that the angel the Lord sent to us was King David, as we later conversed. Maybe he came with other angels, but the sweet psalmist of Israel was there and I encountered him.

The whole perimeter of the confluence was defiled by sacrifices both in blood, offering of items and all manner of detestable things. From Amawbia junction to the market in Aguleri, we could count more than a hundred sacrifices to idols in the middle of the road, at road junctions, in groves and witchcraft huts. Remember, it was election period and one of the contestants was from this area. Could it be that the people in their desperation had awakened ancient altars and idols and renewed ancient covenants all in a quest to gain power by all means. Immediately I had understanding that the Lord had brought us to this place to see His controversy with the sons of Gad (Easterners).

This is the understanding I received:

Anambra state and by extension the Igbo race has a missionary calling as Hebrews to reveal God to the nation of Nigeria and Africa. This is consistent with God's call on Israel as a nation and Jewish people in general.

Scriptures reveal the fourfold mandate of the Jewish people:

- i. To witness to the unity of God in the midst of universal idolatry. Is.43:10-12 puts it this way: "You are my witnesses saith the LORD, and my servant whom I have chosen: that ye may know and believe me and understand that I am He: before me there was no god formed neither shall there be after me. I even I, am the Lord and beside me there is no saviour." See also Dt.6:4.
- ii. To reserve, preserve and transmit the scriptures. '...Unto them were committed the oracles of God.' Rom.3:1-2. See also, Dt.4:5-8.
- iii. To illustrate to the nations the blessedness of serving the true God. Dt.33:26-29; 1Chr.17:20-22; Ps.144:15.
- iv. To produce as to his humanity the Messiah. See Gen.3:15, 12:3, 22:18; 2Sam.7:12-16; Is.7:14, 9:6; Matt.1:1; Rom.1:3.

In the dispersion of the nations, God made sure that the Jewish people were dispersed among various nationalities and people groups. (This is the mystery of what is often referred to as the lost tribes of Israel. The tribes were not lost but were sprinkled among the nations so that God will have small clusters of witnesses amidst the idolatry of heathen nations and kingdoms). Thus the judgment of dispersion of His people was a judgment with a redemptive purpose in mind. That purpose was that through the Jews, the other nations would hear about the God of Israel. This purpose resonates throughout scripture in all places where God confronted the nations on account of His people Israel. Many times in the book of Exodus when God was dealing with Pharaoh, He introduced himself as the God of the Hebrews. See for example, Ex.7:16;9:1,13. His purpose was that through His judgments the heathens will know that there is only one true God as opposed to the multitude of gods worshipped by heathen nations. See Ex.7:3-5; Mic.4:5. It is therefore a serious matter before God when Jewish people forget their primary calling and go into idolatry as the Igbo nation has done.

By the time the Gadites migrated from Israel, following God's various judgments, they had learnt idol worship from the descendants of Nimrod and had perfected the art of witchcraft, human sacrifice, sorcery and divination. (See for eg. 1Kngs.12:25-31). This is what they brought to the ancient town of Aguleri, Anambra state; a land that God originally meant to be a blessing to the nation of Nigeria. In the compound of the eze Aguleri, there is still an ancient tree called trinity, which is an object of worship and a place for idolatrous sacrifices. The confluence between ezu and omambala river in Aguleri is one of the darkest spots in Africa as it is within tectonic view of Bermuda Triangle and as such capable of casting satanic shadows over nations through the waters. While I was brought into the visions of God and I saw things from heaven's viewpoint, the Lord asked me what I would call Anambra State. The spontaneous answer that came from my spirit was 'a land of idols.'

This made sense to me because some weeks before the election, The Lord had already spoken to us about Anambra state and the elections (I am attaching this word). The import of His word was that Anambrarians in particular and Igbos in general were not yet seeing his hands, otherwise they would have cried out for true revival, instead of being ensnared by religion, which has become a cover for idolatry and deceit of the most destructive kind.

#### THE DEFENCE MECHANISM OF THE ALTAR AT THE CONFLUENCE:

Upon completing the assignment at the confluence, we planned to go straight to another assignment, but the Lord constrained us to go back to our base in Obosi and pray. We obeyed and returned to base. As we prayed, the Lord revealed to us that the altar we just touched had an in built defense mechanism that was a source of destruction to those who touch it lightly. As we were leaving the grove leading to the confluence, I noticed that something like dust settled over me in the realm of the spirit, but I did not make anything of it. The Lord showed us that the dust was in fact the spirit of lust that settles down on those who search out and deal with the altar, to destroy their ministry and family life. If we had allowed it to take it root, it is possible that one would start having lustful dreams and eventually go into sexual perversion. Could this be the reason why the spirit of religion, lust and promiscuity is so common in the churches in the East?

We are grateful to God that He was by our side and gave us the full measure of His protection.

#### THE WITCHES CONVERGE:

When the gatekeepers of the shrine discerned that we have evaded their defense mechanism, they became desperate and decided that we will not leave Aguleri alive. That night the whole witches in that area converged and attacked us. The battle was set in array and we refused to give sleep to our eyes. Thank God we did not just go on our own, but the Church of God sent us, and we also departed from a living altar. (See Ezk.9:3; Rv.8:5). So it was altar against altar (Ex.17:15-16) and we were NOT afraid. Moreso, the presence of God was there and He arranged us strategically such that without discussing strategy with my brother, we just noticed that when one rested, the other was up and praying and declaring judgments.

### THE LORD DESCENDS:

In the midst of this tense atmosphere, the heavens just opened and the Lord descended. He set His foot in the place where we were praying, and brought me into His visions.

The thing that struck me was that He did not talk or do anything about the intense warfare that was going on. Instead, He reminded me of the promise He made me (ten years previously) to give Me a Word for His body and the nations that would mark a change of season and time. As I meditate about this, it is becoming clear to me that the Lord is NEVER in doubt that His victory over the kingdom of darkness was Total, Decisive and Irreversible. We would do ourselves a lot of good if we also come into this understanding so that we can confidently turn the battle to the gates of the enemy. Col.2:15 puts it this way: "And having spoiled principalities and powers, He made a shew of them openly, triumphing over them in it (the cross)."

When I saw the Lord, what came to me was this Igbo song that says, 'Mam metu, onu uwe gi aka, oga eme ka m di ocha (if only I can touch the hem of your garment, it will make me to be clean). As I started singing the song, the Lord cut me short. He told me we have gone past that stage; that we should be the ones wearing the garment for other needy people to touch, and not pleading for it. He asked me to instead pray that this garment be given to me. Once I started this prayer, an Angel descended from heaven and clothed me with a radiant white garment. Instantaneously, my understanding changed and this was how I was brought into the visions of God.

The revelations He gave me were awesome and mind blowing, but I do not want to blow your mind; At least not yet. I just want to restrict myself to passing a message He gave to His body and our nation Nigeria.

### PREPARE, WE ARE IN THE MIDST OF HIS JUDGMENT AND THE INTENSITY WILL INCREASE IN 2014:

In 2010, the Lord showed us that He would judge our nation Nigeria for a period of seven years starting from 2011. (See my book, The Days of the Black Horse Rider). He was judging our national sins of idolatry, wickedness, shedding of innocent blood, corruption and massive injustice. He asked me to declare this word openly in 2012, and I did so in Abeokuta at the meeting of Women Intercessors International Fellowship (WIIF) where I was invited to speak.

He asked us to publish a warning to twelve selected leaders of the Church that Boko Haram violence and other issues plaguing Nigeria were not accidents, but acts of His judgment against our nation. The Church was failing because it has fallen asleep and lost focus, and as such was indirectly responsible for the state of our nation. I wrote the twelve selected leaders privately and gave them the word of the Lord that they were to send at least three hundred missionaries to the North East as the Lord commanded me. I do not know what they did with the word because I was asked to give the word and I did it prayerfully and with much trembling. He sent us to go and pray and raise altars of light at some flash points in our nation and we did our part of the assignment with much prayer and trembling.

June 2014 would be the middle of this three year period of judgment and I fear and tremble because of what I was shown concerning June 2014 and following:

#### SEEING INTO HEAVEN:

While the Lord brought me into His visions, I saw this scene in heaven. The Lord Jesus had His right hand raised, as if He was restraining somebody who wanted to do something drastic. While His right hand was raised, the person at His back could not move. With His hand still raised He looked down into the earth, and turned His head away because He was not pleased with what He saw.

He did this three times and at the third time His hands dropped and He started walking away weeping. At that time I saw that an angel was at his back with a bowl that contained something he wanted to haul on the earth. While the angel was approaching to haul this bowl on the earth, the vision was taken from me.

When I prayed and meditated about this, the Holy Spirit directed me to Rv.16:4-6. "And the third angel poured out his vial upon the rivers and the fountains of waters, and they became blood. And I had the angel of the waters say, Thou art righteous O Lord, which art, and wast and shall be because thou has judged thus. For they have shed the blood of saints and prophets and thou hast given them blood to drink, for they are worthy."

This scripture struck me because the Lord has been sending us to rivers, oceans, lakes and bodies of waters to go and pray and raise altars unto Him. We have gone to various bodies of waters both within and outside Nigeria in the course of this assignment even up to the sea of Galilee in Israel. Here we were coming out from the confluence of two rivers in Aguleri and the Lord was talking about igniting a judgment by striking the rivers that would result in bloodshed and disaster among the nations.

Could it be that by sending us to these rivers, the Lord was asking us to mark a part for the angels that would execute these judgments so that their strike would be precise and targeted like the guided missiles of the Americans and some advanced nations? I am also aware that the Lord is sending other foot soldiers on these missions so a lot of preparation and care has gone in to minimize collateral damage because of the abundant mercies of God. Also, the Lord has restrained Himself because of the prayers of the saints who are still standing in righteousness in the midst of much idolatry and backsliding.

Hear now the word of the Lord and His judgments:

#### JUDGMENT IN THE CHURCH:

- a) The Lord is bringing a Change of Order in the Priesthood. As from 3<sup>rd</sup> November 2013, the Lord has withdrawn His mercies from Priests who insist on continuing the Aaronic Priesthood (with its repetitious sacrifices that does not result in genuine repentance) because it cannot respond to the challenges of today. See Heb.7:11-16. The Lord had often cried about the attitude of this order of Priesthood in our midst and has born with them for some time. See Pg.37 to 43 of my book, 'In The Master's Presence.' Thus saith the Lord: ["Tell those 'tithing and offering' pastors' that I have vomited them out of my mouth already \(See Rv.3:16\) having failed to repent after repeated warnings.](#)

They should fight now for their personal salvation or they will go to hell apart from losing their ministry. Son, I am about to scatter many gatherings in my name that has become prison houses and houses of iniquity. I can no longer bear it.”

- b) The Lord has instituted and empowered a New Order of Priests in the order of Melchizedek. Like the House of Saul, those who insist on going on with their own patterns because it profits them personally will continue to go down. The Lord is raising Mordecais among the Priesthood, who will show us again the pattern for building the House of God. This Melchizedek Priests will not operate after the order of carnal commandments, but after the power of an endless life. This means, that they will once again make the Holy Spirit the center and leader of the Church as the Lord intended. Through their ministry, the Lord will revisit our foundations, weed out the patterns of men and graft us into the apostolic foundation which is Christ's intention for His Body, the Church. (See Ezk.43:7-18; Eph.2:19-22; Rv.21:10-13).

All these 'one-man-ministries' founded by one man, run by one man (and possibly his wife and a few subservient friends) as a personal kingdom will start crashing. If you have that type of ministry, go to the Lord in prayer and ask him what to do to make your present house a part of His own House otherwise you risk losing all including your life and if care is not taken your salvation.

- c) The 10/40 Window Commission:

The 10/40 Window is the rectangular area of North Africa, the Middle East and Asia between 10 degrees and 40 degrees north latitude. This group of about 51 countries has resisted attempts by committed missionaries to evangelise or reach. Even though some countries in this window were originally Christian nations (like Turkey), for some reason it has become totally anti Christian. In some of the nations (like Saudi Arabia) it is an offence to be in possession of the Bible. Yet the word of the Lord must be fulfilled - that the Gospel of the Kingdom would be proclaimed in all inhabited earth before the end comes (Matt.24:14).

I tell you now the word of the Lord that this entire area has not been evangelized successfully because it is Africans especially Nigeria and to some extent South Africa that will do the job. Thus saith the Lord to Africa concerning the 10/40 window:

“As you have painted and polluted the landscape of the most beautiful view in my creation with idols, I am also giving you opportunity to present Me an acceptable offering in the manner of the sacrifice presented to me by your Father Noah, when I redeemed him from the ruin of his own generation” (See Gen.8:20-22).

#### JUDGMENT IN THE NATION:

- a) I see blood being shed in such a frightening measure that if The Lord's anger is not assuaged through genuine repentance, then I am afraid for my nation.

As I prayed and asked the Lord to stop it, He said it must be done. This were my recorded conversations on this matter:

**Rv.22:7:** "Son, blood will be shed in your nation. I have refrained Myself enough but they have pushed Me to breaking point and if it is not done, many more souls will be lost and My kingdom will suffer more. Prepare for bloodshed. Some people must die violently for My purpose for your nation to stand.

**Rv.1:7:** Hearing June 2014 in my spirit.

**Rv.22:7:** 'As from June 2014, prepare My people for war. Prepare for blood. Many will die. Many will be hurt. Many will be wounded.

**Rv.1:7:** Lord, make it a quick work and protect your people. Use a precise instrument and strike only those who are deserving of death. May there be little or no collateral damage.

Turn it around for our good and use it as a seed for genuine revival that will draw many to you and keep them in your love.

**Rv.22:7:** I am the one giving you the prayers and I will do it. Always pray it ahead of time and encourage My people to pray it. @4:28am 9-11-13.

**Rv.1:7:** (Rejoins the order of David in their worship: Alpha, Omega, you are worthy of our praises today!!!

I do not yet know the nature of this judgment whether it will be a bloody coup or natural disaster, but blood will be shed. It is not enough to say pray, but we should ask the Lord what we are to pray, but beyond that, who are the people praying? We should stop this anything goes Pentecostal rascalism that appears to be the order of the day, and come back to sanctification and genuine consecration so that the Lord can hear us. May the Lord help us.

#### UNDERSTANDING THE TIMES:

One of the reasons the Lord sets prophets in His House is because through the ministry of the prophets, the Lord communicates present truth, and makes the scripture relevant to each generation. Hosea 13:14 puts it this way: 'And by a prophet the Lord brought Israel out of Egypt and by a prophet was he preserved.' The Church today is also in bondage and the ministry of the true prophet is desperately needed. The Church must cry for the coming forth of the true prophets. On the 3<sup>rd</sup> of November 2013, a major eclipse happened that marked this change of season the Lord is talking about. The Lord helped us to put tags and dates to prophetic events that are being fulfilled in our times. I will summarise some of the issues so that we can see that the time of the Lord's return is nearer than we think.

1. In 2002/2003, the Lord gave us a word for His body that talked about financial judgment for the sin of making Mammon our God. He based this word on Rv.6:5-6 that talks about the Release of the Black Horse Rider. He said specifically that starting from 2008, this judgment would begin to unfold. In fulfillment, the stock markets (One major seat of Mammon) crashed in 2008 starting the world economic crisis. Since then, all that governments across the nations have done is to conceal from the people the extent of the problem.

2. On 9<sup>th</sup> November 2013, the Lord showed me a scene in heaven where an angel was about to release a bowl of judgment that the Lord tied to Rv.16:4. This judgment talks about the Lord hitting the rivers of the nations. The reason for the judgment is given in Rv.16:6: "For they (The nations) have shed the blood of thy saints and prophets and thou hast given them blood to drink for they are worthy."
  
3. Between Rev.6:5-6 and Rev.16:4 the major prophetic events that are being fulfilled in our time can be summarised as follows:
  - a) Rev.6:7-8 + Rev.9:11: The occultic inclination of unregenerate men leads to the release of spirits of death and hell (from the abyss and from the deep) that enter people and incite them to violence. The people that kill in the name of Boko Haram and other gods are men who through initiations inhale the spirit of death and hell. Mere military or other physical actions can NEVER stop them. That is why our generation needs a Church that is alive and in tune with the Spirit of Jesus, the Head of all principalities and powers.
  - b) Rv.6:9 + Rv.12:1-5: Intense spiritual conflict and increase in martyrdom for the sake of Jesus' name especially in countries (Like Nigeria) along the tectonic lines of the gospel. In 2013, the persecution index, based on true facts and figures cited Nigeria's Church as the most persecuted on earth ahead of countries like Iran, Pakistan and China. This means that in the preceding twelve months, more Christians have been killed in Nigeria for the sake of Jesus' name than in any other place in the world. Looking at Rev.12:1-4, it is clear that the conflict is an attempt by the kingdom of darkness to prevent the emergence of the man child or glorious Church.
  - c) Rev.16:4-6: God releases judgments with a twofold aim: Firstly, to avenge the killing of the prophets and followers and also to encourage the Remnant Church that are on the front line of His purposes.
  
4. If the judgment of famine manifested on earth in a definitive way in 2008, and by 2013 we are already seeing the third bowl judgment, it means that we are at most a few years away to the end of this age. I will like to leave it at that even though I have my own speculations and calculations which I arrived at following prophetic patterns revealed in scriptures. This is allowed because God will NEVER do anything outside the patterns already revealed in scripture.

#### TWO DEFINITE MARKS OF THE SEASON:

I will like to close this Newsletter by referring to two clear signs of the end of the age that is starring us in the face.

"But as the days of Noah were, so shall the coming of the son of man be."

Matt.24:37.

So how were the days of Noah? The scripture tells us clearly if we read Gen.6:4-7.

"<sup>4</sup>The Nephilim were on the earth in those days—and also afterwards—when the sons of God went to the daughters of men and had children by them. They were the

heroes of old, men of renown.<sup>5</sup>The LORD saw how great man's wickedness on the earth had become, and that every inclination of the thoughts of his heart was only evil all the time. <sup>6</sup>The LORD was grieved that he had made man on the earth, and his heart was filled with pain. <sup>7</sup>So the LORD said, "I will wipe mankind, whom I have created, from the face of the earth—men and animals, and creatures that move along the ground, and birds of the air—for I am grieved that I have made them." This scripture clearly shows that two phenomenon marked Noah's day which was the reason God wiped out that generation. Firstly, the earth was invaded by sub humans who were born outside the natural order ordained by God. The Nephilim were people born as a result of angels mating with humans. They were not the image of God as He intended for those in His image to populate the earth. (See Gen.1:26-28, 2:4-7). So in a way this was a definite plan of Satan to disrupt the salvation plan of God.

Secondly, wickedness increased on earth beyond godly tolerance and limit. It got to a point that God regretted creating humans on earth (See Gen.6:6).

Beloved, today these same phenomenon are playing out before us. Men in league with Satan and his angels are making desperate attempts to populate the earth with sub humans. They are doing this through two major ways viz science and occultism.

The whole desperate scientific attempts at cloning, birth by cell multiplication and division and some blends of fertility treatments are aimed at this. On the other plank, men who are desperate for power are traveling by occultic means into the depths of the oceans and rivers of the world to unite in sex with satanic personalities that live in the world below the earth. This is producing a twofold benefit for Satan. Firstly, it is enabling him to pollute mankind because such people still lure normal and desperate humans into sex in exchange for money. Secondly, it is enabling fallen angels like Mammon and Lucifer who will manifest on earth as men at the end of this age to get used to walking in human bodies and acting like men (See Rev.13:1, 11). As these conditions are being fulfilled in our generation, it will be a mistake to think that the time of the Lord's return is still afar off. It is indeed nearer than we think.

Apart from all this, some people are insisting that the sign of the son of man written in Matt.24:31 has been fulfilled by the appearance of COMET ISON.

You can check these two links:

<http://www.theverge.com/2013/11/18/5118466/comet-ison-brightens-becoming-visible-to-the-naked-eye>

<http://signofhiscoming.blogspot.mx/2013/07/the-sign-of-his-coming-revealed.html>

I am NOT validating any of the claims postulated in the articles, but they are food for thought for all of us who love and are awaiting the glorious appearing of the Lord Jesus Christ.

**A LAST WORD FOR OUR PASTORS AND LEADERS:**

Beloved, we are in a season where God is judging Babylon. (See Am.9:8-10; Jer.51:25-27, 47; Rev.18:1-24). Cry out to the Lord to give you an understanding of Babylon. Everything that is not rooted in the Spirit of God is appointed for death in this season including persons, institutions and systems. Tell the people God has given to you the truth. Communicate present truth to them. Tell them the harsh

truths in the word of God that is able to save their souls and deliver them from flesh and mammon that has taken hold of the Church.

This is not the time to count your strength in terms of the number of people that turn in for your Sunday services. The question now is who are the people coming? Are they believers or unbelievers and religious folks? The house you are building, can it properly be called the House of God?

This is a time of warfare and the Lord is insisting on separating His house. (See Judg.7:4-7).

This is a time to build the House of God according to His own pattern (See HHHag.1:4; Ezk.43:7, 10).

#### WORD OF THE LORD:

I am a promise keeper. Earlier on I mentioned that when we felt fear while at the Omabala/ Ezu River confluence, the Lord sent us an angel. King David was sent to encourage and comfort us. I now end this newsletter firstly with my conversations with King David, and finally and fittingly, my conversations with My Lord Jesus Christ. This letter comes with a Covenant. As you read, the spirit of understanding is released upon you, and may you hear the voice of the Lord clearly in Jesus' name; Amen.

Texts: Gen.1, 2, 3; Rv.21, 22, Ezk.43-47; Am.8, 9:  
11-13.

→ns: @3:38am 9-

**Rv.1:7:** I hear the chords from David's harp and I join the order of scribes in their rendition of the 23<sup>rd</sup> Psalm.

King David !! (Referring to what happened when we went to the confluence).

"My brother, receive understanding. When I wrote the 23<sup>rd</sup> Psalm, these were the forces that were trying to snuff out my life. This is what it means, to walk through the valley of the shadow of death (Ps.23:4).

I was sent to accompany you on this journey when you went to the confluence (Ezu/ Omambala River). I comforted and strengthened you when fear entered your heart when you saw the river. I have walked that way before and overcome by wisdom's grace and I am familiar with all the emotion.

I have been sent to the Church to help them in their struggle with lust and immorality. I am familiar with that pattern, but I overcame it at the later end of my life.

That is why the Lord is sending me to refine the music you sing these days in your assemblies. Most of them are music that originates from these dark chambers which are programmed to release lust, flesh and death in that order.

I have come with a new music and I am going to catch the younger ones. They will learn faster, even though I am going to teach a few other adult vessels that have learnt to possess their vessels in sanctification.

To stop lust, flesh and death and the level of immorality you are dealing with, first you must cut off the death music that are emitting from your choirs. Some congregations will do well if they disband their choirs once they see evidence of this corruption and start afresh from the scratch.

It is the rod (discipline) and staff (strength of the Lord) that comforts you when you are walking through the valley of the shadow of death.

This is where the church is passing through today and it requires great grace and great discipline to pass this way without falling. The Lord can impart great grace but discipline must be learnt with the co-operation of the individual that desires to finish well. @4.04 am, 9-7-13.

New song →→→n. Jesus, Onye na eme nma ka ibu. Nani gi gara merie ekwensu turu ugo lota.

**Rv.22:7:** 'These are the forces that confronted me when I went to region of the dead to defeat the adversary and recover your crowns he has soiled. To partake or share in my victory, the church must have a taste of what it takes to overcome these forces. That way, the reality of what I went through to recover your crown will be engrained in your heart. That way, you will have genuine fear and genuine affection. These things are won in the place of battle and those who refrain from battle are not fit for these times (See Is.28:5-6). This is My word for My body.

Son, blood will be shed in your nation. I have refrained Myself enough but they have pushed Me to breaking point and if it is not done, many more souls will be lost and My kingdom will suffer more. Prepare for bloodshed. Some people must die violently for My purpose for your nation to stand.

**Rv.1:7:** Hearing June 2014 in my spirit.

**Rv.22:7:** 'As from June 2014, prepare My people for war. Prepare for blood. Many will die. Many will be hurt. Many will be wounded.

**Rv.1:7:** Lord, make it a quick work and protect your people. Use a precise instrument and strike only those who are deserving of death. May there be little or no collateral damage.

Turn it around for our good and use it as a seed for genuine revival that will draw many to you and keep them in your love.

**Rv.22:7:** I am the one giving you the prayers and I will do it. Always pray it ahead of time and encourage My people to pray it. @4:28am 9-11-13.

**Rv.1:7:** (Rejoins the order of david in their worship: Alpha, Omega, you are worthy of our praises today !!!

9-11-13!!! Obosi Anambra State

**Attached:** Word of Lord on Anambra State (Published in October, before the Anambra State, Nov. 16<sup>th</sup> election).

In Christ,
