

Messenger/ Revival Altar!!

STANDING ON OUR WATCH AND PRAYING ARIGHT:

I bring you greetings from The Revival Altar in the Name of Yahushua Ha-Mashiach, the Son of the living God.

My only purpose for writing this morning is to help us keep our focus on the core issues.

Our nation Nigeria has entered a dangerous phase in her national life and what we do as Intercessors and Priests may yet be the deciding factor in determining how things turn out eventually. There are drums of war beating but we must never allow hell to direct the course.

A good way to start this short piece is to quote again from our Book, God's Eternal Plan for Nigeria. This is what the Lord said to the Messenger concerning our nation:

From your nation, My true ambassadors will go forth to the nations of the world proclaiming the Gospel of the Kingdom with great power in truth, holiness and the power of My Spirit. This is the larger picture and this conflict will play out in the fight for the throne of your nation.

It is the battle of kings and Genesis 14 is the key. My name revealed there as El Elyon, the Possessor of the Heavens and the Earth, together with the 24th Psalm is the garment that you will wear to teach this, share this and also bring forth this so that the remnant will have light.

In light, they can then offer true repentance and bring forth weeping as I commanded in Joel. This will open the door for the enthronement of the man after my heart. This is what I do on earth today. Proclaim Psalms 77, 74 and 52 and declare that these forces are defeated. (See Pg.26, Revised Ed. GEPFN, Messenger Publications).

As far as heaven is concerned, the only Agenda it has with Nigeria is to bring Nigeria to a shape where it can begin to fulfill her calling as a Missionary nation that will proclaim the Gospel of the Kingdom to the Nations of the world.

Our nation is not in the form to fulfill that mandate and God is about to shake things up to bring us to the shape where we will begin to enter into that divine purpose.

Let me remind us of the core issues again:

1. NIGERIA AS A NATION HAS ENTERED THE ERA OF GOD:

Every nation has a divine calling and a calendar for fulfilling that calling. As a nation the Lord ordered seven seasons for Nigeria.

In six seasons, God will allow Nigeria to do her own thing but in the seventh season He will intervene to bring the nation into Kairos time.

The Seven Eras of Nigeria as revealed to the Messenger are:

i. Era of Foundations: Pre 1914 – 1960.

ii.	Era of Building:	1960 – 1966.
iii.	Era of Rebellion and Pulling Down:	1967-1970.
iv.	Era of Opportunity:	1970 – 1983
v.	Era of Grace:	1983 – 1999
vi.	Era of Man:	1999 – 2016.
vii.	Era of God:	As from September 23, 2017.

2. THE IMPLICATIONS OF THE ERA OF GOD FOR NIGERIA:

In dealing with nations, we must never lose sight of the Global Calendar of God that is running. Human history and the history of nations is just the outworking of God's global calendar for man.

In God's global Calendar for the Gospel, Nigeria has a mandate at this time to lead Africa into the Era of Ham's Global witness for Christ.

One of the things that must happen before the return of Christ in glory is the separation of nation states into sheep and goat nations. (See Ps.9:17; Matt.25:31-46; Jl.3:1-3).

Nigeria has a mandate to lead in the preaching of the Gospel of the Kingdom that will win sheep nations for Christ.

We are not in a position to fulfill that calling unless we have on the Throne a man who loves God and who has covenants with Him in the mold of David that will partner with the Lord to prepare the nation to fulfill this calling.

God's plan has always been to intervene in the seventh Era of Nigeria to bring Nigeria into this calling. This is what the Lord said to the Fathers. (See the Special Edition of Messenger Magazine published in 2019 for the Prophecies concerning Nigeria).

Nigeria entered spiritually into this seventh Era on September 23, 2017. From this date, God will NEVER allow the will of man to prevail in the nation's affair. Therefore, God will overturn all human arrangements in the politics and governance of the nation including the temporary victory of APC during the 2019 polls.

3. THE LORD'S STRATEGY:

The Lord made it clear that He had four ways He could intervene in Nigeria to force our transition into the Era of Righteousness.

- The Political Process.
- A Bloody Coup.
- Foreign Intervention.
- Uncommon natural disasters.

It is looking increasingly likely that the political process will not deliver the will of God for the nation and so we must prepare ourselves for other kinds of intervention.

Since the Lord would not do anything on earth without revealing it to His servants the Prophets, the Lord gave us the mandate to communicate His heart to the nation.

In 2009, the Lord gave us a word that He will visit the nation in judgment for a period of 7 years after which He will confront the nation with the issue of righteousness to bring us into His purpose. This period ended in 2018.

This was the underlying issue behind the 2019 elections and in spite of warnings and counsel to follow another course, the Church submitted to the witchcraft and

manipulation of the enemy that allowed APC to come back to power even when it was clear that they had a different agenda from hell.

4. THE CERTAINTY OF GOD'S JUDGMENT:

If Nigeria were not in the Era of God, then the plans and calculations of men would stand. As it is, we no longer have that luxury of certain men deciding on what would be favourable to them and then foisting it on the rest of us. Those days are over and those things will no longer stand.

God is judging the political platforms in our nation that have been raised by hell to contend with the Lord and to resist His will for Nigeria.

President Buhari came to power by the will of men. God gave him the chance to sit on the throne in 2015 because men wanted a Saul.

The Lord has weighed him in the balance and found him wanting.

If he was a man that would listen to counsel it was better for him not to have run for office the second term.

Now that he has run and won by his own means, heaven will also oppose him with a strong opposition.

I don't see him being able to sit as president till 2023. Along the line something is bound to give and we must continue to watch over the throne to ensure that Satan does not take advantage of the situation and drag us into an unnecessary war.

Yes, I know they will try to use human and satanic means to sustain him on the seat against the will of God but because we are no longer in the Era of man such means will not hold.

God is determined to judge many Pharaohs in the land and many of them in this season. So prepare for a season of uncertainties and upheavals but in all of these, see the hands of God, be on His side and hold your peace because His intervention is for the best interest of our nation.

5. WHAT SHOULD THE RIGHTEOUS DO? HOW SHOULD WE PRAY:

This is not a season to engage in energy sapping permutations, arguments and too many prayer points. This is a season to wait before the Lord, to soar and to pray Spirit empowered and enabled prayers that bring down the judgments of God.

The counsel of the Lord for us at this time is found in the book of Habbakuk:

I will stand upon my watch, and set me upon the tower, and will watch to see what he will say unto me, and what I shall answer when I am reprov'd. ² And the LORD answered me, and said, Write the vision, and make [it] plain upon tables, that he may run that readeth it. ³ For the vision [is] yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry (Hab.2:1-3).

Our nation cannot proceed on the present course it is going.

As there are men who profit from the present course that are determined that there should be no change of course, there will of necessity be a conflict.

We must not pray that God should not judge or that the conflict should not happen because if He does not judge there is no going forward.

Instead we must pray that judgment should come but on the Lord's terms.

That it must not be hijacked by the enemy and also that the Lord would remember mercy in judgment.

Interesting times are upon us and MAN WILL NOT HAVE THE LAST SAY. Buhari's victory during the 2019 presidential elections is not sanctioned by heaven and it will not stand. This is what the Spirit of the Lord is saying:

25 And thou, profane wicked prince of Israel, whose day is come, when iniquity [shall have] an end, 26 Thus saith the Lord GOD; Remove the diadem, and take off the crown: this [shall] not [be] the same: exalt [him that is] low, and abase [him that is] high. 27 I will overturn, overturn, overturn, it: and it shall be no [more], until he come whose right it is; and I will give it [him](Ezk.21:26-27).

6. SPECIFIC, DIRECTED, PERSISTENT PRAYERS:

The Church in heaven is praying Psalm 102:13 for Nigeria:

Thou shalt arise and have mercy upon Nigeria for the time to favour her, yea the set time has come.

This must also be our intercession. That the Lord would do whatever it takes to bring into manifestation the Era of God that has started spiritually since September 2017.

The heavens are configured in such a way especially between June 12, 2021 and July 11, 2021 to give impetus to some divinely appointed shakings that will bring the nation into alignment with the will of God.

We must understand that as long as Buhari remains in office, it is an indication that the will of man is still prevailing.

Let me suggest some prayers that we can pray at this time:

- i. That the heavens over Nigeria will project the righteous prayers of the fathers, the Saints and all those who have Covenants with Yahusha Ha-Mashiach and orchestrate the collapse of Saul and all structures associated with him while ushering in the righteous reign of David.
- ii. That triggers connected with the Masses like the EndSars movement, Ipob, Oduduwa nation will not be hijacked by the enemy, but instead will be a tool in the hands of God to bring about His counsel and purpose for the nation.
- iii. The total collapse of all structures in Nigeria initiated and sustained through witchcraft. We command the heavens especially at the full moon to reject the voices of their Priests and totally frustrate their counsel. May they lack capacity to execute their evil imagination!
- iv. We are decreeing that creation will co-operate with Angelic Messengers assigned to Nigeria to arrest all the enemies of God in our nation and either kill, imprison or otherwise incapacitate them taking away from them strength to oppose the counsel of Yahuah Elohim.
- v. We strengthen the unity of the Southern axis of Nigeria. We overturn the sorcery and divination directed against the Eastern and Western Gate to the intent that the Igbos and Yorubas will not see eye to eye. We Decree that these two gates will stand as one man with the Middle Belt axis to contend for the will of God for our nation.

7. BE COMFORTED, MAN WILL NEVER PREVAIL:

Let me end this short piece with a word of comfort.

There are many devices in the heart of man concerning our nation but man will NEVER have the upper hand.

Apart from praying, we should promote causes that unite the Igbos and Yorubas because this is very key to bringing about the manifestation of the will of God.

In a prophetic meeting in 2015, the Lord showed me an open Vision where I saw a man with three legs standing on His head.

As I sought the Lord for interpretation, the Lord told me that this was how our nation was standing under Fulani leadership.

We asked the Lord for a simple Strategy that will reverse this anomaly and the Lord gave us a straight answer:

That if the Igbos and Yorubas will stand together with the Middle Belt axis to contend for His will, then Nigeria will be delivered.

Let us pray for this unity and also work for it. This is a divinely given strategy that has the blessing of heaven to bring about a change of course.

You are in our prayers and may the Lord keep you and yours.

Shalom.
