

## MESSAGE TO THE CHURCH PART 2

(Babylon is falling, falling!!!).

Texts: Jer.51; Rev.17; 18.

In part one of this series, my focus was to set forth the word of the Lord to the Church and the Nations, the way I received it of the Lord during the Aguleri/ Obosi encounter. I mentioned that during the encounter, the Lord opened the book of life and caused me to read from it, enabling me to understand certain things. I want to share some of these things that speak to the Church today.

### THE MYSTERY OF WATERS:

In Exodus 5:19, the wisdom of God lists five water bodies that Moses had to deal with before He could bring Pharaoh to subjection:

“AND THE Lord spake unto Moses, say unto Aaron, Take thy rod and stretch out thy hand upon the waters of Egypt (oceans), upon their streams, upon their rivers and upon their ponds and upon their pools of water that they may become blood..”

In dealing with Pharaoh, the Lord also instructed Moses to intercept Pharaoh on his way to the waters of Egypt. “get thee unto Pharaoh in the morning, lo he goeth unto the waters’ (Ex.7:15).

“And the Lord said unto Moses, rise up early in the morning and stand before Pharaoh; lo he cometh forth to the waters..”

Why was Pharaoh always resorting to the waters at times of great difficulty? Was he going there to bathe? The answer is a definite no. Pharaoh was always going to the water, because that was his major altar. Through series of initiations, Egyptian Pharaohs come to a point where they become a channel for the Leviathan spirit, a disobedient angelic spirit that settled in the ocean after the judgment of the rebellion in heaven. God was speaking concerning Pharaoh and he addressed him as the great dragon that lives in the middle of the sea: *“<sup>3</sup>Speak, and say, Thus saith the Lord GOD; Behold, I am against thee, Pharaoh king of Egypt, the great dragon that lieth in the midst of his rivers, which hath said, My river is mine own, and I have made it for myself.” (Ezk.29:3)*

Notice that the Lord did not make any distinction between Pharaoh and the dragon. The first lesson I read from the book of life was that the Church can NEVER prevail against the wicked in these last days without learning how to overcome the powers in the waters. To get me to see this lesson, the Lord opened Genesis Chapter one for me and brought me into His visions to see the earth between Genesis Chapter 1:1 and Genesis Chapter 1:2.

Gen.1:1: “In the beginning, God created the heavens and the earth.”

Gen.1:2: “And the earth was without form and void, and darkness was upon the face of the deep...”

The order of events in that very beginning was as follows:

### THE CHRONOLOGICAL RECORD:

ORDER	SCRIPTURE	EVENT	PERIOD
1.	Gen.1:1	Creating the Heavens and the Earth	Dateless past
2.	Ps.104:4	Creating of Angels and spirit beings. These populated the universe for a while with authority over various	Dateless past

		spheres, with Lucifer overseeing some aspect of the earth including minerals. Ezk.28:13	
3.	Is.14:12-14, Ezk.28:12-18a.	Rebellion in heaven led by Lucifer (a created angel).	Dateless past
4.	Ezk.28:18b-19.	Judgment of the rebellion	Dateless past
5.	Gen.1:2a; Jer.4:23-26	Condition of the earth after the judgment – darkness covering the waters.	
6.	Gen.1:2b	The spirit of God broods (overshadows) to prepare the ground for divine intervention.	
7	Gen.1:9	Calling out the earth from the waters.	

The point we must see is that Gen.1:1- 'in the beginning, God created the heavens and the earth' was the original creative act of God. After this original creative act, God created angelic spirits and other classes of spirits that populated the universe including the earth and life went on in that form probably for billions of years. It is possible that pre-adamic creatures occupied the earth at this time thus accounting for scientific discoveries of fossils and bone structures resembling that of man, but these beings were not men as science wants us to believe. Man is unique because God inbreathed His spirit in man, thus making him acquire his image and nature (Gen.1:26-28).

After the judgment on the rebellion that took place in heaven, the entire earth was covered by water and darkness. This scene of devastation is what the bible describes in Gen.1:2: "And the earth was without form and void and darkness was upon the face of the deep" (Gen.1:2a)

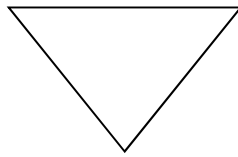

In Gen.1:9, the Lord called the earth to come out of the waters: "And God said, let the waters under heaven be gathered together unto one place and let the dry land appear: and it was so. And God called the dry land earth." (Gen.1:9-10a).

The point we must see is that earth is covered by waters. Under the earth is water and above the earth is water in the form of vapour. To control the earth, you must deal with waters as most of the things troubling the earth are from the waters.

**UNDERSTANDING THE MYSTERY OF TRIANGLES:** Around February 2011, the Lord started talking to us about triangles and asked us to study it. I tried various studies, but it was more or less a mental exercise and I could not get a handle on the subject.

While I was brought into the visions of God in Aguleri, I had clear understanding of the scripture in Gen.2:2: "and the Spirit of God moved upon the face of the waters." How did the Spirit of God move on the face of the waters? I saw that what the Holy Spirit did was to spread His hands over the deep, thus overshadowing that mass of darkness and disorder and in that way casting his influence to permeate the soul of that darkness to prepare the ground for the intervention of the word of God. This

act of spreading his wings over the waters would form a triangular picture that looks like this:

The lesson that the Lord brought home to me was that to cast your shadow over any area, you form a triangle over the place. Once you do this, tectonic lines are formed over the area that enables you to have control over the place. This is the secret of the pyramids of Egypt. This is the knowledge that occult people stole from the Church that they have been using to control the nations and the spheres of influence. If you look at maps of major cities and nations, you will see that occult people like Lodges, Amorc, New Ageetc always seek to control and build their temples, gates, altars and obelisks at triangular tips in the cities.

If you place a triangle across the map of Nigeria, you will discover that the upward tip would be in Daura, Katsina State, the left bottom angle would be in Lagos State (by the Lagoon area), and the right bottom angle would be in Cross River State (by river Akamkpa). In all these places, you will see bodies of waters and you will notice occult landmarks that show that the people on the other side understand these mysteries more than the Church of God and are using it to their advantage and even to blindfold the Church.

In Katsina state, you have the mysterious Kusugu wells in Daura. Please google kusugu wells or see

[:http://www.sunday.tribune.com.ng/index.php?option=com\\_content&view=article&id=9090:kusugu-spiritual-well-of-hausas-that-never-dries](http://www.sunday.tribune.com.ng/index.php?option=com_content&view=article&id=9090:kusugu-spiritual-well-of-hausas-that-never-dries)

In Lagos state, you will see an obelisk erected at the spiritual gate around the Unilag area of the lagoon and in Cross river state, it is not a secret that OlumbaOlumba has his major altar at River Akampka. If Church eldership come together and battle in warfare for spiritual control of these areas, it will be more effective and liberating for the Church and the Nation than one thousand crusades, conferences, night vigils or prayer meetings held in the comfort of our air conditioned churches.

As I was brought into the visions of God, I saw that the earth was one mass of land after Gen.1:9. The division between the continents as we have it today was a result of passage of time, geological movements of the earth and in some instances the judgment of God. I saw the primary tectonic lines of the earth, the secondary and tertiary tectonic lines and their importance in God's end-time strategy. I made a drawing of this and would share it in detail in my new book, 'The Gospel Battle of the Last Days.'

I was grateful for this lesson, because without having any understanding in this matter, we have obeyed the Lord in going to do prophetic work in certain places to raise altars for him at some of these flash points. Later as I checked the maps, I discovered that the Lord had been sending us to these tectonic lines following the triangular formation and the testimonies and results have been astounding. If you are a Priest before God and you live in any Estate, City or State, get a map of the place and draw a triangle across it. Go to the tips of the place in groups of two and raise altars unto the Lord in that place. If you do that and you maintain your

consecration before the Lord, no satanic Priest will be able to take over that spiritual space and be the power in charge.

I heard the testimony of a brother that the Lord sent into politics to run for office as Governor of a state in the South South of Nigeria. An influential 'brother in Christ' who was being 'of help' told him to face reality and go and bow his knees to Olumbaolumba because he was the power in charge in the area. The brother did not go and of course he did not pass. Well, that was in the past. I say not anymore! A season is coming when they will be coming to true servants of God, because we are determined to pay the price to take these territories for God.

#### THE MYSTERY OF BABYLON:

Even a new believer knows that the Bible uses the word Babylon in a negative sense. The word gathers in itself a sense of all things that should not be and everything that is offensive to God. But what is the mystery of Babylon? What should the Church know concerning Babylon to overcome its corrosive influence in the Church and in society?

First and foremost, Babylon was a historical place. It is the name of a city and a kingdom. (See Gen.10:10; Dan.1:1)

Secondarily, Babylon became a spirit, then a nature in people and finally a system, powered by Satan which is the basis on which it rules the nations through wickedness and contrary to the word of God.

To foist Babylon in any place, Satan relies on the co-operation between disobedient spirits, demons and humans who cast their shadow over the place following the triangular formation. In this way, they gain control of heavenly bodies and use their strength to work against the people of God and the purposes of God.

The Lord revealed these major spirits to me:

Apollyon (Rev.9:11) – Colonised the sun after the rebellion in heaven.

Queen of Heaven (Is.47) Colonised the planet Venus. Also called Diana (Acts 19:27).

Belial (2Cor.6:15). I believe this spirit lives on the planet mars.

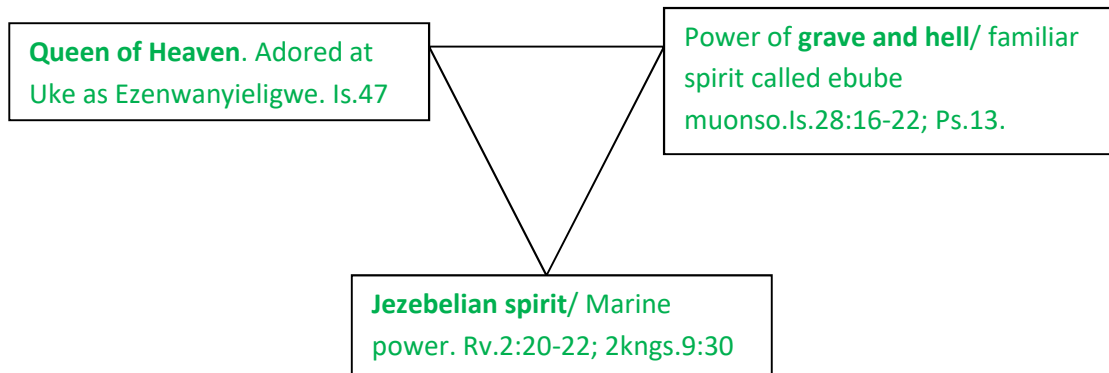

Leviathan (Is.27:1) Water spirit (of the status of a fallen angel) whose bed is in the Bermuda Triangle.

Mammon (Lk.16:13) Water spirit.

Scripture reveals three levels of authority viz: the heavens, the earth and under the earth (See Phil.2:10, Rev.5:3). To create Babylon in any place, you must cast a triangular shadow through connecting altars that unite these three levels of power.

At one tip of this altar would be any of these spirits based in the heavenlies (Apollyon, Queen of Heaven or Belial). One leg of the other tip would have a water spirit like Leviathan, Mammon or Jezebel and the other tip will be a satanic priest who is the human channel for these spirits anchored on land. This is what we saw in UkeAnambra State, and this pattern is replicated across Nigeria and across the nations of the world.

## TRIANGULAR ALTAR AT UKE, ANAMBRA STATE.

Note: At Uke, the priest in charge is the host of this familiar spirit called EbubeMuonso.

The principle is the same, but the spirits to deal with may vary. In most cases it would be the heavenlies, the earth and the waters. Wherever Satan replicates this pattern, Babylon rules in that area. To dislodge him, Zion (the true Church) must pay the price in having a Priesthood that has what it takes to confront these things, not as mere men, but as gods. This is the pattern of Moses: "And the Lord said unto Moses, see I have made thee a god to Pharaoh:" (Ex.7:1). We must pay the price for sonship, because only then can we have what it takes to confront Babylon today which has become more entrenched following many centuries of being in charge and un-challenged. Babylon currently rules across the seven spheres of influence. To dislodge it, we must have Priests in each sphere that understand these things and who are willing to pay the price to take back control.

### HOW BABYLON RULES:

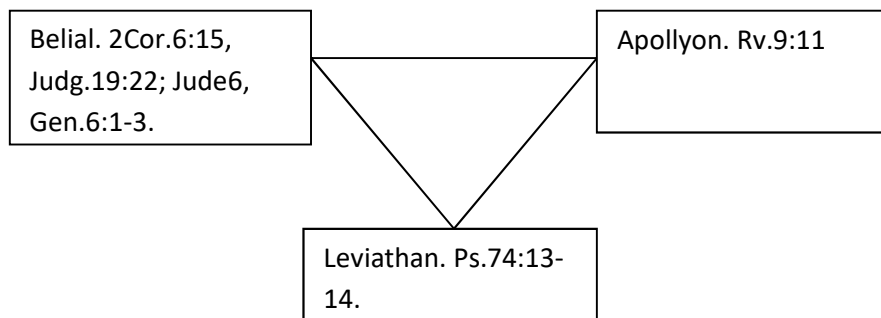

Babylon rules by following the pattern of the Holy Spirit at the beginning to cast its shadows along tectonic lines on peoples, nations and institutions. This is done mainly through bodies of waters. We must remember that under the earth is water, and above the earth also is water or vapour. To dislodge Babylon in any area, we must like Moses have a priesthood that knows how to deal with the waters. This lesson became clear to me when we visited the Omambala/ Ezu river confluence. On that encounter, I was brought into the visions of God and I could see the primary tectonic link between the confluence, the Bermuda Triangle and Mount Carmel in Israel. I have reasons to suspect that as Elijah stood on Mount Carmel confronting the prophets of Baal, he was also brought into this vision. It is possible he was seeing the Bermuda Triangle and addressing the power base of the Prophets of Baal from where the spirits empowering their altars were casting their shadows. I believe this is a good place to introduce some of my conversations with the Lord along this line and set before us some of the things He had to say.

### THE BERMUDA TRIANGLE:

Rv.22:7: "Son, this is the place of most potency on earth of the influence and power generated by a combination of three negative powers released by the most perfidious of the degenerate fallen angels. The spirits are:

- Apollyon (Rv.9:11) – that operates in the sun. The two faced god that influences hermaphrodites, homosexuals, transsexuals and other such mutations of my work.
- Belial (2Cor.6:15, Acts 17:16,22) – The polluting principality that is stationed in Mars and transmits his odours through a network of demons that operate on earth. Belial is a red demon that is copied in most cartoons painted red with a fat face shaped as a moon. The spirit feeds from immoral sex and has its altars in most cities in sex palours, drinking joints and all such places.
- Leviathan (Ps.74:13-14) – The wicked spirit that dreamed up the rebellion in heaven because of his enormous strength before drafting in Lucifer. The spirit that feeds on human blood to generate strength for subversive purposes. The spirit has his bed at the deepest spot in the Bermuda Triangle. The spot is evil because it is also the spot where tatarus is located housing the fallen angels that are locked up for judgment that forsook their first estate (Jude 6)."

#### THE TRIANGULAR ALTAR AT THE BERMUDA TRIANGLE:

The activity of these three spirits is the satanic foundation for the doctrine of trinity, that hell brought into the Church to obscure the reality of unity of the godhead. I continue with my conversations with the Lord.

Rv.22:7: "The doctrine of trinity that pervaded the Church is a wicked idea cooked in the sixth chamber of hell and spread through catholicism to distort the reality of the godhead. I am God. I am ONE. Read My word and My first and most important commandment to My people – "Hear O Israel: The LORD (YHWH) our God is one LORD: And thou shalt love the LORD thy God with all thine heart, and with all thy soul, and with all thy might." (Dt.6:4). Research the origin of this doctrine and you will see that it is NOT in My word. That is why scriptural baptism is a MUST for all who want to walk above the perfidious influence released by this trio (Apollyon, Belial and Leviathan)."

I believe the point the Lord was making to me was that coming back to proper scriptural foundations was essential in overcoming Babylon. Scripture distorted and confused, means handing control to Babylon because Babylon rules in confusion. We must prayerfully look at the Church again and remove most of the things that were added by catholicism that were borrowed from pagan and satanic cultures. We must revisit the foundations and allow the Lord to undertake some corrective surgery otherwise we will NEVER be able to overcome Babylon. We must look again at the

pattern of our baptisms, our dedications and other foundational matters that exposed and immersed us into Babylon otherwise we will not be able to shake off its influence.

**DEALING WITH BABYLON'S INFLUENCE IN THE SEVEN MOUNTAINS OF SOCIETY:**

There has been a lot of talk about Christians occupying the seven mountains of society in this season. Even though this is the will of God, it is not going to happen unless we come back to the order of God in the Church. The Lord has been progressively restoring the governmental offices in the Church starting from the Pastoral ministry to the office of the evangelist. Presently, the Lord is restoring to the Church, the major offices of the Apostles and Prophets. It is given to the Apostles and Prophets to deal with foundational issues (See Eph.2:19-22).

The ministry of the prophet is a necessity now. We must cry to the Lord to release the prophetic gifting and also pray in warfare to release the true prophets that has been caged in organisations and institutions through denominationalism thereby stifling their ministries.

It takes prophetic intercession to deal with satanic formations that entrenches Babylon across the seven mountains of society. In the past, we have thought that we were dealing with one power base but this is wrong. Any where Babylon is entrenched, you can be sure that you are dealing with the three levels of power that exert influence on earth viz; the heavens, the earth and under the earth (including the waters).

Let me try to do a rough classification to give us an idea of what we must overcome, to have influence beyond the four walls of the Church in the seven mountains of society:

MOUNTAIN	TRIANGULAR FORMATION
Government/ Governance	Lucifer/ Mammon/ Leviathan
Economy	Belial/ Mammon/ Jezebel
Religion	Venus (Q.O.H)/ Jezebel/ Leviathan
Celebration and Arts	Belial/ Jezebel/ Water spirits (Mammy water, Olokun, Ezenwanyietc)
Education	Belial/ Leviathan/ Grave and Hell
Media	Beelzebub/ Wicthcraft/ Grave and Hell
Family	Baal/ Grave and Hell/ Familiar spirits

**OVERCOMING THE TRIANGULAR FORMATION:**

When you are dealing with Babylon in any mountain of society, you are dealing with the spirits corresponding to the three levels of power (the Heavenlies, The earth and under the earth, Ph.2:10) and the network of demons that work for them. You are also dealing with the satanic priesthood that makes sacrifices and maintain the altars raised to these spirits. The power of grave and hell at the highest form for example tries to connect with leviathan on his bed at the Bermuda Triangle where he is strengthened with Belials stench that fills his nostrils to the fullest at that point on earth.

Lower manifestations do the same thing at different levels depending on the intermediary (satanic priest) and demon dispatched. These are the powers the Church is dealing with now. Read Rev.9 with this understanding and you will see the extent of work cut out for you (The Remnant Church).

CONFLUENCES: This is what you are dealing with when you touch confluences (The meeting of two or three rivers). It is a release of these triangular forces at varying degrees. If it is two rivers, it is Leviathan and Venus or Leviathan and Mars (Belial)."

#### THE MYSTERY OF NIGERIA:

Many people do not understand this, but as far as the Gospel is concerned, heaven's focus has shifted away from America, to Africa. Africa will bear the gospel burden and run the last lap of the Gospel race that will lead to the return of Christ in glory. As the Church in the West is sliding, overtaken by the spirit of humanism and struggling with immorality and sin, God has hidden the seed of the true gospel in Africa, the way Christ hid in Egypt when Herod tried to swallow him at infancy. The special mandate of God to Africa is to lead the effort that will evangelise the last block of darkness that must fall before the return of Christ. This dark block called the 10/40 Gospel window is an area covering about 51 countries mainly in the Middle East, North Africa and South East Asia that are hostile to the Gospel. In Africa, God has prepared two influential countries to lead the effort that will evangelise these nations. Nigeria and South Africa are the twin pillars that will evangelise these nations. A revival is coming to Nigeria that will spill over to South Africa and ignite a big flame that will sweep through Africa like a rushing mighty wind.

In preparation for this revival, Nigeria is going through a phase of judgment that started in 2011 that will terminate in 2018 or earlier depending on the quality of repentance and intercession we bring before God. The judgment hand of God is moving over our nation. We will see this hand first in the Church of God and then in our nation especially in government and the economy.

In the Church, God will judge the false prophets that have been usurping the apostolic mantle that God released to the Nigerian Church. Between July 2014 and July 2017, many false prophets that have been strengthened by Babylon will go down beyond recovery.

God will also deal with the throne of Nigeria. The magnitude of work that God will do with Nigeria requires that God has a David sitting on the throne of Nigeria. I have written at various times as I received word from the Lord that President Goodluck Jonathan is NOT the David that God is raising for Nigeria. He is like biblical Jonathan that the Lord has raised to make the way for the emergence of David.

Understanding this reality and falling in line with the prophetic mandate of God to him will be his salvation in the months to come. President Jonathan's mandate is to resolve some foundational issues in our nation, weld the judgment sword of God to judge some issues and make way for the emergence of David. Taking these issues to heart should guide his decision on whether he wants to run in 2015. It will be disastrous for him to run in self will. It will also be disastrous for him to run without having this discussion with the Lord.

DECISION TIME FOR NIGERIA: The Lord is determined to redeem Nigeria to fulfill its mandate as a nation. The failure of Nigeria would be the failure of Africa and the rest of the world. The way we have carried on as a people has left the Lord no option than to judge Nigeria. The Lord has repeated this warning to me in several conversations and finally showed me a vision in November 2013. I am hundred percent certain that judgment is coming. I don't know the stroke the Lord will deal our nation to execute this judgment, but I want us to see certain things so we can pray aright.

Firstly, the emergence of APC should not be celebrated. The APC is the physical structure of something sinister that originated from the chambers of hell. The only way APC can come to power is if the Lord decides to use it as his judgment arm to deal with the Throne of Nigeria. In the event of this happening, we must prepare for many dark nights as a nation because then it will take longer and more refining in the furnace of affliction before David could emerge.

Nigeria has not outgrown a military coup as some people seem to think. I saw scenes of blood and darkness and unless we reform and come back to track, we may yet see another coup as a nation. If this were to happen, God's purpose would be to use it to judge the Throne and make way for David to emerge.

We need to pray a lot for President Jonathan. One prayer we can pray for him is for the Lord to reveal His will to him clearly and also give him the grace to act in accordance with the will of God. Outside this, we leave the Lord no option than to weld the big stick. The only joy is that whatever the Lord does in judgment, He has a redemptive purpose in mind.

The prophetic mandates of the nations of the world are encoded in nature. God has an invisible line marked across the nations that determine His move in different ages. I saw these tectonic lines as I was brought into the visions of God during my encounter with the Lord in Aguleri in November 2013. Nigeria is marked for greatness and this is the season of its manifestation. Heaven will fight for the soul of Nigeria. Hell will also fight. This conflict will be fiercest in the mountains of government and economy. A shake-up is coming on the Throne of Nigeria. A big shake up is also coming on the economy mountain. God's purpose in all these is to change the dynamics, realign and re-assign power for His own purpose. Many people who have ascended the top of the economy mountain by raising altars to Mammon and Leviathan will fall in this season.

I see the Lord raising many unknown people and raising them as giants in the oil and gas sector of the economy. When this begins to happen, just remember that the Lord has the gospel in mind because our nation will now bear the gospel burden the way United Kingdom and USA bore it in the past.

God is judging Babylon now so that Zion can rise.

"Thus saith the Lord; Behold, I will raise against Babylon, and against them that dwell in the midst of them that rise up against me, a destroying wind; and will send unto Babylon fanners, that shall fan her, and shall empty her land: for in the day of trouble they shall be against her round about." (Jer.51:1-2).

May the Lord show you your portion in this things and grant you the grace to pay whatever price you have to pay to overcome Babylon in your own sphere of influence.

Rv.1:7: Thank you Lord for bringing light and understanding. ---Cvsns. 9/11/13 to 21/1/14.

In Christ,  
Messenger.
