## **THE TRUE FATHERS OF THE NATION:**

In recent times, there have been questions and controversies surrounding the issue of the true fathers of the nation.

Some people for whatever reason draw up a long list that includes all the heads of different denominations.

I am led to make some contribution in this regard because the Lord has taught me along this line and also given me some revelations.

The issue of fatherhood is important now because we are living in the last days of the present age and the quest in the father's heart is to inherit some nations that will transit with the Lord Yahusha Ha-Mashiach into His millennial reign.

The sacrifice of the Lord Jesus Christ on the cross is central to God's plan for inheriting the nations because of what happened in history and how Elohim responded to the various falls in the history of creation especially the fall occasioned by the Nimrod instigated rebellion in Genesis 11.

God responded to that rebellion in three major ways:

First, God dispersed the inhabitants of the earth to different regions.

Second, God confused their language so that they could not understand each others speech.

Third, God disinherited the nations and handed the spiritual government of nations to fallen Angels.

God did this because idolatry was at the heart of that rebellion and so God gave over the nations to their desires. (See 2Ths.2:7-12).

In Genesis Chapter 10, we see the Table of 70 nations that emerged from that rebellion and seventy different gods became their spiritual rulers.

This is the background to what played out in Daniel Chapter 10 where the principality over the kingdom of Persia opposed the Angel Gabriel that was on divine assignment from the Throne of God.

See Ps.82; Deut.4:19-20.

After God disinherited the nations, God set out to seek for a man Abraham, entered into covenant with him and through him fathered a nation Israel that would be established on the foundation of righteousness and justice (See Deut.32:7-9). God did this so that he would make Israel His example for the foundation of Abraham and the Throne of David, the model for His eternal Throne.

God ordained that through Abraham's seed (Christ) and through the instrumentality of the Gospel he would inherit other nations that would willingly submit to the righteous standard of His eternal Throne.

In dealing with nation states therefore we are dealing with two foundations and two fathers.

The first foundation is the idolatrous foundation of Nimrod which is the model of all the nations on earth with the exception of Israel. This is based on the fatherhood of Nimrod rooted in sorcery, prognostication and blood sacrifice.

The second foundation is the righteous foundation of Abraham that worked out in history to produce the Throne of David. This is based on the fatherhood of Abraham that is rooted in righteousness, covenant and righteous sacrifice based on the redemptive work of Yahusha Ha-Mashiach.

If God ordains to establish the throne of David in any nation, he will first of all raise spiritual fathers for that nation in the mold of Abraham and through those fathers birth the seventh day Church in that nation that can deal with the foundations of Nimrod. It is after the foundations of Nimrod are dealt with that the Throne of David can be raised and sustained.

Fatherhood is central to God's plan for the nations and he does not leave such an important subject to be a matter of speculation.

From what God revealed to me, He appointed three fathers to be His prophetic tree that could birth the Seventh Day Church in Nigeria.

The Fathers are **Pa Sydney Granville Elton**, a British Missionary that came to Nigeria in 1937, ministered in Nigeria for fifty years and died a Nigerian after renouncing his British citizenship.

**Apostle Ayo Babalola**, the first authentic indigenous African Apostle and founder of the CAC churches.

**Bishop Benson Idahosa**, the founder of Church of God Mission and a former disciple of Pa Elton.

The Lord showed me that He planted what he called a Fathers Tree in Nigeria with these three people as the three main roots as it written, a Three fold cord is not easily broken.

The Lord also showed me that the root of Bishop Idahosa was later poisoned through his undue exposure to the American brand of Pentecostal Christianity that brought in the Jezebelian spirit that still troubles the Nigerian Church today which is spiritual Babylon.

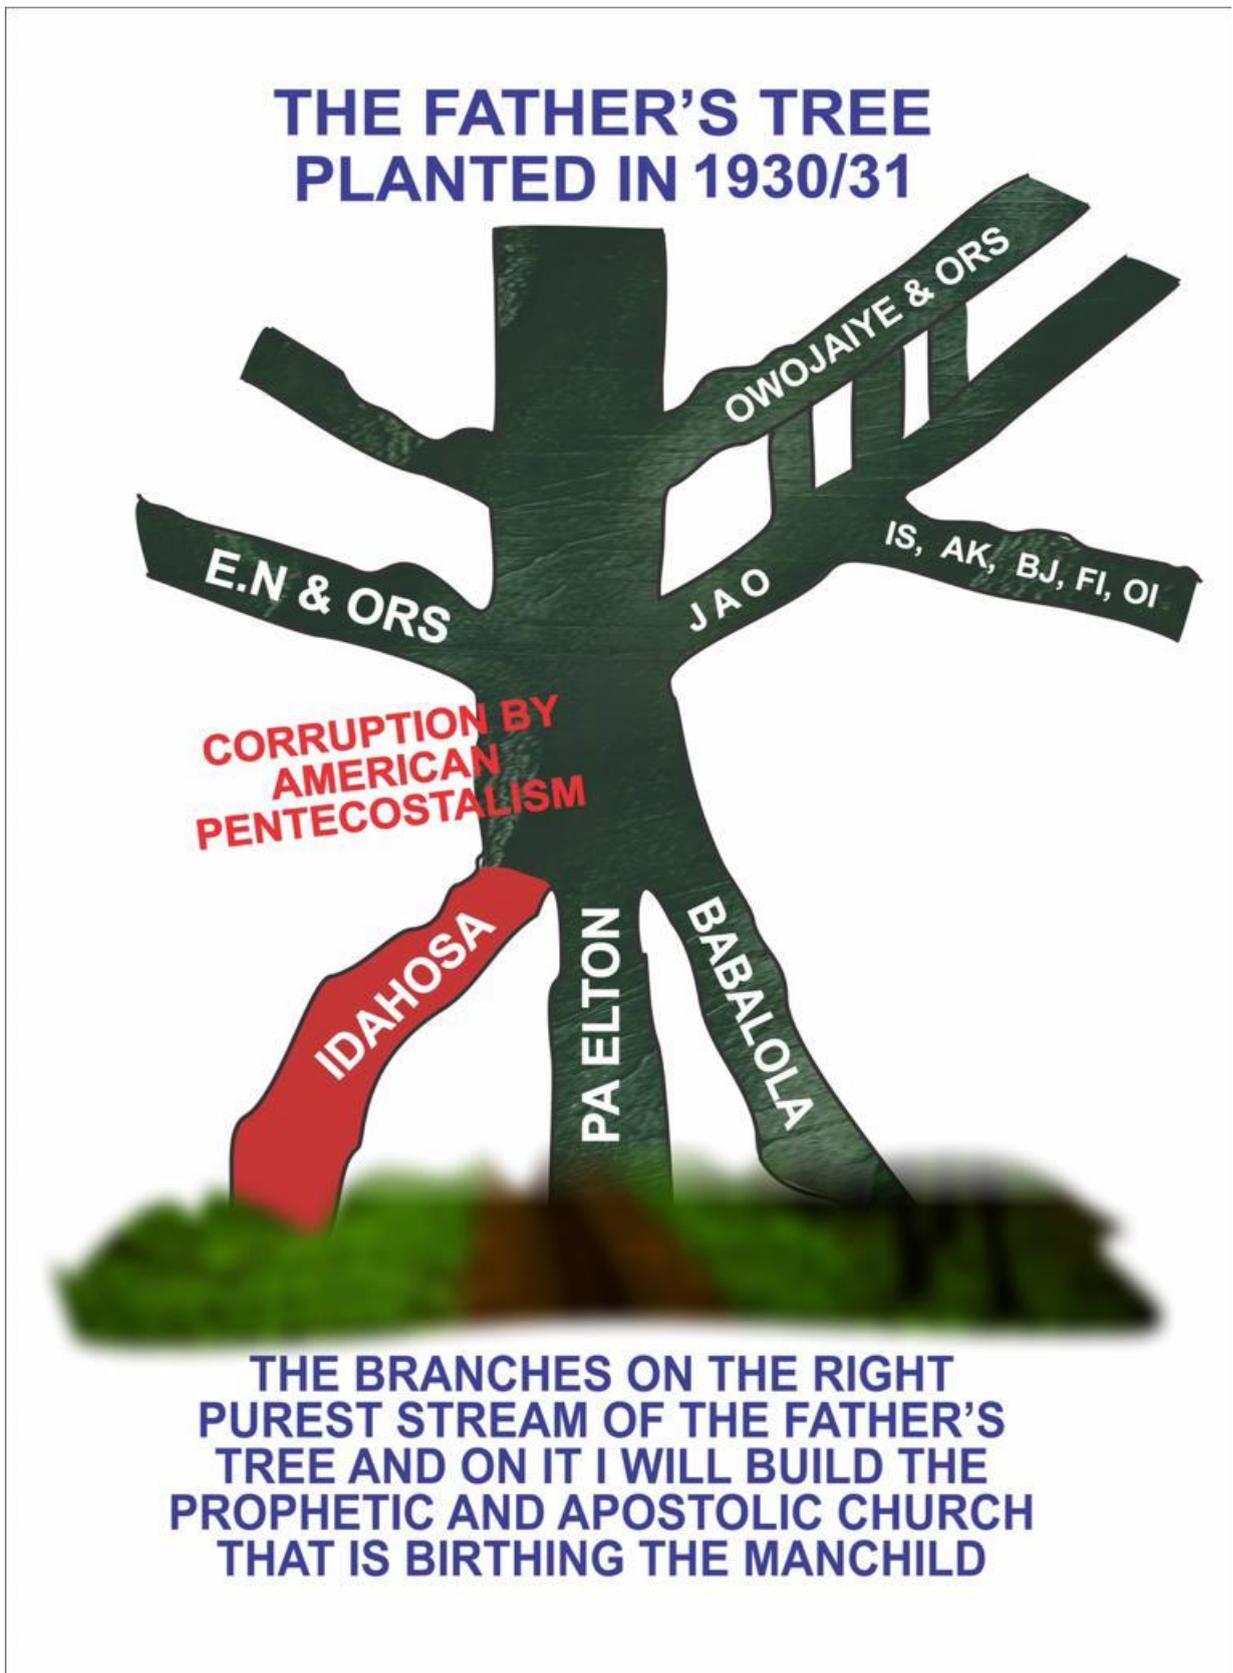

It was partly because of this that the Lord called Bishop Idahosa home early to curtail the damage.

However, the Lord said to me that His seventh Day Church in Nigeria would be built on the root of Pa Elton and Apostle Babalola that was not affected by this poison.

We have been in prophetic meetings where the Lord sent Bishop Idahosa to come and speak to us and admit the mistakes he made and also cautioned us not to go that way.

The Lord showed me the vision of the Fathers Tree on 26<sup>th</sup> December 2018 and when I began to interrogate the vision, the Lord began to give me understanding of His endtime purposes for Nigeria and the role of the fathers and the seventh Day Church.

This is not written to generate arguments but just to set the matter of fatherhood straight.
