THE EASTERN CALL – A PROPHETIC ALERT:

In the visions that come during the day, I saw a whirlwind arise from the East that swept Pharaoh aside and set Nigeria on reset.

In the past one week, the nation has been on my mind. I have been asking Yahuah Elohim if there was anything more that we needed to do as Intercessors to bring an end to this cycle of violence and evil in our nation.

This question is important because the Lord has been showing us in the place of prayer that He has finished with the present Government and we have been seeing pictures of an empty Throne.

As I prayed this afternoon, the Lord placed two keys in my hands.

First, **The key of the Eastern Gate.**

Second, **The Key of seven.** I will comment on these two keys shortly.

Understanding the Eastern Gate:

Why is it that the Eastern gate in most nations is always a place of conflict? Why is the Middle East the most troubled spot on the face of the earth today?

Why does the sun rise from the east before it can set in the west?

I never gave much thought to this until we obeyed the Lord's voice some years ago to do what He commanded us to do to deal with the resurgence of Biafra.

The Lord asked us to go to all the places the Biafra proponents has gone to make cases for Biafra to hold Solemn Assemblies to offer Him repentance for the fresh wave of rebellion against His purpose. We had to go to the five Eastern States and some South/south states to hold Solemn Assemblies to repent and bring the word of God to pastors, traditional and political leaders and the people.

While in the middle of that assignment, the Lord began to teach us about the importance of the Eastern Gate.

I want to say this before I share what the Lord taught us:

Even though it is the will of God for Nigeria to arise at this time and lead the emancipation of Africa, Nigeria will NEVER enter into her destiny as a nation until it does justice to the East, and by this I mean the Igbo nation and the people of the South-south.

I want to share seven things the Lord taught me about the importance of the Eastern Gate and the Igbo nation and the place they occupy in His eternal counsel for Nigeria.

1. The Eastern Gate is a prophetic and governmental position from which Yahuah Elohim controls His creation and orders events on the earth. It is a gate of authority and command.

When the Israelites were moving from Egypt to Canaan, God told Moses to camp the tribes following the pattern of His throne. The twelve tribes camped in threes on the four sides of the throne, such that the tribes of Judah, Issachar and Zebulun were encamped on the eastern side.

The Lord then commanded Moses that the Eastern side of the camp must always match forward first:

*When ye blow an alarm, then **the camps that lie on the east parts shall go forward.***

In the first place went the standard of the camp of the children of Judah according to their armies: and over his host was Nahshon the son of Amminadab (Num. 10: 5,14).

What the Lord was simply doing was asking them to line up with the patterns and planetary arrangements He has ordained in the heavens and through that they connected with the associated energy to make their journey smooth.

2. The original rebellion in heaven happened at the Eastern Gate. For this reason, the Eastern Gate is always susceptible to rebellion and manipulation because satan knows that it is a gate of control, command and government.

If you study scriptures like Revelation 4, Exodus 25, Ezekiel 28; Genesis 2 and others you will see that the approach to Jehovah is guarded by four arch angesles described as the living creatures. One had the face of a man, another a lion, the other a calf and the other an eagle. It would appear that Lucifer was originally in charge of the Eastern Gate from where He commanded the choir that welcomed Jehovah when He appeared among the host. After his fall, the Eastern approach was manned by another living creature and also the sword that represented the word of God (See Gen.3:23-24).

See also Is.14:12-14; Ez. 28:4-8, 13-19; Ex. 25:9, 19-20; Gen.2:8-15.

3. Adam was originally placed on the eastern side of the garden and he fell from there.

And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul.

And the LORD God planted a garden eastward in Eden; and there he put the man whom he had formed (Gen 2: 7 -8).

When God wants to bring revival, healing and restoration He comes through the Eastern Gate.

*Afterward he brought me to the gate, even **the gate that looketh toward the east:** And, behold, the glory of the God of Israel came from the way of the east: and his voice was like a noise of many waters: and the earth shined with his glory. And it was according to the appearance of the vision which I saw, even according to the vision that I saw when I came to destroy the city: and the visions were like the vision that I saw by the river Chebar; and I fell upon my face.*

And the glory of the LORD came into the house by the way of the gate whose prospect is toward the east (Ez 43: 1- 4).

Then said he unto me, These waters issue out toward the east country, and go down into the desert, and go into the sea: which being brought forth into the sea, the waters shall be healed (Ez 47:8).

4. A revival will arise from the East of Nigeria that will touch every part of Nigeria and cause a shift from the era of darkness and corruption into a new era of light and glory. Nigeria is on the verge of that revival. The fathers especially Pa Ellton spoke about this and the time has come for the fulfilment.
5. The East holds the key to the unity of Nigeria. There is no part of Nigeria or indeed the world that you travel to where you will not see an Igbo man. The Igbo were wired like that because they were supposed to be missionaries on behalf of Yahuah Elohim to the nations. In the past, Mammon had hindered them from fulfilling this calling but the Lord is changing the tides. The hand of God will come on many Easterners held in prison in different parts of Nigeria and the world and they will be witnesses for Him starting from the place of their captivity.
6. The Lord will raise a David from the Igbo nation, a man of covenant and righteousness through whom He will rebuild Nigeria.
*Who raised up **the righteous man from the east**, called him to his foot, gave the nations before him, and made him rule over kings? he gave them as the dust to his sword, and as driven stubble to his bow (Is. 41: 2).*
7. The Eastern Gate holds the key to bringing an end to the Era of corruption in Nigeria as per the prophecy of Pa. Elton. I will elaborate on this shortly.

Beloved, I do not make these statements lightly or from any tribal perspective. As a servant of God and a prophet by calling, I have, by the mercies of God, risen above tribal leanings. One of the first lessons the Lord taught me in strategic intercession is to come to the place of neutrality. I have no position of my own until I have known where the Lord is standing on a matter, then I stand behind Him.

The greatest mistake we make as intercessors is to take a position and then ask God to support our narrow positions.

This is foolishness because as human beings we are severely limited. We do not see the whole angle to issues and we do not have the complete information.

The conflicts that are happening in different parts of the world today are not primarily engineered by satan though sometimes he can take advantage. God is the one shaking the nations to cause them to determine their eternal destinies.

It is written in the Book of Haggai:

*For thus saith the LORD of hosts; Yet once, it is a little while, and I will shake the heavens, and the earth, and the sea, and the dry land;
And I will shake all nations, and the desire of all nations shall come: and I will fill this house with glory, saith the LORD of hosts (Hag. 2: 6-7).*

The purpose of those shakings is to cause the nations to choose between the throne of Nimrod, which represents the order of this present age of Iniquity and the Throne of David which is the model of God's eternal throne.

By sovereign election and calling, Nigeria is called to model the throne of David whose foundation is righteousness and justice (Ps.89:14).

We must pay the price in prayers and action to ensure that we respond to the Lord's grace because the nations of the world will be divided into two broad categories before the Lord's return (See Matt.25:31-34, 41, 46):

Sheep nations will transit into the millenium where they will find space in the new kingdom of Christ.

Goat nations will be removed from the earth through a change in geography that is imminent. That is simply what the Psalmist was saying in Psalm 9:

The wicked shall be turned into hell, and all the nations that forget God (Ps. 9: 17).

We have often said that the nation states are not the creation of man. God created the nation states for a divine purpose. His purpose is to use the platform of states to inherit back the nations through the preaching of the Gospel of the Kingdom.

This purpose is ordained by Him even before the foundation of the earth was laid as part of His response to the rebellion of Nimrod (See Gen.11; Deut.32:7-8; Acts 17:25-27).

When God calls a nation to be a sheep nation, He also calls Fathers to lay a fresh foundation for that nation that will enable Him establish a Throne of David in the space.

God used three Apostolic fathers to lay the foundation of the Throne of David for Nigeria. The fathers are, Pa Sydney Granville Elton, Apostle Ayo Babalola and Bishop Benson Idahosa.

Of these three fathers, the most important was Pa Elton, because in Him God found a pure seed that He could use to neutralize the evil seed and poison that was imported and planted in Nigeria through a British apostle of satan, Sir Taubman Goldie (See our book, God's Eternal Plan for Nigeria).

Pa Elton gave a foundational prophecy concerning Nigeria in the eighties. He said that the nation will experience two seasons in her national life viz:

- An era of corruption where Nigeria will be known globally for corruption and her name stink to high heavens when it is mentioned.
- An era of righteousness where Nigeria will become like the garden of Eden, and the nations of the world who have despised Nigerians will cultivate their favour and seek to come to Nigeria to learn righteousness.

He prophesied that in the first phase of His visitation on Nigeria the Lord will go to the West to build a Pastoral Church with which to gather citizens for His kingdom. The fulfillment of this prophecy has seen the emergence in the Western gate of phenomenal Churches like RCCG, Winners Chapel and Deeper life Churches.

He also prophesied that in the latter stage, God will move to the Eastern Gate to build a prophetic and apostolic Church with which He will go to the nations to proclaim the Gospel of the Kingdom.

The storm we have seen in the east today is part of satan's opposition to the fulfillment of the second phase of that prophecy.

THE KEY OF SEVEN:

Yahuah Elohim ordained the world to function in cycles of seven. God reckons the years in cycles of seven. By His Calendar, every seventh year is a shemitah year or a year of release and every seven times seven years is a Jubilee.

For satan to function in any nation, He disrupts this ordained cycle through the planting of satanic trading floors.

Satanic Trading Floors are powered by the disruption of the ordained cycles of yahuah. In this way, Satan is able to disrupt ordain times and also manipulate seasons (See Dan.7:25).

Nigeria is presently in her sixteenth cycle as a nation (2019-2026).

By Yahuah's ordination, Nigeria ought to have fought some battles in her fourteenth cycle (2005 – 2012) and entered into rest in her 15th cycle (2012-2019).

From our thirteenth cycle, (1998-2005) to the fourteenth cycle (2005-2012), the Lord positioned the Church to fight and win the battle for Nigeria's transition into a sheep nation. He gave us leaders in the mold of Obasanjo and Jonathan (supposedly Christians), but we lost that opportunity mainly due to the failings of a Babylonian Church.

If we had followed the Lord, we would have entered into rest in the fifteenth cycle (2012-2019), which would have been sealed by the 2019 election.

The times and seasons were changed through manipulations involving extreme sorcery, prognostication, blood sacrifice and entering into satanic covenants. The Lord showed us pictures before hand and we tried to warn the Church but she did not listen.

The number 15 represents rest in God's arithmetic. By the fifteenth cycle of Nigeria's existence reckoning from the 1914 amalgamation, God was minded to give us rest as a nation.

Three years into this cycle precisely on September 16, 2015, the Lord granted us a vision that expanded Pa Elton's prophecy concerning Nigeria that led to the publication of our Book, God's Eternal Plan for Nigeria.

God was determined to end the cycle of corruption in Nigeria through the electoral process in 2015 if the Church had followed through. This would have been sealed in 2019, when Nigeria would have seen a David seating on the throne but we lost the opportunity.

The Lord began to show me that Seven is still the key to redeem the lost time.

September 16, 2021 is the sixth year of the revelation of God's Eternal Plan for Nigeria.

September 16, 2022, would be the seventh year.

Between the sixth and seventh year, the Lord is giving to the Church in the Eastern Gate the Key of the sixteenth Book of the Bible (Nehemiah), to bring about an intervention of an eighth year through the Keys in Neh.1:1-11; Neh.2:19 and Neh.4:15-20.

If we engage the way the Lord is asking us to engage, then the Lord will release the East wind from the Eastern Gate that will end the reign of Pharaoh/ Leviathan in the land and usher in the righteous reign of David as prophesied by the fathers (See Is.27:1-8).

The enemy through sorcery has some measure of understanding of the counsel of Elohim. He has therefore multiplied in the Eastern Gate false prophets and man-made churches that multiply idolatry in the land and further grieve the heart of God.

How did the aberration we have in Imo state come to be?

First a false prophet was retained to give a false prophecy heralding a false hope.

Then the judiciary rode on the back of that prophecy to give a judgment that defies logic.

For this to happen, the church in the land was first compromised, robbed of its authority and then we have the current breach.

But the Lord is set to give us a window to reverse the breach that has occurred for the sake of His purpose.

I have more to say but I will say it directly to the elders in the Eastern Gate.

My prayer is that they will listen and all concerned will do their part.

Please pray for the Eastern Gate. There is a key that God has placed in the Eastern Gate that if properly used can see the nation coming back to track.

Shalom and Grace.
