THE BUILDING BLOCK FOR A NEW NIGERIA IS RISING FROM THE ASHES

DATELINE: REVIVAL ALTAR/ 8-4-17 @ 3AM.

In the visions that come in the morning season at the beginning of the third watch.

I saw the David of God wearing work clothes, white long sleeves shirts rolled up, light blue overalls and brown work boots.

He was standing in a large field without borders directing workmen that were mobilising heavy duty trucks of different hues. Some of them were diggers, some excavators, some of them with heavy rollers and some of them heavy duty caterpillars that looked at the same time as military trucks.

The field was borderless and as I watched a heavy storm was gathering in the skies across the **northern border**. This wind generated a storm that appeared to emerge from nowhere, driven by a fierce wind from the north, became a hurricane with an eye that looked like a monster, formed in the shape of a red dragon, emitting fire from the centre of its eyeball and it was coming as a flood in the direction of David but the objective was to stop the work and wash away both the builder and the equipment.

I was concerned for David but his face was set as a flint. He was focused on the work.

As I watched, the excavation work finished. The direction of the excavation was from **south to north**.

The mixers started rolling and cement, concrete, sand, iron and rocks in the right proportion started going into the ground to form the raft that will carry the foundation. I looked to see the depth of the foundation but it was deep down beyond plain sight.

At times his back was turned against the direction of the gathering storm and I was concerned the hurricane will catch him unawares. I wanted to do something but it was not given to me from my observatory (Hab.2:1) to do anything apart from observing. My heart and all my being prayed for him and his team of committed and skilful workmen and the sophisticated equipment that was going to be washed away.

In a moment, the foundation was laid deep down and the stones began to be laid one on top of another in a delicate pattern that communicated strength; an impregnable fortress that could withstand the ferocity of a thousand storms.

He was focused on the south and never looked in any direction until the southern foundation was completed and the southern fence stood on it in an imposing way.

As the focus of the construction was turning to the South East axis, to begin the same process of erecting the fence to link the Eastern Gate from South East to North East, the hurricane was unleashed.

In the midst of it were muddy waters, thundering, fireballs and a mixture of rough stones and red mud.

I wandered that he stood his ground and the construction work still continued until the Eastern fence was built. In the midst of the storm, the turners continued to turn and the stones continued to be piled up one on top of the other with even more precision. It seemed that both the workmen and the equipment they manned had a divine intelligence that guided them. Instead of wearing out from the work, the violent rains with unimaginable mixture of thunderstorms it continued to work with even better precision.

Before my eyes, The Eastern gate was built and it stood. From South East to North East. The waters hitting on the southern fence continued to pour out from the western side that was still open. As the waters hit on the fence that stood as the rock of Gibraltar, the strength was dissipated and it just poured out from the western axis not doing much damage.

The workmen started building again from the Western side in the same peculiar pattern of working from south westerly direction upward.

At this time the workmen and their equipment has reached what was described to me as a **point of union**, where men and machine work as if divine life was flowing in both man and machine.

As I observed, the dragon that rode the storm, which generated the wind and the flood suddenly came to a realisation that the battle was lost. He has been unmasked and all of a sudden, the storm he was riding became a wing for him to escape but he was being blocked.

I looked and all of a sudden I saw that he was being blocked by a man with a long sharp sword that was drawn. Ready to come down as a laser guided missile.

Where has this man been standing?

All of a sudden it dawned on me that he has been standing in the midst of that hurricane. When it generated strength to the highest point, he was still there, ready to ride that storm even if death resulted.

But there was no death.

The dragon that rode the storm suddenly realised that there was no way of escape without confronting that sword.

With his last strength, fortified by everything hell can bring he charged at the man. But his sword was ready and his gaze firmly fixed on the target.

Fiaaaaaaaaaaam!!, the sword slashed.

The *dragon of the north* has been slain.

At this point the workmen and their tools were ready to work. In a seamless fashion, the fence joined from the west northerly axis and connected to the East northerly axis. The borders have been built.

My gaze has been on the fence so I did not realise that as the fence rose, cities were being built that were a beauty to behold. Can heaven come to earth in this fashion?

Clarity came and I realised that the man that carried the sword has not been alone. He was standing on shoulders of people. He was standing on the shoulder of his father, a white man that had 'black blood,' who was standing on the shoulders of his own father, who stood on the shoulders of his father in a broken line that linked back to father Abraham, the father of nations (Heb.11:8-10; Gen.17:5).

He was the David's father. His name is,

THUS SAITH THE LORD TO NIGERIA:

Can a nation be born in one day (Is.66:8)?

I answer you in MY OWN WORDS:

Before she travailed, she brought forth; before her pain came, she was delivered of a man child. ⁸Who hath heard such a thing? who hath seen such things? Shall the earth be made to bring forth in one day? or shall a nation be born at once? for as soon as Zion travailed, she brought forth her children. ⁹Shall I bring to the birth, and not cause to bring forth? saith the LORD: shall I cause to bring forth, and shut the womb? saith thy God. ¹⁰Rejoice ye with Jerusalem, and be glad with her, all ye that love her: rejoice for joy with her, all ye that mourn for her: ¹¹That ye may suck, and be satisfied with the breasts of her consolations; that ye may milk out, and be delighted with the abundance of her glory. ¹²For thus saith the LORD, Behold, I will extend peace to her like a river, and the glory of the Gentiles like a flowing stream: then shall ye suck, ye shall be borne upon her sides, and be dandled upon her knees. ¹³As one whom his mother comforteth, so will I comfort you; and ye shall be comforted in Jerusalem. ¹⁴And when ye see this, your heart shall rejoice, and your bones shall flourish like an herb: and the hand of the LORD shall be known toward his servants, and his indignation toward his enemies.

¹⁵For, behold, the LORD will come with fire, and with his chariots like a whirlwind, to render his anger with fury, and his rebuke with flames of fire. ¹⁶For by fire and by his sword will the LORD plead with all flesh: and the slain of the LORD shall be many. ¹⁷They that sanctify themselves, and purify themselves in the gardens behind one tree in the midst, eating swine's flesh, and the abomination, and the mouse, shall be consumed together, saith the LORD. ¹⁸For I know their works and their thoughts: it shall come, that I will gather all nations and tongues; and they shall come, and see my glory. ¹⁹And I will set a sign among them, and I will send those that escape of them unto the nations, to Tarshish, Pul, and Lud, that draw the bow, to Tubal, and Javan, to the isles afar off, that have not heard my fame, neither have seen my glory; and they shall declare my glory among the Gentiles. ²⁰And they shall bring all your brethren for an offering unto the LORD out of all nations upon horses, and in chariots, and in litters, and upon mules, and upon swift beasts, to my holy mountain Jerusalem, saith the LORD, as the children of Israel bring an offering in a clean vessel into the house of the LORD. ²¹And I will also take of them for priests and for Levites, saith the

LORD. ²²For as the new heavens and the new earth, which I will make, shall remain before me, saith the LORD, so shall your seed and your name remain (Is.66:7-22).

The monstrosity of your sin before me was like the monstrosity of a harlot in the defilement of her menstrual clothing. From the time of your natural father Nimrod that you enthroned as a god in the heavens and thereby covered the most beautiful parts of my creation with a **covering of darkness (Is.25:7)**, you have provoked me to jealousy and to extreme anger at every turn.

From your rivers to your mountains, hills and valleys to your traditional thrones and to your institutions, you have enthroned Nimrod and have multiplied evil in your midst without limit.

Before Me you became abhorrent, stiff-necked and refused every help. I beat you with mild beatings, yet you did not return. I beat you with heavy beatings to cause you to return, yet you did not return. You went full cycle into evil until you became before me as Sodom and Gomorrah and thus earned the full measure of My wrath. In your defilement you earned the name you gave to yourself (Nigeria) by giving yourself in marriage to whoredoms, which means 'covering of darkness,' or a *defiled bed where Nimrod prostitutes with her whores*.

The word of the LORD concerning Nigeria:

The word of the LORD came again to me, saying, ¹³**Son of man, when the land sinneth against me by trespassing grievously,** then will I stretch out mine hand upon it, and will break the staff of the bread thereof, and will send famine upon it, and will cut off man and beast from it: ¹⁴Though these three men, **Noah, Daniel, and Job**, were in it, they should deliver *but* their own souls by their righteousness, saith the Lord GOD. ¹⁵If I cause **noisome beasts** to pass through the land, and they spoil it, so that it be desolate, that no man may pass through because of the beasts: ¹⁶*Though* these three men *were* in it, *as* I live, saith the Lord GOD, they shall deliver neither sons nor daughters; they only shall be delivered, but the land shall be desolate. ¹⁷Or *if* I bring a **sword** upon that land, and say, Sword, go through the land; so that I cut off man and beast from it: ¹⁸Though these three men *were* in it, *as* I live, saith the Lord GOD, they shall deliver neither sons nor daughters, but they only shall be delivered themselves. ¹⁹Or *if* I send a **pestilence** into that land, and pour out my fury upon it in blood, to cut off from it man and beast: ²⁰Though Noah, Daniel, and Job, *were* in it, *as* I live, saith the Lord GOD, they shall deliver neither son nor daughter; they shall *but* deliver their own souls by their righteousness. ²¹**For thus saith the Lord GOD; How much more when I send my four sore judgments upon Jerusalem, the sword, and the famine, and the noisome beast, and the pestilence, to cut off from it man and beast? (Ezk.14:12-21).**

Have all these things not befallen you in increasing measures yet you have not considered and amended your ways and cried for your children that you are bringing into an uncertain future. Have you not experienced My four sore judgments to wit; The sword, famine,

noisome beasts and the pestilence in a short period of time in increasing measures yet in your blindness you have not seen My hand.

Your Prophets and Priests who should have warned the people and saved them from their folly sold their garments for money, defiled themselves and prostituted their office for filthy lucre.

You earned the fullness of My indignation and wrath and it would have come upon you in fullness, but I found a man that stood in the gap, who raised men for Me until I found a remnant who acknowledges Me, have paid some price and are paying the price for My eternal purpose to stand.

Therefore in place of wrath, I confer peace upon you.

In place of judgment I render **a verdict or mercy**.

In place of darkness I bring light upon you in a measure not seen before in any part of My creation in the inhabited earth.

I do call you by a new name **PISONIA (Gen.2:10-11)**, which is what is written in My books concerning you that MY mouth is Naming on you today.

Not for your sake do I do this, be it known unto you: be ashamed and confounded for your own ways O house of Nigeria.

Today, I have cleansed you from all your iniquities. Today, I do cause you to dwell in the cities and the wastelands shall be builded. From the South to the East, from the West to the North the walls shall be builded.

And the desolate wastelands shall be tilled whereas it lay desolate in the sight of all that passed by.

And they shall say, this land that was desolate is become like the Garden of Eden; and the waste and desolate and ruined cities are become fenced and are inhabited.

Continue to inquire of Me concerning the patterns and blueprints as nothing will stand that is not based on My patterns as I lay this New foundation.

I am **the God of foundations** (Ps.89:14) and I do not build on man or devil's foundations not to talk of *the foundation of Nimrod*, who is forever cursed by his own choice.

Righteousness and Justice are the habitation of My eternal throne. My mercy and truth are now going forth to guide you (Ps.89:14).

I confer this benefit upon you because I found a man that stood in the gap and paid the price. His company has become a remnant that I cannot ignore because I am a God of Justice and truth.

I confer on you, even upon your new Name, the blessings of His mantle which I now speak forth:

And said, By myself have I sworn, saith the LORD, for because thou hast done this thing, and hast not withheld thy son, thine only son: ¹⁷**That in blessing I will bless thee, and in multiplying I will multiply thy seed** (The Remnant) as the stars of the heaven, and as the sand which *is* upon the sea shore; and **thy seed shall possess the gate of his enemies** (Gen.22:16-18).

Rv.22:7: Son, do you understand these things?

Rv.1:7: Father, confer understanding upon Me:

Rv.22:7: Your petition is answered. Understand therefore that **the Throne of David** that I am establishing in your nation is part of My reward and compensation to Zion, the place of My rest.

Rv.22:1: Thank you Lord.

THE MESSENGER RETURNS TO THE VISION OF THE THIRD WATCH:

The name of the dragon of the north was *satbaal*. A ferocious blood sucking demon specially called out from hell by the forces of the caliphate that came into the nation from the pit in kusugu in a tectonic line that lies parallel to the place of the stone in Saudi Arabia. This demon, called out by extreme sorcery and witchcraft in 1887 has three lives and has encircled three quarter of your nation.

But it is slain today and the name of the sword that slays it is **THE COVENANT OF THE FATHERS**.

There is rejoicing; Great rejoicing in the camp of the Order of David in heaven. They are singing a song :-

The God of Abraham, Isaac and Jacob, Jehovah is a man of war!

His mercies endureth, endureth forever O praise His holy Name!!

@6:23am.

The Messenger is brought into the visions of the Aguleri Encounter/ The mystery of waters and the supervision of the emergence of the building from the ashes. Dateline, November 2013.

Shalom!!
