MY ENCOUNTER WITH RUACH HA-QODESH (THE HOLY SPIRIT):

Greetings from the REVIVAL ALTAR in the name of our Lord and Saviour,  
YAHUSHA HA-MASHIACH (Jesus Christ).

I am sharing this to enable us respond to the shift in season by praying appropriately and to the point.

I traveled to Uyo in October last year to speak at a conference organized by a brother who is also a medical Doctor. His name is Dr. Ubong.

After the meeting we were fellowshiping with him in our hotel room when he shared an experience he had about me that involved a visitation to heaven.

The brother has that unique relationship with the Lord and has been taken to heaven at different occasions and he has even written a book about this.

He shared that on this occasion the Lord took him to heaven and brought him into a residential area.

In this place was an apartment and the Lord told him that the apartment belonged to Bro. Isaac Ezeh.

The Lord brought him into the apartment that had a section that looked like a Library. They entered and there were many books there.

The Lord told him that these are books that I was supposed to write.

He was therefore encouraging us to pray so that the door could be opened for me to write those books.

Bro Gbenga (My covenant brother) was with me on that occasion.

We asked him to pray for us and especially for me which he did.

I took it serious because that was the second time someone was saying something like that to me.

In 2017, we traveled to Asaba for a Solemn Assembly. After I spoke a sister (one of the leaders in Wailing Women) approached me and shared a vision that she was given.

She said that the Lord took her to heaven and showed her scrolls with my name on it.

The Lord told her that they were the books I was supposed to write.

She encouraged me to pray into it and be in a place to write that the Lord would download some things.

#### OUR NOVEMBER 2021 RETREAT:

During our November 2021 Retreat, the Lord spoke to us that He was releasing four things to the House. They were:

- Scrolls.
- Keys.
- Eyes.
- Speed.

I traveled to Enugu in December 2021 to speak in a prophetic conference organized by Dominion City.

After I shared, many of the Pastors and Apostolic Leaders present encouraged me to write a book on what I shared about Covenants that it was needed by the Church.

At that time also, the Lord spoke to me that we should spend January 2022 in Prayer and Fasting because of what would be the complexion of the year.

His word came from Isaiah 60:

Isa 60:1-3

*Arise, shine; for thy light is come, and the glory of the Lord is risen upon thee.*

*2 For, behold, the darkness shall cover the earth, and gross darkness the people: but the Lord shall arise upon thee, and his glory shall be seen upon thee.*

*3 And the Gentiles shall come to thy light, and kings to the brightness of thy rising (Is.60:1-3)*

The Lord said it will be a year of darkness but in the midst of that darkness, there will be a people of light.

We started our fasting and Prayer on January 3, and I went to our Camp Ground at Ota, Ogun State to be alone with the Lord in prayers.

Of the four things the Lord said He would release, I decided to focus on the scrolls and made up my mind to pursue it until I could apprehend it.

After a few days, I began to perceive that the 6th and seventh Day (January 9 and 10) of the Fast would be significant.

I asked a sister who had understanding of the heavens for insight into the complexion of the heavens on those two days and she shared some things with me.

As I prayed and studied on January 9 at the Altar, suddenly the heavens opened and the Ancient Scrolls began to descend from heaven.

I was prompted to bring my laptop and began to write.

I wrote some things in my laptop and somethings on my note in long hands.

I wrote like that for some time and lost consciousness of time.

At some point I was led to go outside to take a walk in our garden. I walked for a while when a personality with a very strong heavenly presence joined me. I walked with him for a long time without knowing who he was.

By the time I came back from the walk, it was already late and I went to have my bathe. By this time it was already into the 10th of January.

ENCOUNTER WITH RUACH HA-QODESH (THE HOLY SPIRIT):

On January 10, I was still writing what I was being shown from the Ancient Scrolls till about noon when I was prompted to take a walk on the Lawn again.

After a while, another personality with a presence that was both strong and mild at the same time joined me and we began to walk together.

After we walked for a while He overtook me and I began to follow him.

When we had walked for some time, he suddenly stopped and asked me:

Do you know whom you are following?

I said No Sir.

He introduced Himself by His Hebrew Name.

He said He was RUACH HA-QODESH and that He had come as the consolation of Africa in answer to our prayers and the Covenant with the Fathers. He also said He had come on His own terms and under a Blood Covenant.

He asked me to write down what He had to say in His own words and I went inside to write.

It was exactly 12.20pm.

I latter shared MY ENCOUNTER and what happened afterwards with my Team who were also praying along from different locations.

I am aattaching the words of the Holy Spirit that specifies His condition for coming.

God will not do anything on earth without revealing it to His Servants the Prophets (Am.3:7).

Out of what the Holy Spirit said our prayers should change. It should no longer be about praying for the Outpouring of the Holy Spirit but about meeting the condition of heaven for the outpouring to be extended to us.

I say this because on the sixth day of that visitation (16-1-2022) I was told to observe the Throne of Heaven and report what I would be shown.

I watched and observed the Outpouring of the Early and Latter Rain and also the outpouring of the New Wine.

I also attach a copy of this Report.

#### THE SOLEMN ASSEMBLY FOR THE EASTERN GATE:

The Lord asked us last year to bring the Eastern Gate to a state of acknowledging His controversy with the Gate, align with His purpose for the nation to release His hands to intervene in the nation and Africa.

We started this process in Awka last year by reaching out to some elders to share what the Lord was saying.

The process has grown and will now lead to a Solemn Assembly that would involve all the Eastern Gate (South east and South/South).

This meeting is scheduled for Owerri on March 5.

The flier for the program is attached.

Shalom and Grace!

In Christ,

Isaac Ezeh (Messenger!)
