WORD OF THE LORD FOR 2019 – SUMMARY:

These are the highlights of what the Lord is saying for 2019 to make it easily assimilable especially for those who don't have the time or patience to read long pieces:

1. 2019 will be a year of exaltation for Zion - The remnant that are becoming the bride of Christ through their sacrifices, vows, covenants and separation unto Himself. The Lord is raising a people that is growing to the stature of Moses through whom He will execute the already written and pronounced judgements. As He begins to honour them with His glory, beauty, power and everything He has, creation will begin to respond to them as it will be evident to all that the Remnant church is back to its glory.

2. It is a year of punishment for idol and idol worshippers. The web of the dragon especially in politics, economy and religion will be unwound. Is. 2:10-21. The Lord has been raising judges for this purpose and they are beginning to come of age. Jer. 51:44. The spirit of Jezebel and Jezebels will be severely judged in her manifestation around these spheres so that His righteousness can flow through the throne for His people and the poor and the needy will have rest

4. It is a year of revelation of hidden secrets and dymistification of mysteries. Luk 8:17. The Lord is raising SEAL Prophets in the land through whom He will lay bare the secrets of men and unravel mysteries of men that have held people bound. Mysteries surrounding the throne of Nigeria will be revealed (Amos 3:6-7, Luk.8:17-18).

4. The Lord is setting the battle in array in the mist of the political process. He will use the 2019 election to visit and judge the foundations of our nation.

5. It is a year of vengeance for all the sins that have been committed against Zion. God will make a difference between His seed and those that are not. It is a year of preparation for the great harvest that is about to come. (Joel 3 and Rev. 14).

6. It is going to be **a year of the sword** and this is why I am teaching warfare. There will be violence and conflict and those who are at ease in Zion will be swept away just as those with closed ears to receive

instructions may become casualties.

7. The mystery of 2019 election: It is the mystery of blood given to both A and B to take 99,900 souls through violence in order to guarantee ascension to the throne. The only obstacle being the emergence of the righteous seed of God. This is why they want to stop him at all cost and the Lord is allowing temporary defeat as a protective strategy but time to unveil him has come. Part of the enemy's strategy is also to compromise the church which is O's assignment. This word is coming so that through it all we should remain calm and maintain a position of trust and on the watchtower as the strength to defeat this wickedness is already bestowed in Zion.

8. The 2019 election will be inconclusive but I will use it to enthrone My purpose and My anointed. Most of the hardened ones will meet me as the ROCK and they will be dashed in pieces.

9. In 2019 God is set to judge the foundation of witchcraft and occultism that has always determined access to political power in our nation. Do not make alignment with people whose hearts are set on that course else you will share in their judgement.

10. 2019 is the year of the Lion (CHRIST). The Lion wants to roar so that He can have your land to roar from there to other nations. Rev. 10:2-3. He is coming to fight with the sword on His mouth to take over the land He has redeemed for Himself to use it for His purpose.

11. The Lord is judging the abuse of the throne in our land and many who have abused the throne starting from religious houses will be judged as judgment must necessarily start from His house.

12. Many pronounced judgements will be executed in 2019 amidst the political contest. This is why it is important to be on the Lord's side at all times.

WAITING IS A VERY VITAL KEY IN THIS YEAR OF THE LION.

ALSO NOTE:

- ◆ Nigeria is in a kairos moment ordained by God to enable the nation rise to her prophetic destiny of being the Lord's global witness.
- ◆ Many religious leaders have made compromises ahead of the 2019 election. The 2019 elections will be like a judgment field where the Lord judges, starting from the Church.
- ◆ There will be more bloodshed in the land, but at the same time, the Lord will yet be known as the Prince of Peace.

- ◆ There will be an obvious difference between the seed of God and those that are not. 2019 is a year of preparation for the harvest.
- ◆ The nation Nigeria is in transition; the Lord has prepared a man from the middle belt as a vehicle of transition. If we cooperate with the Lord and the flawed electoral process allows the man with the Lord's hand to emerge, the nation will be spared many sorrows. The Lord has invested in him requisite capacity, wisdom and skill. If we miss this opportunity, we will see the severe judgment of God over the nation that will shake everything.
- ◆ If the Remnant Church rises up in prayers and united action, God can use the electoral process to bring about a seamless transition that will cause less pain.
- ◆ The two platforms- APC and PDP cannot bring the transition that is in the heart of God.
- ◆ Nigeria as a nation has entered her Kingdom age.
- ◆ The middle belt/Gboko is ripe for the fulfillment of the prophetic word over her by pa Elton. The Lord will yet raise ancient altars in that region that died as a result of negligence and will ride through them to the North in a wild fire Revival that will shake the nation and beyond the nation.
